

# EABC FOOD DRIVES

## FOOD DRIVE SUCCESS GUIDE

### Get the List

Call or email us or visit [eabcnv.org/donate](http://eabcnv.org/donate) to see what our community currently needs most.

### Save the Date

Choose a timeframe (1-2 weeks works well) and a drop-off spot like a workplace, school, or community center.

### Spread the Word

Use social media and flyers to encourage participation. Make it easy for donors by providing that list of needed items. If you let us know about your drive, we may add it to our Events page!

### Deliver & Celebrate

Once collected, drop off the donations at EABC and share the impact. Your group can inspire more giving!

## About Emergency Aid of Boulder City

Our MISSION is to **provide emergency food and financial assistance** to Boulder City residents and stranded travelers.

We've been helping those in need in our community since the 1930s, starting with the families that helped build the Hoover Dam, and have been incorporated as a non-profit in Nevada **since 1966**.

We are a **501(c)3 non-profit organization, staffed by volunteers**. EABC relies on federal, state, and city grants, as well as private donations from residents and organizations. Independent food drives are a GREATLY appreciated way to help keep our shelves filled for Boulder City.

Call us with any questions!
