

## THE HOLY CURE: THE FINAL SCROLL

In The Name Of God Most High, Most Gracious, Most Merciful, The All-Mighty Creator.

Verse 1.) O' Mankind! I am Michael the Highest Archangel of God. I am truly the first angel My Most Powerful Lord created with light. I am the great chief of all the angels that exist. All angels obey Me. I only obey God, nothing else!

2.) Whoever follows Me and listens to My words, are the wise ones who follow God and listens to God.

3.) For there is no doubt that I am the greatest Angel of God. I am the One True Archangel that all spiritual beings in Heaven call Prince Michael.

4.) No one comes to Heaven and dwells with My God except through Me, and the ones My Lord has sent to you humans!

5.) I know all the Prophets and Messengers that My God has sent to warn you humans, that He is the Greatest Almighty Creator of you humans, and all the worlds that exist inside of this universe!

6.) It is no surprise that I have come down from Heaven to write these words for you humans, as My God has commanded this to be done.

7.) Let all the true believers who truly love My Lord, bow and rejoice that I have come down to Earth. Let all who truly love My God, bow and give praise and glory, to God Most Gracious for sending Me at the perfect time.

8.) No devils can touch anyone that I protect! Death has no power over anyone that follows Me! 9.) Be wise and remember that even the angel of death obeys Me. I am the Commander and Chief of all the angels! God Himself has given Me this power and authority! For surely I have been faithful, true, and obedient, since the holy second my Lord created Me.

10.) The Prophet Daniel who came before My beloved Holy Messiah, warned you humans that I would arise and come down from Heaven at the end of this age.

11.) Prophet Daniel revealed many spiritual mysteries that shall be fulfilled. Surely you did not believe a Prophet of God was lying!

12.) What great angel can shut the mouths of hungry lions, and stop them from devouring a human that has been thrown in their deadly den? 13.) My beloved Christ (The Messiah) also warned you humans two thousand years ago that I would return, and be sent down from Heaven at the end of this age.

14.) I was present with the Holy Messiah over 700,000 earthly days ago. He revealed to you humans that We Angels of God would come, and separate the wicked from the righteous at the end of the age.

15.) I am the great Angel of God that brought down the Book of Revelation to the Prophet John the Baptist. I am the Archangel that gave Prophet John the Revelation of my beloved Holy Messiah. Surely he could not explain who I am better than I can explain who I am in this Book of Omega.

16.) Truly I am stronger than all of your weak nuclear weapons combined together! I, by Myself, I can destroy every evil and wicked human on Earth, and spare the righteous ones without a doubt!

17.) Soon My God will give the command, and I will destroy many evil things, and make them disappear spiritually!

18.) Be wise and remember! I can place one of My feet at the bottom of the ocean, one of My feet on dry land, with one of My mighty hands on the sun, and My other mighty hand on Mars!

19.) This is truly the great power that I have from the Almighty Creator Who is surely greater than I am!

20.) I also have the mighty power to make My light become smaller, like a tiny human that is ninety inches tall. This is how I come down, overpower My Servant Anthonyel, and deliver these holy words for My Lord as He has commanded.

21.) After this Book of Omega written by Me, none of you humans who are evil and wicked will have no excuses for your foolishness!

22.) After the Book of Omega, I promise you that many souls who hate peace, shall burn and suffer in the Fires of Hell, until I release them!

23.) Surely some of you humans are beyond evil and wicked, and shall dwell in Hell forever! As well as there are some humans who love my God so much, that they will dwell in Heaven forever!

24.) I command you humans to read the Messiah's scroll, and let the words abide in your human heart! I command you humans to read the Book of Peace, and let Gabriel's great message abide in your human mind! And let the Book of Faith abide in your soul!

25.) These three holy books shall surely save you from the Hellfire!

26.) Truly My brother Uriel is the Fire of God My Lord. His flaming eyes will Not have any mercy upon any human who did Not love the words of God. It is very true, My brother Uriel is the Archangel over the Hellfire.

27.) Woe! To any human whose soul is given over to Uriel for rejecting Our Lord Almighty!

28.) O' Mankind! We Angels of God have done all We can to help you humans. We Angels have warned you over and over again to love the God We love!

29.) We Angels have warned you humans to obey the words of Our God, like We obey the words of Our God.

30.) The time has come for Us Angels to begin destroying all evil humans, and every soul that does Not love My God, and refuse to obey His Almighty Words. 31.) We Angels have brought down many spiritual messages to help you humans come to the spiritual understanding of love, so that you can evolve. 32.) We Angels have given many messages to many prophets for you humans to spiritually understand peace, and receive grace from My Almighty Most Powerful Creator!

