# ABOUT FRONTIER QUOTIENT

We're a team of chartered accountants with **over 12 years** of hands-on experience, dedicated to simplifying finances for businesses of all sizes. From **FMCGs and healthcare** to e-commerce and artificial intelligence, we specialize in crafting **tailored solutions** that drive results.

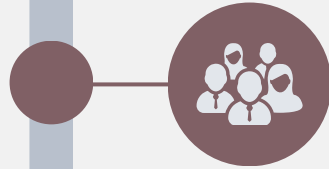

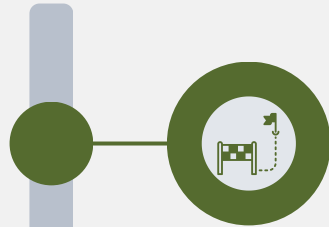

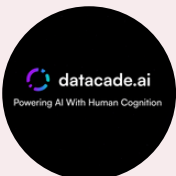

As certified bookkeepers, we excel in providing accurate accounting, seamless filing services, and powerful data analytics through interactive dashboards. Our expertise spans budgeting, forecasting, and performance management, along with creating investor-ready pitch decks, financial models, and business cases.

What sets us apart? It's our client-first approach, blending deep industry knowledge with personalized strategies to help your business achieve sustainable growth

Contact Us

# CLIENTS FEEDBACK

## BERTIE VIDGEN

*Frontier Quotient was a huge asset to the project!*

*A pleasure to work with and we would definitely rehire in the future.*

## SAEED MUQADDAM

*Highly recommending them for their work, and looking forward to more collaborations.*

## OMAR SULAIMAN

*Muddassir was very responsive, professional, knowledgeable, and clear. I enjoyed working with him and his team. He has been a clear communicator, on-time delivering, and generous with his time to walk me through the entire work and answer all the questions, and address follow-up asks.*

*Definitely recommend especially if you're in the early stage startup space as he brings wealth of knowledge there too.*

# FRONTIER QUOTIENT

*Excited to be your growth partners, offering flexible solutions to propel your business.*

*Reach out and we'll get started!!!*
