Dear Sir/Madam,

RE: INVITATION TO THE 43RD ANNUAL SCIENTIFIC CONFERENCE SCHEDULED TO TAKE PLACE ON THE 6TH – 8TH NOVEMBER 2025 AT LAS VEGAS HOTEL - MBARARA CITY UGANDA

The Uganda Medical Laboratory Technology Professionals Association is a strong advocate for improved Laboratory services in the Country. It consists of Laboratory Professionals working in both the Public/Private sector in Uganda, with the main objective of promoting and maintaining high standards of professionalism and excellence in Medical Laboratory Service delivery in Uganda and beyond. Membership comprises Medical Laboratory Scientists/Specialists, Technologists, Technicians, and Assistants, working in Public and Private Clinical setups as well as teaching and research institutions. This Year’s major Scientific Conference and Exhibition to appraise the progress of the Fraternity will take place at the Las Vegas Hotel - Mbarara City .

As a stakeholder in health care delivery, the National Executive Committee extends an invitation to you to attend this very important conference.

There will be scientific paper presentations on several research findings and this year’s Theme is: **"Innovation and Excellence in Laboratory Medicine for a Better Future of Uganda Healthcare system"** to highlight medical Laboratory contribution in health care delivery. This meeting is under preparation in conjunction with the Federation of East Africa Association of Medical Laboratory Scientists (FEAMLS), African Society of Laboratory Medicine (ASLM), Uganda National Health Laboratories Services (UNHLS), and Allied Health Professionals’ Council (AHPC). Below is the conference fees structure;