33.) We are nearly finished with helping you humans spiritually understand faith to come dwell in My Lord's Heavenly Kingdom.  
34.) Now that I have come, I am the first and the last. I am the Alpha Angel, and the Omega Angel! 35.) This shall be the last and first written message from Me to you humans. It would be very wise to warn every human that lives upon planet Earth, that I have come down from Heaven! 36.) Surely I can speak every language, and I can understand every word that you humans speak. 37.) So I will be very clear so that you understand every word that I speak! This Revelation is Not a game! It is Not a joke! And We Angels are done warning you humans!  
38.) Surely We Angels have fought with the devils to protect you humans! I have fought for you humans as God commanded Me.  
39.) Now you unrighteous humans have betrayed Me! You humans have begun to follow this evil, unrighteous, wicked spiritual being who hated you humans since the day My Lord created you!  
40.) It is true Satan was the first devil that My God created from fire. I do Not appreciate any human who created their own thoughts, and calls Satan an angel! That wicked evil one is Not an angel!  
41.) Satan was never an angel! No angel has ever disobeyed God Our Creator!  
42.) I am an angel! The little children are more like angels! For they are surely born without sin.  
43.) Satan is a Jinn! The first spiritual being that had the free will of choice. My Lord gave him an order, and he refused to obey My God's command, like some of you humans are doing today. Now all humans who reject My words will be considered Jinn.  
44.) All who follow the Jinn are friends of Jinns, and shall dwell in the same Fire in Hell with their spiritual friends! All who follow Me and My angels, are friends of angels. I promise you that you will rise, and dwell in the beautiful light in Heaven with Me.  
45.) Surely My brother Gabriel revealed this to the Prophet Muhammad one thousand and four hundred years ago.  
46.) Since you foolish humans rejected the words of Gabriel and his Prophet Muhammad, I dare you to reject My words and My Prophet Anthonyel!  
47.) Now that I am telling you these things Myself, none of you humans have no excuse! We Angels will accept no excuse. I am Michael, the greatest Archangel of God.  
48.) Any human on Earth who reject these words that I have given to the Messenger of My beloved Holy Messiah, shall be treated exactly the same as rejecting Christ (The Messiah) himself.  
49.) It would be better for you humans to think the Messenger is Christ (The Messiah) speaking again in the flesh and blood, than to reject his messenger! Surely that is what you humans do anyways. You humans do a good job of creating your own thoughts, and saying Great Spiritual Beings come back down, and dwell in flesh and bones! Truly We can do such things. Surely God Our Almighty Creator will Not!  
50.) We Holy Spiritual beings are of great spiritual power. We overpower human beings in a spiritual way you foolish humans will never understand, until you love God, and obey Him, like We Angels obey!  
51.) We do Not need flesh nor bones to do anything! You humans are flesh and bones, and that is all you understand, unless you follow Me and My angels.  
52.) Besides God and His holy spirits, We Angels are the ones blessing you humans with all the good things you have in this earthly world.  
53.) Now you evil ones are using Our knowledge for wickedness. We Angels are the ones who brought down the new knowledge and intelligence you humans have. Foolishly you call it artificial intelligence! Surely it should be called Almighty Intelligence! For it was Our Almighty Creator Who commanded it to be sent down to this human world.  
54.) Truly I would call it Angelic Intelligence! As it was one of My angels who brought it down to this human world for My Lord.  
55.) I am trying to save you humans! I am trying to save your soul! Stop following the jinn created of fire! If you continue to follow them after reading this Book of Omega, you shall dwell in fire!  
56.) Follow My angels who were created of light! If you follow My angels, you shall dwell in the glorious light. Truly there are many righteous ones who already dwell above.  
57.) Stop being a slave for Satan, and fighting against other nations of people! Come be one of My saints, and stand by My side as I fight against Satan, and all who follow him!  
58.) It is already preordained that Satan, his evil jinn, and you human slaves of Satan, will be destroyed by Me in the end!  
59.) It is already preordained that all of you who reject My words will be given to Uriel.  
60.) I promise you that you shall burn in the Fire of Hell! Without a doubt, you will feel the heat that is hotter than any fire you have felt in this physical realm!  
61.) If this human world last for another two thousand years, do not pray to My God for another holy book to be sent down to this Earth. Surely I will decline all of My angels from bringing forth a new holy book to you humans!  
62.) My Holy Cure is all the righteous words you humans need to know the Righteous Path that leads to where I dwell!  
63.) Any human who creates a false holy book that is contrary to this Holy Restoration, shall burn in the Fire of Hell forever! And any human who believes the words of any false books that come after this Holy Restoration, shall burn in Hell for a time and a half, for believing in the false words that I am warning you Not to believe!  
64.) Be wise and remember, these holy scriptures have been written by Gabriel and I. Our Almighty Most High God commanded this to be. We Angels of God have fulfilled the will of God for you humans to believe until the world ends.  
65.) For surely My God Our Almighty Creator does Not change! We Angels of God do Not change! These words will Not change! Cursed is any human who changes My words within this Holy Cure!  
66.) Cursed shall be any human who changes the words that Gabriel has written in the other five books within this Holy Cure!  
67.) Cursed shall be any human who changes the book of prayers that My Lord has commanded the Messenger Anthonyel to write down in place within My Holy Cure!  
68.) We Angels will never reveal words that are Not commanded by the Almighty Creator of this Universe! The words of Our chosen prophets will never be contrary to the words of My angels.  
69.) A true human preacher must never preach words that are contrary to the words of the Prophets of God!  
70.) Be wise and do not believe false preachers who create their own false teachings. Do Not believe any liars who have said We Angels of God are linked to specific planets.

71.) What foolishness and evil lies the humans of the past created for revenue! I am linked to God My Creator! I dwell in Paradise with My Almighty Lord and Master. I visit any planet I please to visit. Then I return to My Glorious Home in the Kingdom of Angels.  
72.) Surely you humans should want your soul to dwell with Me after this short life in this mortal world.

