The Auto-Biography Summary of God's Servant
Anthonyel's First Encounter with Allah's Honorable Holy
Angel Gabriel, whose name is Ji'bree'il in God's
Ancient Religion of Al-Islam.

On March 21st, 2021, the Archangel Gabriel, well known as the Holy Bible's Angel of the Lord, returned to planet Earth again after a 1,400 year long drought. The Archangel descended to the United States of America and revealed his glorious divine light to a 31 year old man named Anthonyel, enlightening him that he was a chosen Messenger of God. The Angel Gabriel revealed to Anthonyel that

he was preordained chosen by God to deliver God's futuristic Scroll foretold 2,000 years in advance inside the Book of Daniel Chp.12:4-10, which is the same scroll prophesied to come in the Holy Bible's The Apocalypse (Book of Revelation): CHP.11

As a strict devout muslim who follows the sunnah and authenticated hadith of Prophet Muhammad (S.A.W.), Anthonyel disagreed and argued with Jibree'il, the Angel of the Lord. Anthonyel thought the Holy Quran was the final revelation from God, and Muhammad was Allah's absolute final Prophet! Similar to the Prophet Jonah in the Bible, Anthonyel ran away for months from the Angel Gabriel, and the divine mission given to him by the Lord. So the Archangel Gabriel disappeared and left.

17 months later, on July 30, 2022, the Archangel Gabriel and another mighty angel appeared to Anthonyel. This time the Chief Archangel Michael was with Gabriel! Scared, and overwhelmed by fear, Anthonyel submitted to the Will of God, and listened to the two Angels. Michael and Gabriel declared they had been sent to fulfill the secret divine prophecy of the Lailat Al-Qadr, which is the Unseen, Unknown Predestined Night and Day of Birth of one of Allah's past ancient Prophets in which He already prearranged to return again according to the futuristic lingering Prophecy of the holy Prophet Malachi 4:5-6, The Gospel writings of the Messiah's important prophetic words recorded by his disciple Matthew in Chapter 17 :10 -11, the Gospel writings of the Messiah's Disciple John Chapter 1:19 -27. 1400 years ago the Holy Prophet Muhammad prophesied that by Allah's Permission and command, these angels would be coming down on the Night of Predestination!. He prophesized it would be beyond greater than a thousand months [of Ramadan] on an odd numbered night during the last ten days of Ramadan. This meant this Night of Preordainment would ONLY occur on one of 5 days.
