

Surveillance Services

1. Infidelity Investigations

- Monitoring a spouse or partner suspected of being unfaithful.
- Gathering evidence such as photographs, videos, or detailed reports.

2. Child Custody and Welfare Surveillance

- Observing the care and environment provided by a parent or guardian.
- Documenting potentially harmful behavior or neglect.

3. Employee Misconduct

- Investigating theft, fraud, or unauthorized activities within a workplace.
- Monitoring employees suspected of violating company policies.

4. Insurance Fraud Investigation

- Verifying claims such as workplace injuries or disability claims.
- Collecting evidence to determine the legitimacy of claims.

5. Stalking or Harassment Cases

- Documenting incidents of stalking or harassment for use in legal proceedings.
- Identifying perpetrators and gathering evidence.

6. Background Investigations

- Surveillance to verify a subject's activities and interactions as part of a broader background check.

7. Asset and Property Surveillance

- Monitoring vacant properties, construction sites, or other assets for theft or vandalism.
- Using cameras or physical presence for security purposes.