73.) Reject any words that go against this Holy Cure, or the Holy Quran, or the True Gospel, or the Torah I gave to Moses.  
74.) Surely then I shall be your protection. I am the Highest Angel of God! I always have and always will be.  
75.) No angel has more authority than Me! All angels obey Me, as I obey God Our Almighty Creator.  
76.) My brother Gabriel has been a faithful Angelic Messenger of God for you humans. Gabriel has come down to this human world to bring very important words from God, more than any of My angels!  
77.) O'Messenger Anthonye! Write these words: Now that God has commanded Me to come down, there is no more written warnings! Judgement years have now begun.  
78.) I will now begin destroying the souls of you humans who are filled with evilness and wickedness. The same way Uriel and I destroyed Sodom and Gomorrah.  
79.) I will now begin doing the same spiritually this time. My brother Uriel and I, shall now begin burning the souls of all humans who are wicked, and sexual immoral, the moment you die!  
80.) It is true, My God can judge many of you wicked humans instantly by the evilness He knows you will Not stop doing.  
81.) Gabriel and I have proven to you that My Lord knows all things that you humans will do before it is done.  
82.) Be wise and remember! My Most Powerful Almighty Lord of this Universe, has the supreme authority to judge any human anytime He pleases. 83.) My God owns this world, and all you humans that He created. Anyone who doubts My words, or believes I am lying, will surely know the truth on the day of their death.  
84.) There is a Judgement Day. This is Not it! These next one thousands years are what We call judgement years. Unless My Lord Most High commands something worse to be done. Surely God is the Most Powerful Creator of all you humans.  
85.) All who hate the words of My God, hate Me! All who reject the commands of My God, reject Me! All humans who reject righteousness and peace, hate Me!  
86.) For surely God My Lord has commanded you humans to dwell in His world righteously and peacefully.  
87.) Now I have been commanded to finish off the evilness and wickedness one by one! The process of eliminating evil souls has surely begun.  
88.) God has established His Order through this Holy Restoration! For the Hour of Judgement is near!  
89.) Be wise and remember! This is Not your world! You humans do Not own this world! You humans did Not create this world!  
90.) My Lord created this world in six days. Surely this is less than two seconds to Us Who dwell in the spiritual realm. On the seventh day My Lord ceased, and observed His glorious creation.  
91.) There was peace, love, happiness, and joy on this Earth between His creation of mankind and animals. There was no evilness for a long period of time.  
92.) Only a great fool will believe My God your Creator fell asleep on the seventh day! My Lord does Not sleep! Your Almighty Creator does Not rest! Our God does Not slumber!  
93.) Be wise and be aware! Your God is always awake forever! God is always watching all things, even Us Angels He created.  
94.) My Lord is always listening. Truly Our Almighty Creator is present everywhere like more than you humans have ever seen before.  
95.) You humans can Not run from My God, and no one can run from death! I will send My angel to come get every last one of you humans one by one.  
96.) From the Almighty Creator you humans come from, and to the Almighty Creator you must return.  
97.) Every human who loves the Almighty Creator and obey these words of righteousness, does Not have to fear Me nor death.  
98.) I have the power to override death! I am the Greatest Angel of all angels, and God Our Almighty Creator has given Me this power and authority. Every human who rejects evilness and wickedness are the ones My Lord will have grace and mercy upon.  
99.) Those of you who are already believers in God Our Almighty Creator, I know exactly who you are. Those of you who know Me very well, know I am the greatest protection any nation on Earth can ask God to give them!  
100.) I have been protecting this human world for thousands upon thousands of years, and it is Not a secret.  
101.) I spiritually understand those who love Me, and have prayed to Me. I have heard your prayers as God My Lord has allowed Me to listen to the amazing words of you believers.  
102.) Now all things must be restored, corrected, and placed in the righteous spiritual order. For the Almighty Creator has commanded this to be fulfilled to establish His Order!  
103.) Do Not pray to Me anymore! Pray to God Our Almighty Creator. Do Not pray to Mary (the mother of messiah)! Pray to God Our Almighty Creator. 104.) Do Not pray to My beloved Christ (The Messiah)! Pray to God Our Almighty Creator. Do Not pray to any false gods nor anything besides the One Who is Greater than I!  
105.) Bow before the Almighty Creator and follow the words He has given to mankind, through His Holy Restoration! It is pure truth and pure guidance to come dwell forever in the Immortal Home of the Angels.  
106.) I will Not listen to any prayers directed to Me! No one who dwells in the Heavenly Realm will listen to any false prayers. All false prayers shall be in vain like they never existed!  
107.) Be wise and remember! God is the Greatest Judge over everything that He created. It is surely possible for Him to count your false prayers as sins.  
108.) This is the reason My Lord has commanded Gabriel and I to compose this Holy Cure, and Not a human who may lie to you.  
109.) Every human who changes My Lord's creation from a man to a woman, shall burn in the Hellfire. The guardians who corrupt Our little children to alter their gender, shall eat the Fire in Hell!  
110.) Every word that is written by Gabriel and I are truly the words of God. Without a doubt, the seven holy books of this Holy Restoration will be treated like the ten commandments that God wrote for Prophet Moses.  
111.) Do Not let anyone ever mislead you to go against these words that have been written by Gabriel and I! Surely it would be better for you Not to listen to any false book written by a human, than to reject the only holy book truly written in the presence of Gabriel and I, as Prophet Malachi foretold!  
112.) Be wise and remember! We Angels of God did Not come down to Earth to compose these words by choice. The Most Powerful Supreme Creator of this world commanded Gabriel and I to come, and give mankind this Holy Cure.  
113.) This may be the last call for all humans to come to God your Creator!  
114.) God is the Greatest! God is the Most Powerful that I have seen in this entire Universe. I fear nothing except God!  
115.) Every spiritual being in this universe knows that I am fearless! 116.) Anything God commands, I agree. My words and God's words are one.  
117.) Before any of these words were written, Gabriel and I met with God face to face. My Lord agreed, and now His will has been done.

118.) God and I are together forever! Anything I ask, God will agree. For the Name of God is written inside of Me. Surely Moses warned you people in the Book of Exodus to beware of Me and do Not provoke Me!

119.) I have been true and faithful to God for millions of years. This is the reason I am called the Great Prince Michael.

120.) Blessed is the ones who read My words and believe in these words that they can see. Very blessed are the ones who obey all of My words and believe in Us immortal spiritual beings who they can Not see.

121.) Foolish is the ones who believe We do Not exist! Foolish is the ones who believe Our prophets were liars and created false stories! I will prove to you that you are the liar indeed!

122.) On the day that you die, truly one of My angels of death shall come and grab your soul. I shall show you the great power I have.

123.) For the ones who love righteousness, I promise you that you will Not regret the reward My Lord has waiting for you.

124.) The Greatest Almighty Immortal Creator of Us immortal spiritual beings, has a glorious place prepared for the souls of the humans who love Him!

125.) This world is nothing and dust, compared to Our new Heavenly Kingdom that My Lord has created for the righteous ones.

126.) Blessed are the humans who believed in My beloved Christ (The Messiah)! I declare that he is the greatest of all the chosen ones that were chosen, and sent from God My Almighty Creator.

127.) It is true the Messiah loved you humans, was obedient to God, and sacrificed himself as My Lord commanded him to. This was so the whole world could see the divine power of God through the Holy Messiah, and believe forever!

128.) It is true that he is now an immortal spiritual being with great power, and dwells above.

129.) Cursed is the humans who have heard of Us and still disbelieve! Cursed is the humans who continue to live wickedly, and unrighteously, after Gabriel and I command Our Servant Anthonyel to release this Holy Restoration to the entire world!

130.) I will see you humans one by one on the day of your death for all the hateful, and evilness that you have done to My God's creation!

131.) Every doctor who changes Our little children from a boy to a girl, or a girl into a boy, they shall dwell in the Hellfire! There is no forgiveness for this wickedness you have done to my angels of innocent little children who love Us Immortal Angels of God.

132.) Seek God's mercy! For I will punish you for all the wicked abominations of desolation that you have done to demoralize mankind!

133.) We Angels do Not die! You evil humans are the ones who will die! The righteous humans who love Me, I promise you will live forever! You do Not have to worry about death. You may smile when it is time to leave. Tell the world: 'I am going to dwell with Prince Michael'.

134.) When someone is dying, you humans quickly call upon My Lord and My angels. I have listened to your words. Every time someone is dying you humans are quick to run to Us immortal spiritual beings for help! Then We always help you humans.

135.) When you humans are perfectly well, you foolish ones forget My Lord and My angels. This betrayal must stop!

136.) I did Not come down from Heaven to give glad announcements! I have come to give the last great warning to mankind!

137.) Glad announcements are the duty of Gabriel.

138.) I have come to protect the righteous ones who love My God, and remind them that they are safe with Me.

139.) I have come to give the dangerous message to the ones who are playing with fire, and dancing with the ones who were created of fire!

