GLOBAL SUMMIT

“From Local Impact to Global Influence: Celebrating Change, Shaping the Future”

INDIAN NOBEL  SUMMIT 2025

W-50

Theme: “From Local Impact to Global Influence: Celebrating Change, Shaping the Future”

The W-50 Summit is an international convergence of powerful Global leaders, changemakers, and allies from over **50 countries**, dedicated to building a collaborative, inclusive, and sustainable future.

It is a platform that celebrates bold leadership, nurtures innovation, and bridges grassroots impact with global influence. Anchored in the principles of equality, purpose-driven action, and shared humanity, W-50 fosters meaningful dialogue across borders to accelerate progress on issues that matter—leadership, peace, education, environment, entrepreneurship, and digital empowerment.

The summit supports multi-stakeholder collaboration for the UN Sustainable Development Goals and establishes the **WLC Leadership Councils** to drive long-term global cooperation. Inspired by the idea that "true leadership uplifts all,

" W-50 is more than a summit—it is a living movement shaping a world where empowered women lead transformational change.

From Local Impact to Global Influence: Celebrating Change, Shaping the Future”

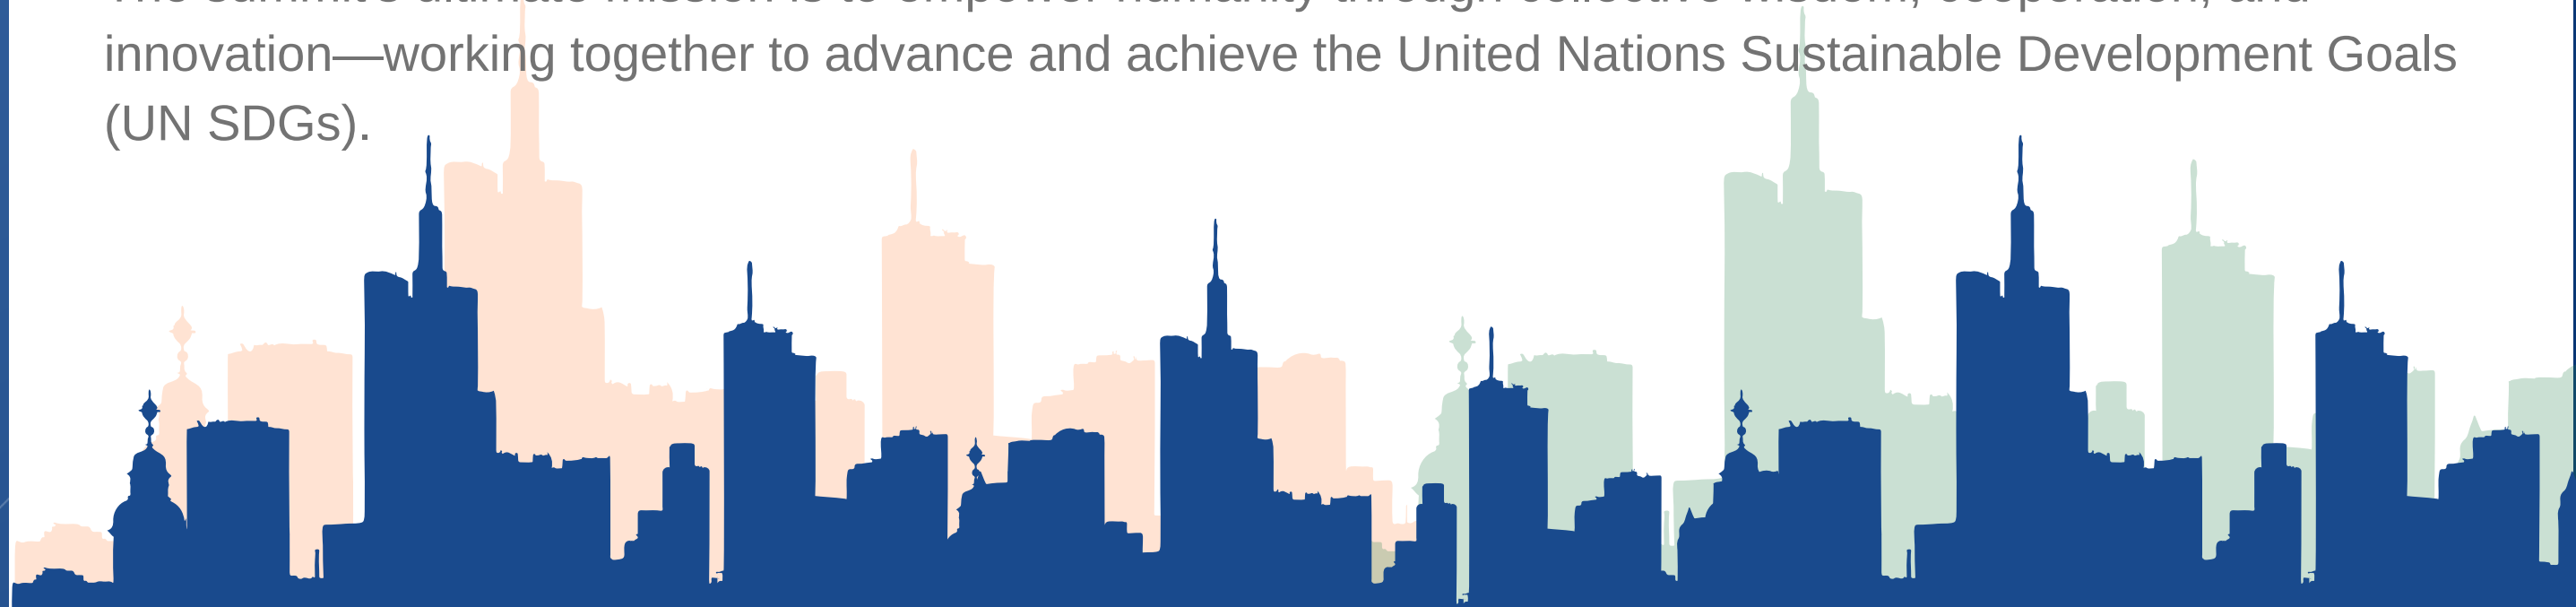

A historic two-day global convergence of visionary changemakers, this summit unites the Indian Nobel Summit and the World Leaders Consortium Global Summit.

The **W-50** Global & Indian Nobel Summit 2025 is two day Summit, a flagship event under the esteemed W-50 Global Summit Series, stands as a premier global platform where visionaries, policymakers, Nobel laureates, business magnates, diplomats, and social innovators from over 50+ nations converge.

