ABOUT

Arpila, specializes in handmade fancy home decor crafted in traditional style. Our skilled craftsmen create each piece by hand, blending age-old techniques with modern technology to deliver exceptional quality. We also offer customization to suit your needs. Among our popular products are teak wood fancy lights, clocks, and pots. Discover the beauty of Arpila's creations, where every piece reflects the artistry and tradition of skilled craftsmanship, adding charm and style to your spaces.

Our Mission

To preserve and promote the art of traditional woodworking by blending it with modern technology, creating sustainable and elegant decor that enriches homes and lives.

Our Vision

To be a global leader in handmade wooden decor, celebrated for our commitment to craftsmanship, innovation, and customer satisfaction, while contributing to sustainable and timeless living.

The logo for ArpilA is written in a stylized, cursive script in a golden-yellow color. The 'A' is particularly large and ornate, with a small heart-like shape at its base. The background of the entire image is a dark, textured grey, with a large, glowing rectangular wooden lamp fixture suspended from the ceiling, and a smaller, similar fixture visible in the background.