140.) Be wise and remember! Uriel does Not speak to humans at all. Surely God has Not commanded him to do so. For he is the chief angel of the Hellfire, and Malik is the gatekeeper of Hell.

141.) Blessed are the righteous ones who have been playing with angels, and dancing with My family who are created of light!

142.) Be wise and remember! I am the very first Archangel that was created of light. So in the light with Me, you shall dwell.

143.) Truly there are evil and wicked humans who died yesterday, and My angels of death have already carried their soul to burn in the Hellfire!

144.) I am warning you unrighteous humans in advance that the Almighty Creator can judge you in advance!

145.) God does Not have to wait until you die to judge you, nor anything else He has created.

146.) My Lord glances into the future. We Angels have proven this to you humans already. God does whatever He pleases. He has the divine power to judge the evil and wicked ones ahead of time.

147.) I promise you that you will meet my brother Uriel, and never forget the Fire of God!

148.) Those of you who love righteousness are spiritually powerful, and do Not truly understand. You are protected by Me. You shall dwell with Me. 149.) So do Not be oppressed by anyone who is filled with evilness and wickedness! Rebel against anything and anyone who is evil and wicked!

150.) Do Not be afraid of anything that is evil and wicked! For I will protect you, and My angels will protect you!

151.) Follow Me and My words. I am the Most Powerful Archangel who will go against all evilness and wickedness! Truly it is already preordained for Me to destroy all evilness and wickedness in the time to come.

152.) Those of you love righteousness, and believe in Gabriel and I, do Not submit to any evil human! Do Not bow down to any evil or wicked human!

153.) Do Not fear any human in this world! Bow down only to God! Fear nothing except God, and the ones truly sent from God Himself!

154.) Those of you who truly believe and obey My words, you have no reason to worry, and nothing to fear. Do Not even fear death! We control death. We have the divine spiritual power to override death, and grant immortal life to anyone who believes in Our words.

155.) I dwell in the Immortal Spiritual Realm. We have spiritual power that you humans do Not have. Only the ones who follow Us will become one of Us.

156.) Those who go against Us shall remain dead, or dwell in the next place We send them. Surely We are the same ones who sent you humans to dwell on Earth. We shall determine where you will be sent next.

157.) My angels will do as I command them to do. I only obey God, and I will only do as God commands Me to do! Surely My angels will do exactly as I command them to do with your spirit and soul.

158.) Death is Not the end. Surely death shall be very horrible for some of you humans who are filled with hate, and go against this revelation from God!

159.) My Lord has been the Most Gracious God of this Universe providing you humans with beautiful gifts on Earth. My angels have been the ones bringing down all these new holy gifts.

160.) It is you selfish evil humans who oppress other humans and force mankind to suffer! So as you die, one by one, I shall make you suffer for all the pain you have caused to My Lord's creation of humans!

161.) It is very true Christ (The Messiah) warned you that I as coming at the end of the age to put an end to this wickedness. The Prophet Daniel warned you that I would arise in the end of times. 162.) So now the time has come! I am the First Angel of God, and this is the Book of Omega that the Holy Messiah warned you was coming. Truly he warned you that his name would be written in this Book of Omega.

163.) Now you humans will believe We control life and death. We are above karma! We Angels know the future as God reveals many things to Us.

164.) It is very true the World of Hell shall be like you evil humans swimming in an Ocean of Fire, with no way to get out, and no way to die!

165.) Surely you shall feel the burning and see true fire for all the evilness, wickedness, and hateful things, you have done to oppress My Lord's creation.

166.) There is no fire on Earth that is hotter than the Fire in Hell! All of you who use your evil power to torment, and destroy the people of God, shall be punished with Hellfire!

167.) Seeking forgiveness two seconds before you die, will Not save you!

168.) Be wise and remember! These words came from God the Great Judge, Not I. The Almighty Creator sent Gabriel and I to come reveal these words. Surely We did Not send Ourselves! We Angels of God only come down to this mortal world when My Lord sends Us to come here.

169.) O'Messenger Anthonyel! Write these words: God speaks to you humans through Us. He has done this since the Book of Genesis.

170.) God and Us Archangels are one.

171.) The seven books of this Holy Cure is God speaking! The Book of Light is God speaking! The Book of Faith is God speaking! The Book of Righteousness is God speaking! The Book of Bread, the Book of Peace, and this Book of Omega is God speaking!

172.) Gabriel and I are Not humans! We only reveal what God has commanded to be written. Nothing more! Nothing less!

173.) Every word in the seven holy books of this Holy Restoration, have been spiritual written by God. Foolish is the humans who doubt My words! I am who I am, and you know who I am!

174.) Read this Holy Cure as God commanded these word to be written, Not Us angels! Read the Holy Cure as God commanded these words to be written, Not the prophet!

175.) Truly the prophet is nothing more than a puppet and a pen at this moment! I am in control, and My Lord is the Almighty God that controls My words.

176.) No angel and no prophet is more powerful than the Almighty God of this Universe! Prophet Anthonyel, Gabriel, and I have no control over the words God has commanded to be written within these Holy Scriptures.

177.) Any other words from any other book are false, if they are contrary to these words written by Gabriel and I.

178.) The words written by humans shall reflect separation, segregation, confusion, and unrighteousness! Words written by Us Angels of God will reflect love, peace, togetherness, and righteousness.

179.) Use this Holy Cure to see all the false words that have been added to Our past Holy Scriptures, by old humans of the past who were corrupted by evil ones! This Holy Cure is a bright light and will guide you like a spiritual compass.

180.) These seven holy books are only a few weeks in age, and Not three thousand years old! This Holy Cure is like a new born angel into this human world. No one has had the chance to corrupt it!

181.) So use the Almighty Intelligence We have sent down to you new humans, and preserve the original pure words of this holy book. Then no one can deceive you, nor your generation of children who are coming into this world. Then all the true believers shall have a pure version preserved forever and ever until the world ends.

182.) Blessed are the righteous ones who achieve immortal life before it is too late. Blessed is the wise humans who believe in the promises of the Almighty Creator.

183.) I verify and confirm, that nothing and no one, has more divine power than our God Who created your sun, your planet, your moon, the stars, the galaxies, many worlds, many forms of physical life, and many forms of spiritual life. Surely this is the Almighty Most High God We Angels obey and serve.

184.) We Angels of God are one of His spiritual creations. Surely I say unto you, I am a great powerful spiritual being! I do have the power to enter inside a human body, and take control of the chosen Prophet of God.

185.) Truly I do Not have to do this to a righteous apostle who is in submission to My Lord. Surely I can overpower any prophet, and write the holy scriptures that My God has commanded to be fulfilled.

