We will review your insurance arrangements when you inform us about changes in your circumstances.</p> <p>When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.</p>

Contractual Liability and your insurance cover

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

How will I pay for the services provided?

Payment for the services you are provided are payable directly to Metrix Connect.

For each insurance product, the insurer will charge a premium that includes any relevant taxes, duties, fees, and levies. Metrix Connect often receive a payment based on a percentage of this premium (excluding relevant taxes, duties, fees, and levies) called commission, which is paid to them by the insurers. The amount of commission varies depending on the insurer, ranging between 0% and 30%.

In some cases, you will also be charged a fee. This fee may be in lieu of or in addition to the commission paid by the insurer.

The fee, along with the premium, will be shown on the invoice that is issued to you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay Metrix Connect within the time set out on the invoice.

We will receive up to 92% of the commission that Metrix Connect receive and any fee you are charged.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer or charge you a cancellation fee equal to the reduction in commission.

When you pay your premium, it will be banked into a Metrix Connect trust account. Metrix Connect will retain the commission and fees from the premium you pay and remit the balance to the insurer in accordance with the arrangements they have with them. Metrix Connect will earn interest on the premium while it is in their trust account, or they may invest the premium and earn a return.

Premium Funding

If premium funding is arranged for you, Metrix Connect may be paid a commission by the premium funder. This is usually calculated as a percentage ranging between 0% and 4% of the funded premium (including government charges, levies and taxes). We may receive all or some of this commission from Metrix Connect.

We and/or Metrix Connect become entitled to this commission when you instruct us to arrange or issue a premium funding document. You can ask us what commission rates we are paid for a funding arrangement compared to other arrangements that were available to you.

Non-Monetary Remuneration

During the course of our business we may receive non-monetary remuneration from insurers, underwriters or other third parties. This may include, but is not limited to, access to technology platforms and IT support, education & training, event sponsorship and marketing assistance.

Employee Remuneration

Our employees are paid a market salary and may receive bonuses based on the overall performance of our business.

How are any commissions, fees or other benefits calculated for providing the financial services?

The commission Metrix Connect are paid is calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

- X = Metrix Connect commission
- Y% = the percentage commission paid by the insurer.
- P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Neither we nor Metrix Connect often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we or they do, the referrer is paid out of the commission or fees that we receive (not in addition to those amounts), in the range of 0% to 92% of our commission or fees.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or to any insurer) will receive in relation to the policies that are the subject of the advice.
