

■ Property Prep Checklist – AirVue Drone Photography

Exterior:

- ☐ • Mow the lawn and trim bushes or hedges
- ☐ • Clear leaves, branches, or debris from the yard and driveway
- ☐ • Remove trash bins, hoses, garden tools, and lawn equipment
- ☐ • Park vehicles away from the driveway or curb in front of the home
- ☐ • Close garage doors and gates
- ☐ • Arrange outdoor furniture neatly and open umbrellas if applicable
- ☐ • Remove pool covers (if you'd like the pool in the shot)

Interior (if applicable):

- ☐ • Tidy and declutter visible rooms
- ☐ • Open blinds/curtains for natural light or close them for privacy
- ☐ • Turn on all lights for a warm, welcoming look
- ☐ • Hide personal items (toothbrushes, laundry, pet bowls, etc.)

Pets & People:

- ☐ • Keep pets indoors or in a safe enclosed area during the shoot
- ☐ • Ensure no one is in the yard during drone flights for safety

Special Notes:

- ☐ • Make sure gates are unlocked or access is arranged
- ☐ • Notify us in advance of any special features you'd like highlighted (garden, fountain, barn, etc.)