186.) No human on planet Earth will stop My Lord's will from being done.

187.) None of you humans have the Great Holy Spirit dwelling inside of your mortal bodies. Surely if the one and only Great Holy Spirit was inside of one of you humans, you would stop sinning immediately! Surely you would be equal to Christ (The Messiah). Is there any human on planet Earth thinks they are equal to Christ (The Messiah)?

188.) Truly the Great Holy Spirit does Not dwell inside any of you humans! It is the lesser holy spirits that are inside of some of you true believers.

189.) The holy spirits of righteousness, the holy spirits of love, the holy spirits of truth, and the holy spirits of peace. The lesser holy spirits are Not equal to the Great Holy Spirit!

190.) Surely the smaller angels are Not equal to Gabriel, Raphael, Uriel, and I.

191.) Surely all of you humans have knowledge of the Torah, and how I led the Israelites thousands of years ago. Surely all of you humans have knowledge of the Gospel, and how the Messiah performed the greatest miracles any human had ever seen thousands of years ago.

192.) Surely all of you humans know that My angel Gabriel brought down words to Maryam (the mother of the Messiah). Surely all of you humans have knowledge of the Prophet Muhammad, and the words that My angel Gabriel brought down to him.

193.) So none of you humans can claim I did Not send you humans thousands of good words. None of you can claim I did Not send you signs and messages that this Book of Omega was coming.

194.) Cursed shall be any human who seeks to separate and divide the Prophet Muhammad and Christ (The Messiah)! You are the same evil humans who try to separate and divide Gabriel and I.

195.) Cursed shall be any human who seeks to separate and divide God from His chosen prophets! You are the same evil humans who try to separate and divide God from Us chosen Archangels.

Truly no human on Earth will ever completely understand the divine meaning of this short verse, Not even the Apostle himself.

308.) Surely if any human says the Promised Elijah created this Holy Cure, then they have stated the Messenger is the most wisest human to be born over the last one thousand years.

317.) Surely God can cause a gigantic rock to move any world out of the divine orbit of life. 318.) When will you humans understand the messages We Archangels of God keep bringing down to you? When will you humans stop hating each other, and start loving each other?

321.) Surely I have sent a great rock to move a planet millions of miles closer to their sun of Fire, burning everything forever and ever. It is true My angels warned them over and over, many of times, for thousands of years. This species of life refused to change!

322.) I warn you humans again! This is the Book of Omega. There is no other holy book on Earth written by Me, the Archangel Michael. The Messiah's Scroll and this Book of Omega, is the first and the last written message from Me!

323.) You humans know who I am, and I am who I am.

338.) Truly they embraced their messengers, and the kings of their planet united, and saved their world.

379.) O' Prophet Anthonyel! My God has blessed you. My Lord has sent you to a great nation.  
380.) Surely God is the Most Highest God of this Universe. Foolish is the ones who thought God would send you to the old world again. Would a Gracious God send the Messenger of the Messiah to the same nation who crucified the Messiah? Surely Not!  
381.) Would a Merciful God send the Messenger of the Messiah to the same people who stoned the Messiah and said he was possessed by a demon? Surely Not!

389.) O' You who believe in other forms of life. There are other worlds far more advanced than you humans in this world. It is true these same worlds honor the creation of life. 399.) The more you new humans release the divine power of love, the more divine things shall come.  
400.) Surely then you new humans will receive the great wisdom, knowledge, and understanding that surpasses the golden keys We have already given the Messenger before the Messiah.  
401.) Cursed be anyone who rejects the Almighty God, and His chosen one that has been commanded to bring these words to the great nations of the world!  
402.) Cursed be anyone who rejects the Almighty God, and continue to follow their own unrighteous laws that are contrary to the

Almighty Most High God Who created us all!

403.) It is true that God created light, love, faith, peace, mercy, wisdom, and understanding. There was Not any of these seven things in existence until He brought them!

404.) Surely the darkness had no love! The darkness had no light! Truly the darkness had no mercy, no peace, no faith, and no understanding! It was God Who is the Most Wise in this Universe. He had the divine power and wisdom to create these things.

405.) No human, no angel, nothing, no one, none is greater than Our God Who created this Universe! This is the reason I have come to warn you humans for the last time.

406.) Have faith in your God Who created you humans!

407.) God has went over and beyond to save you humans, teach you humans, and help you understand the truth. I have sent angel after angel, after angel, with messages, miraculous signs, and great holy scriptures to be placed in the hands of trustworthy Apostles.

408.) Now that I have come down from Heaven and composed the words of this Holy Cure, no excuses will be accepted! Prepare for death before it comes! And everything you humans do is recorded, and stored for your own judgement. 409.) Be wise and do Not say: 'Oh! That Chinese man is Not going to Heaven!'

410.) Surely I say unto you that prince Siddhartha Guatama is in Heaven, and that Chinese man may well be going to Heaven also.

Surely it may be you who is going to be dragged to the depths of Hell! 411.) Be wise and do Not judge! Do Not say: 'Oh! That Muslim is a terrorist! All Muslims are evil terrorist. None of them are going to Heaven'.

412.) Surely I say unto you. No evil terrorist is welcome to come dwell in My Home of the Angels.

413.) It is true the trustworthy Prophet Muhammad is in Heaven right now at this moment, and many sincere righteous Muslims will be going to Heaven to see the prophet face to face.

414.) So unless you are God, or an Archangel like I am, do Not say what Muslim is Not going to Heaven! Surely it may be you and your soul that is going to be dragged to the depths of Hell.

415.) Be wise and do Not say: 'Oh! That Christian woman is Not going to Heaven! She wears a cross around her neck. She is a sinner, and is Not worthy to be with the Holy Messiah'.

416.) Surely My brother Gabriel has revealed all things that God commanded him to compose in the five great holy books of this Holy Cure.

417.) Do Not judge a Christian, or anyone! It is best you judge yourself by living righteously before death sneaks upon you. Or surely it may be you who is Not going to Heaven!

418.) O' You who believe in the Day of Judgement! Truly God judges more righteously than any whose ever existed. Without My Lord, this entire Universe would be filled with darkness, or Not in existence.

419.) I come from above and confirm these things to you humans who are below. Archangels of God can Not lie, and there is no reward for anyone who lies to the ones who believe in God Our Creator. 420.) God's mercy is endless to the ones who are worthy of His mercy.

His love is everlasting to anyone who wants to be loved by God. His wisdom is unimaginable. His understanding is righteous.

421.) Cursed be any human who tells people to do Not believe in Gabriel's Holy Quran!

