

THE ANTHEM - UMLTA

Of

The Uganda medical laboratory profession by Olujju Christopher

Stanza 1

God bless us men and women of Uganda serving in the Medical Laboratory; bless us with knowledge and wisdom from above.

Medical Laboratory we cherish and adore.

Chorus

Medical Laboratory wonderful profession, the core of medicine.

Stanza 2

Gone are the days of blind treatment our nation Medical Laboratory is here to bridge the gap. We no longer guess medical condition.

Medical Laboratory we cherish and adore.

Chorus

Medical Laboratory wonderful profession, the core of medicine.

Stanza 3

Let us rejoice and be glad oh Uganda, generation now and the next to come, medical Laboratory is here to manage disease outbreak through surveillance and through research

Chorus

Medical Laboratory wonderful profession, the core of medicine.
