01785 719557 (option 1 then option 3)

Registered Adult, Children's Nurse, Health Visitor and Nurse Prescriber
BSc (Hons), MSc, MBA, Post Graduate Certificate Safeguarding Children, Queen's Nurse

General Background

A senior nurse with a wealth of experience in both adults, children's and community nursing. Holder of Advanced Level Nurse Practitioner status for community nursing. Caring, empathic and compassionate in the delivery of health education and promotion. Driven and goal orientated to achieve the best outcomes for children and families.

Work History

Children's Nurse

- Worked in acute nursing both in Ireland and the UK, specialising in Cardio-Thoracic Nursing in the preoperative and postoperative care of children and young people post heart/lung transplant.
- Ann was part of the first community nursing team in London to set up a home care service, visiting sick children at home following discharge from hospital.
- Worked as a health visitor and team leader for 15 years.
- Experienced in safeguarding children and listening to the voice of the child as an advocate.

Skills and Key Achievements Health Visitor

Health Visitor

- 13 years' experience as a health visitor and 2 years' experience as a team leader.
- Delivered the healthy child program in clinics and in the home, carrying out developmental checks and signposting to other services when concerns are identified.
- Searching for health needs and carrying out family needs assessments.
- Working with vulnerable families and ensuring that referrals were made to Children's social care.
- Delivering antenatal/postnatal support groups.
- Health education and promotion – weaning groups and healthy eating sessions, behaviour management.
- Early identification of post-natal depression and carrying out listening visits and support groups.
- Specialist Health for victims/survivors of Domestic Abuse – Attending the Multi Agency Referral and Assessment Conference (MARAC). Visiting survivors in the women's refuges and supporting therapeutically. I was awarded the *Queens Nurse* title for my quality improvements in services to women and child survivors.
- Author of *'How to Be Your Own Health Visitor'* selling on Amazon.

Skills and Key Achievements in Early Years Education

Managing Director/Owner

Happy Face Montessori Nurseries Ltd

- Set up a Montessori day nursery opened on time and on budget within 6 months. Wrote business plan and secured funding.
- Wrote all the policies and procedures and designed the curriculum.
- Received an 'Outstanding' outcome in our first Local Authority inspection.
- Opened a second nursery a baby unit in 2007.

Expert Advisor for two National Organisations - Montessori Evaluation and Accreditation Board (MEAB)/ Independent Schools Inspectorate (ISI)

Lead assessor for MEAB, assessing whether nurseries/early years Montessori settings were 'fit' to be accredited as a Montessori setting.

Lead inspector for early years settings ensuring the health, welfare and education needs of early years children were being met.

Reports written within short turnaround and to high standard as published on the websites for public to view.