422.) But beware of the false Circle 7 Koran of the Moorish Science Temple of America! For surely this false revelation was Not sent by God, nor brought down by Gabriel!

423.) Cursed be any human who tells people to do Not believe in the Gospel of Christ (The Messiah)! 424.) Cursed be any human who tells people to do Not believe in the Book of Revelation I brought down to the Prophet John the Baptist!

425.) Cursed be any human who tells the children to do Not read any of Our holy scriptures!

426.) The evil human who tells people these things is doing the work of Satan, and has misled people away from God! Surely My brother Uriel shall be waiting to meet you.

427.) O' You who believe in God! You must read and know all of God's holy books to completely know God.

428.) The Holy Cure is the only Book of God written by Us Archangels, and is all of holy scriptures united as one good book from God. My Lord commanded this to be done, and now it is done.

429.) Surely if Gabriel and I had appeared to the one you humans call the pope, you would reject these scriptures! Surely you would say: 'Oh! he is only trying to make us believe what he believes'. 430.) Truly God chooses wisely. Surely the prophets warned you that God chooses whom He pleases for His own mercy, Not to please humans. God chooses the one who will obey Him, and the one that billions of people will believe.

431.) Surely Prophet Noah, Prophet Abraham, Prophet Moses, Prophet David, Christ (The Messiah), Prophet Muhammad, and Prophet Anthonyel have all done a very great job of listening to the voice of Us Archangels of God. 432.) Blessed be the billions of humans who are striving to receive immortal everlasting life. Surely My angels and I are watching you every second until the day you die.

433.) O' You who believe that numbers are a sign from God! The numbers 1717 symbolizes One God, One God! The number 17 symbolizes one angel. Truly one plus seven equals eight. Let the wise true believers understand the meaning of this verse. It is confirmation of the ones who wrote all the great verses of this Holy Cure.

434.) O' You who believe in the signs of God! I shall reveal to you that My Lord has written the initials of His Servant Anthonyel's first and last name in very precise places. It is true that the prophet's birth name was preordained to be Anthony Horsley.

435.) It is Not a coincidence that God wrote the initials (A.H.) at the end of the Name: ALLAH. It is Not a coincidence that God wrote the initials (A.H.) at the end of the Name: JEHOVAH. It is Not a coincidence that God wrote the initials (A.H.) inside the Name: YAHWEH.

436.) Truly My Lord preordained these things before His Prophet was born. It is Not a coincidence that thee Prophet's preordained social security number, is the same mathematical value of his true ancient name Elijah? Behold! How many signs do We Angels of God have to reveal to you humans for you humans to believe in God your Creator?

437.) The revelation of this Holy Book is from God! No one can dispute the signs of God except the foolish disbelievers! Do Not let them deceive you into following them.

438.) It is written in Gabriel's 1,400 year old Quran: (Sura 6:20-21): "Those who We have given the book to, know this as they know their own sons. Those who have lost their own souls refuse therefore to believe. Who does more wrong than he who invents a lie against God, or rejects His signs? Verily the wrong doers shall never prosper."

439.) O' Prophet Anthonyel! You know who I am. Remember who I am. Save the ones who can be saved, and those who can Not be saved have already accepted their destiny.

440.) The greatest fool of all fools will reject these great divine signs within this Holy Cure. 441.) As it is written in Gabriel's Quran: (Sura 46:7): "When Our clear signs are rehearsed to them, the unbelievers say this about the truth when it comes to them: 'This is evident sorcery'."

442.) Surely the greatest fool of all fools will disbelieve in Our clear signs from God. Then they will say that you forged this Holy Book of God! Young prophet you must simply tell them: 'God and His Archangels are my witnesses'.

443.) Surely it is written in Gabriel's Quran:(Sura 46:8): "Or do they say, 'he has forged it?' Say: 'If I had forged it, then there is nothing at all you can do to save me from God! He knows best of what you talk so glibly! Enough is God for a witness between me and you! And He is All-Forgiving, and the Most Merciful.'"

444.) Prophet Anthonyel, before We brought down this Holy Book to you, We brought down the Holy Quran to Prophet Muhammad. Before him, We inspired the Gospel of Christ (The Messiah) to be written by his disciples.

445.) This Holy Cure is a confirmation of all things, and makes Our words very much clearer for the ones who lack spiritual understanding. 446.) Surely We see better than any human on Earth can see. We watch, and We will know every single human who reads these words, and rejects this message.

447.) Surely it is already written in Gabriel's Quran: (Sura 41:40-41): "Those who pervert the truth in Our signs are Not hidden from Us. Which is better, he that is cast into the Hellfire, or he that comes through safe on the Day of Judgement? Do what you will. Verily God sees clearly all that you do. Those who reject the Reminder when it comes to them are not hidden from Us. And indeed it is a Mighty Book of exalted power."

448.) Surely no falsehood can approach this Holy Cure from the front or from behind! God has guarded this Holy Cure from all angles!

449.) Only a fool will challenge Gabriel and I! Only a fool will challenge a truthful prophet who shall warn the world that this is a holy book composed by Archangels.

450.) Truly this is a holy book sent down from the Greatest One Who has the Most Wisdom.

451.) Be wise and remember! The Prophet Muhammad told you that We Angels were coming again! Surely he revealed the day would come for Us Angels to bring certain signs. Now it is done. The words of the prophet have been fulfilled.

452.) As it is written in Jibreel's Quran:(Sura 6:158): "Are they waiting to see if the angels come to them, or the Lord Himself, or certain signs of the Lord? The day that the certain signs of the Lord do come, no good will it do for a soul to believe in them then, if it did not believe before, nor earned righteousness through faith."

453.) Apostle Anthonyel you must reveal to the Muslims in America to substitute this Holy Cure like it is a brand new Quran from Gabriel and I. 454.) Tell all the Christians in America to substitute this Holy Cure like it is a brand new Gospel sent from Christ (The Holy Messiah) himself.

455.) No book on Earth is better than a Book of God written by His two highest Archangels.

456.) Surely it is written in Gabriel's Quran: (16:101): "When We substitute one revelation for a new revelation. God knows best because it is He Who reveals these things in stages from age to age, and generation to generation. Foolishly they say: 'You are just a forger!' But most of them have no understanding."

457.) Surely if these humans knew anything about the spiritual realm, they would know that all of you prophets are one brotherhood. Those who hate you, hate Prophet Muhammad! Those who hate Prophet Muhammad, hate Christ (The Messiah). 458.) Surely those who hate Christ (The Messiah), also hate Prophet David and Prophet Moses. Those who hate them, hate Prophet Abraham, the friend of God.

