Vineyard: 40 years old vineyards with clay and calcareous soil.

Aging: 12 months in American and French oak barrels.

Elaboration: 100% destemmed grapes with fermentation at controlled temperature in stainless steel and concrete tanks.

Tasting note: A lively and well-rounded wine, it goes well with a wide range of foods. The thick tears of its brilliant ruby red color appear in the spinning wine glass. The body emits a smell of wood aging over its rich smell of red and black fruits, with balsamic and spicy touches. This wine has a pleasant aftertaste thanks to its elegant tannic structure, and is a great wine to accompany most meals.

Other: 83,688 bottles produced.
