

# Calvin Ndoumbe

B.I.A Student M2

I am a Master's student in Business Intelligence and Analytics at EFREI Paris. I am deeply passionate about the world of data. Every dataset presents an opportunity to uncover new trends, innovate, and rethink how we tackle current challenges. I am seeking this internship to put my knowledge into practice and contribute to your projects with my energy and enthusiasm.

## MES PROJETS

## FORMATION

<b>M1-M2 Business Intelligence and Analytics at EFREI Paris</b>	2023 - 2025
Efrei Paris, Ecole d'ingénieur du numérique Villejuif (94)	
<b>International Exchange   Staffordshire University   England</b>	2022
Semestre international de L3 dans le cadre du cursus EFREI Paris	
<b>Integrated Preparatory Classes (L1 &amp; L2)</b>	2020-2022
Classe préparatoire intégrée (cursus classique) à l'Efrei Paris	
<b>2020   Scientific Baccalaureate   Specialization: Engineering Sciences</b>	2019
Lycée eugène ionesco (92)	

## ACADEMIC PROJECTS:

<b>PolliConnect</b>	2024
Development of a monitoring system using AI to detect and count pollinators in real time through cameras, enabling the analysis of activity and population trends in ecosystems.	
<b>Projet Clap</b>	2023
Developed an algorithm to analyze the positivity of a movie review. A neural network evaluates articles to determine their positivity rate and generate an overall critique of the movie.	

## PERSONAL PROJET

<b>Jarvis</b>	2024
Created JARVIS, an interactive virtual assistant using voice recognition and a Streamlit interface. It executes commands such as opening applications and searching a database via LangChain to process user requests in almost real time. (Still in work)	

## EXPÉRIENCES DE TRAVAIL

<b>Dmt recyclage</b>	2024
Designed an online platform dedicated to in-depth analysis of the impact of sorting and recycling operations conducted by client companies.	
<b>Adidas</b>	2022
Two-month commercial internship followed by a one-month fixed-term contract at the Adidas store in Beaugrenelle. This experience taught me self-improvement and proactivity.	
<b>CUADRA architectes</b>	2019
Gained insights into the structure of a company during a one-week internship at the CUADRA architecture firm.
