WORK HISTORY

Vancouver Airport Authority Richmond, BC
Guest Experience Representative 11/2023–Ongoing

- Learnt the everchanging security protocols and policies to be followed; while ensuring we assist our guests and go above and beyond of what is expected.
- Understood the flow of guests throughout the terminal and thus the most common pain points, queries and then resolved them with a smile. Got the 'Amazing Award.'

GAT (formerly, Strategic Aviation) Richmond, BC
PAA (Passenger Assistance Agent) 04/2022–11/2023

- Greeted every passenger flying with our partner airlines with a smile and making sure they are assisted, from unaccompanied minors, passengers with special needs, and wheelchair passengers during both deplaning and enplaning.
- Used PaxTrack™ systems to keep a detailed activity log of each passenger assisted.

SKILLS

Languages:

- Fluent in English and Hindi.

Computer Skills:

- Proficient with Microsoft Windows based PCs and Microsoft Office Programs, Word, Excel, PowerPoint and Outlook.
- Experienced in making both paper-based and computer-based Weight & Balances and doing the data entry both pre-flight and after the flight ends.