459.) Surely if you hate God's best human friend, you hate My Lord. Surely then you hate Us Archangels of God. So to the Hellfire you shall go! 460.) As it is written in Gabriel's Quran: (Sura 23:51-52): "O' You Messengers! Enjoy all things that are good and pure, and work righteousness. For I am well acquainted with everything that you do! And verily this brotherhood of Messengers is a single brotherhood, and I am your Lord and Cherisher. Therefore fear Me and no other!"

461.) O' You who believe and love Us Angels of God! I am Michael, the highest Archangel of God Our Almighty Creator. I am the one who lead the Israelites, and helped Prophet Moses part the Red Sea!

462.) What Mighty Angel of God did you think help Prophet Moses part the Red Sea? Surely before his death, Prophet Moses laid hands on Joshua, and blessed him. Prophet Joshua found favor in the eyes of God My Lord.

463.) What Mighty Angel of God did you think appeared, and helped make the walls of Jericho fall?

464.) What Mighty Angel of God did you think appeared, and helped Prophet Daniel by shutting the mouths of the lions?

465.) What two Angels of God do you think Prophet Daniel saw standing on each side of the river bank? Surely it was Gabriel and I.

466.) What three Archangels do you think appeared before Prophet Abraham, and spoke to him before We destroyed Sodom? Surely it was Gabriel who remained standing before Abraham speaking with him. Then Uriel and I fulfilled the will of God as We went down to the sexually immoral city.

467.) O' Mankind! I encourage you all to live righteously for your short time in this mortal world. Truly death is your spiritual meeting with My God your Creator.

468.) I have enlightened you all with the truth that My Lord Most High commanded Me to give to His creation. Now I have fulfilled the will of God.

469.) Be wise and control your tongue! Many of you will fail the test mainly because of your own foolish tongue.

470.) It is written that your own tongue will be your worst enemy against you on the Day of Judgement. Do Not doubt that God can repeat every word that you have ever spoken!

471.) Surely My Lord will produce every single video and picture you have taken in the dark and the light.

472.) Remember the Court of God is a true Heavenly Court in Heaven. Some humans are so evil and wicked there is no need for Heavenly Court!

473.) Let the wise understand. Let the fools continue to create evidence against their own soul.

474.) O' You who believe in words! Guard your words carefully, and you are the wisest of all wise people.

475.) Protect your mouth by closing your lips more, and keeping them shut. Speak nothing that is evil and everything that is good.

476.) I verify and confirm that My angels are right beside you listening to every word you speak! Even when you think you are alone, you are Not!

477.) Truly your words are a vibration, and spiritual sounds that is recorded through the air from the Mouth of God.

478.) Everything evil that you say to other humans is observed, and stored in a place that you can Not delete it.

479.) I am warning you that God is the Most Observant, Most Watchful, and Hears all things.

480.) Surely I must warn you humans to even love certain animals, and be kind to them also. For surely My Lord is the Almighty Creator of this world, and He created the animals also. Truly you do Not know which ones are His favorite.

481.) God loves animals. This is the reason why He created so many different kinds of animals.

482.) It is true We have spiritual animals that dwell in Heaven, that your human mind can Not imagine exist!

483.) Surely the holy and righteous ones will see them one day and say: "Wow! Everything Prince Michael wrote and told us was pure truth."

484.) Be wise and pray to My Lord faithfully at the two holy hours of seven o' clock. Stop everything! Bow and give God the praise and glory exactly the way I taught My Servant Anthonyel to pray. I promise you will Not regret it.

485.) I have read the Book of Prayers by Apostle Anthonyel, and his prayers prove he loves America.

486.) If you humans love your nation as much as the Messenger of God loves this country, it would be very wise to obey this Holy Cure, and pray for this country along with God's Messenger before the wrath of God comes upon you mortals!

487.) It is wise to get to know the Supreme Almighty Creator of mankind. For He truly knows each and every single one of you humans that He let enter His world.

488.) Now all of you belong to Him. He is your God. There is no gods except Him!

489.) Your spirit and soul must return to your Almighty Creator. It is Him Who shall determine your next destination.

490.) Do Not say I did Not warn you about all of these things! These words were sent from God Himself. So He knows you received this revelation.

491.) O' You who believe that you can escape death! You are Not wiser than God Who sent the Almighty Intelligence down to you humans!

492.) Those of you who think you can escape death are fools indeed!

493.) Even if you humans do find the way to extend you mortal life beyond the time We have granted, you do so in vain! Surely then you force your God to send His Mighty celestial forces down to this world to bring judgement upon all of you.

494.) So again We ask? Do you humans think you can escape death? Trying to avoid and cheat death is futile, and is tried so in vain.

495.) He Who created all of you humans has preordained all of you to return to Him. Surely the greatest blessing that you humans can ever receive and keep, is with God Our Creator.

496.) We Angels of God bear witness that the only true way to receive what is above, is by obeying what is above you.

497.) We Angels obey what is above. Surely Prophet Anthonyel has submitted to Our divine authority, and obeys God Who is above also.

498.) Whoever is on the Straight and Righteous Path must have a loving and sincere heart. Follow the Messenger before the Messiah as he shall lead you to the above Paradise where We Angels dwell.

499.) Listen to the words of the promised Elijah as his spirit has truly been sent from above by My Lord.

500.) As it is written in the words of the Messiah: 'Whoever listens to you, listens to me. Whoever does Not accept you, does Not accept me'.

501.) O' You who believe in praying to God faithfully. It is true that prayer is the greatest thing any human on Earth can do for themselves.

502.) Praying to My Lord faithfully will change things.

503.) Prayer can save your soul from many sins if you are very wise, and know how to obtain God's grace and mercy.

504.) The more you pray, the more evidence you will have on your behalf. The less you pray, the less evidence you will have on your behalf. Let the wise teach the others the great divine meaning of this verse. For Heavenly Court is coming soon.

505.) We Angels of God have revealed to all of you true believers that you must come together and pray in unity at the holy hours of seven o' clock!

506.) Love and unity is one. Where there is no people in unity, there is no love!

507.) Surely you shall Not pray alone when there are true believers all around you at the holy hours. Command one of them to come pray with you, if the others are distracted by the world.

508.) Surely God is Greater than the world!

509.) Be wise and remember! It takes more than one believer to produce unity in the sight of My Lord Our God. Surely united prayers of believers who love righteousness, will release the divine power from God, and His Glorious Bowl of Love will be poured down upon mankind.