Organized by in World Leaders Consortium in association with MAWF, M Aashiyana Welfare Foundation (NGO) & Rumarix consortium Foundation (NGO), this summit is committed to bringing global leaders onto one unified platform to engage in meaningful dialogue, foster impactful partnerships, and build an influential global network.

The summit's ultimate mission is to empower humanity through collective wisdom, cooperation, and innovation—working together to advance and achieve the United Nations Sustainable Development Goals (UN SDGs).

SUMMIT OBJECTIVES

INDIAN NOBEL SUMMIT

W-50
GLOBAL
SUMMIT

MISSION & VISION

MISSION

To emerge as a globally respected summit that cultivates transformative conversations, shapes international policy, and forges sustainable collaborations — empowering nations and societies to build a just, equitable, and resilient world. The Indian Nobel Summit envisions a future where global unity, technological innovation, and human compassion work together to uplift humanity and create lasting global impact across generations.

VISION

To unite global leadership, expertise, and innovation on one influential platform, fostering meaningful dialogue, diplomatic cooperation, and cross-sector partnerships that advance humanity. The Indian Nobel Summit is committed to driving actionable solutions aligned with the United Nations Sustainable Development Goals (UN-SDGs), empowering nations, institutions, and individuals to collectively address the world's most critical challenges with responsibility, inclusion, and visionary leadership.
