

2024 ANNUAL MEETING & PAASE SYMPOSIUM

July 13 - 22, 2024 | URS, UPLB, BatStateU, EVSU, Philippines

Filipino Scientists Across Borders: Towards Developing Regional S&T Innovation Ecosystems

AN OPEN INVITATION FOR SPONSORS AND EXHIBITORS

The PHILIPPINE-AMERICAN ACADEMY OF SCIENCE & ENGINEERING (PAASE), a non-profit organization composed of scientists and engineers of Philippine descent who have distinguished themselves in scholarly and research related activities. One of the major activities of PAASE is the conduct of the Annual PAASE Meeting & Symposium (APAMS).

APAMS 2024 aims to gather scientists from various disciplines and create an environment conducive to collaboration, knowledge exchange, and working towards sustainable regional Science and Technology (S&T) innovation ecosystems. This symposium serves as a platform to foster interdisciplinary collaboration among researchers, academicians, industry professionals, and policymakers.

In line with this, we are delighted to invite you to join us as a key partner in the APAMS 2024, with the theme "*Filipino Scientists Across Borders: Towards Developing Regional S&T Innovation Ecosystems*", which will be held from July 13-22, 2024. This symposium is set to take place across four venues:

1. University of Rizal System (URS) - (July 13-14)
Theme: *Technological Innovations Towards Sustainable Education, Agriculture, and Ecotourism*
2. University of the Philippines Los Baños (UPLB) - (July 15-17)
Theme: *Technological Innovations Towards Health, Food, and Nutrition Security*
3. Batangas State University (BaTSU) - (July 18-19)
Theme: *Technological Innovations Towards Smart Cities and Communities and Responsible use of AI*
4. Eastern Visayas State University (EVSU) - (July 20-22)
Theme: *Technological Innovations in Disaster Risk Reduction and Management (DRRM) Towards Resiliency*

Your valuable support and presence will ensure the success of this convention and provide an opportunity for your organization to engage with a large number of practitioners in Science and Engineering from the academe, industry and the government. A virtual experience can be convenient as well as accessible and allow you to engage a bigger audience.

The Organizing Committee will appreciate your support and participation in the onsite exhibits, marketing materials, technical sessions and other activities which are all part of the symposium.

We look forward to a mutually beneficial partnership and encourage you to consider this as an opportunity to promote your company, program, services and/or products.

Should you decide to explore this sponsorship opportunity further, we have attached the SPONSORSHIP RESERVATION FORM for your convenience.