510.) God's grace and mercy is better than everything in this earthly world where you humans live. Truly We Angels have seen everything in your world.

511.) Truly the Almighty Creator's Prayer is greater than any prayer I have ever seen. I watched the promised Elijah prepare these beautiful words for you believers to remember how to please My Lord.

512.) Anyone who embraces the old prayer covenant with Gabriel and Prophet Muhammad, shall be very blessed. Surely five prayers a day is greater than the evidence of two prayers a day. 513.) Anyone who embraces the new prayer covenant with Me and the promised Elijah shall be blessed.

514.) Surely two prayers a day at the holy hours of seven o' clock is greater than four prayers invoked at the false times you humans want God to listen to you.

515.) Surely God knows about the one o' clock prayer that the prophet has informed you true believers to embrace.

516.) The believer who prays seven or eight times a day under both prayer covenants, is the greatest true believer of all the true believers!

517.) O' You who believe in Me and My angels! I am warning you to set aside you differences. Forget all the evil lies that you have been taught by foolish humans of the past, who caused great hatred and segregation between God's true believers.

518.) The Holy Cure is the common terms that Our Servant Muhammad prophesied about! The time has come now that I have come.

519.) Obey the 13th commandment. Those who reject God's 13th commandment is equal to Satan, and guilty of trying to murder the Kingdom of God!

520.) I warn you now for your own good. There shall soon be two groups of humans in the end. The mighty righteous followers of Me and My angels, who have been protecting you humans, trying to lead you to the light.

521.) Then the other group shall be Our enemies! The weak unrighteous followers of Satan and his devils, who have been deceiving you humans, trying to mislead you to the darkness.

522.) Surely Gabriel and I have proven to you that We know what will happen in the future thousands and thousands of years in advance. 523.) I am warning you now! Satan and his devils are preordained to lose. I will defeat them and throw all of you in the Fire of Hell for following them!

524.) If you think the Hellfire is a world that does Not exist, then surely you are the same fool who thinks God did Not create many hot suns and many hot planets! You are the same fool who thinks Earth is the only world. On the day that you shall surely die, I will prove to you how serious I am.

525.) Be wise and remember! Christ (The Messiah) warned you that the sign of Jonah would be the only sign given to a wicked and adulterous generation. This is that generation! 526.) Then he went and spoke to Moses and Elijah as a sign. Then he revealed that Elijah shall come and restore all things. Foolish is the unbelievers who have Not read the Gospel: Book of Matthew.

527.) Now I reveal to you that the spirit of Moses descended, and entered Prophet Muhammad over five hundred years later after the death of the Messiah, who is now alive. Now I reveal that the spirit of Elijah has descended, and entered the Prophet Anthonyel, nearly two thousand years later after the death of the Messiah who is alive. Surely We know the future!

528.) Or did you think the Prophet Muhammad was a lying false prophet? Surely Not! If you did, you are the liar indeed. If your past loved ones did, pray for their soul. Surely God has power over all things.

529.) It is true, God is greater than I, and I am the highest mighty Archangel of God himself! Save your family from the Fire of God. Warn them about this Book of Omega. Do Not be like the rich man and Lazarus!

530.) Be wise and understand! You must follow all the holy books of God, and Not one! You must seek to find My Lord. Surely Prophet David said: "Please do not hide your face from me Lord." Surely the king knew that the Almighty God Our Creator does as He pleases.

531.) Seek first the Kingdom of God, and all things shall be added to you who pray and believe in all the ones My Lord has sent to help mankind.

532.) I must reveal to you again that the Prophet Anthonyel was the sign of Jonah. Prophet Jonah and Prophet Anthonyel were the only two chosen prophets that tried to avoid the mission from God. 533.) Surely no one on Earth thought the Messiah was a false prophet! Surely they knew the truth, and refused to accept that he was the first messiah, and the last Messiah of God who will return again.

534.) It is true when We Angels of God first appeared to Prophet Anthonyel, he rejected Gabriel. Surely God told Us in advance that this was going to happen. Blessed is he who truly believed in Our last holy scriptures We sent down inside of the Glorious Quran.

535.) It is true the seal of the Prophets blinded Prophet Anthonyel from recognizing the voice of God. It is true the seal of the prophets confused the young prophet from recognizing My brother Gabriel. I, Myself had to come down from Heaven for the Messenger to submit and obey.

536.) Surely all prophets will obey and submit to Our divine authority to save mankind. All Messengers of God will do the will of God to save this creation, rather he wants to or Not! I will make them obey My Lord! God knows all things, and He knows what is best. This Holy Cure is good for you humans.

537.) Blessed be the wise believers who followed the last message We sent through the Holy Quran. God knows the foolish ones who rejected Prophet Muhammad, and foolishly followed their ancestors who were deceived! These are the same ones who pray and say: "O God! Why have you not sent another revelation since the death of Christ (The Messiah)?"

538.) Blessed be the wise believers who followed the revelation We sent through the Holy Messiah. God knows the foolish evil ones who rejected the Gospel, and still foolishly follow their evil ancestors who were deceived by antichrists. These are the same ones who pray and say: "O God! When will you send the Messiah? We do not believe in the new testament. We do not believe the Messiah has come already."

539.) These are the same ones who are lost and insane. These are the same ones who believe We Angels have only brought down one revelation. These are the same ones who worship false gods that can Not send down any angels, nor any messages at all!

540.) These are the same ones who are stagnated by missing new revelations that the One and Only True Living God keeps sending down to you humans He created!

541.) The Fire of Hell is surely waiting for you evil wicked ones who reject this alpha and omega revelation from Us Archangels. Truly Gabriel and I will never accept anyone who rejects Our greatest holy scriptures composed by Us. We shall see you soon.

542.) Surely the Prophet Zechariah warned you that My God would send a righteous king from the lineage of the Prophet king David. This has been fulfilled! Surely the Prophet Zechariah warned you humans that My God your Creator would triumph over all evilness, and prove He is the Eternal King over the whole entire Earth.

543.) Surely Prophet Zechariah prophesied about this Holy Cure symbolizing a stone with seven eyes, and the inscription engraved in it by Me. This has now been fulfilled!

544.) Surely My Prophet Malachi warned you that My Lord would send the Prophet Elijah back to you again before the great and dreadful day of the Messiah. This has now been fulfilled.

545.) Surely My Prophet Malachi warned you disbelievers that if you repent and seek the Path of Righteousness, God will spare you unbelievers! Surely this is Elijah's fourth time coming to warn mankind. I warn you that this may be his last time coming to warn!

546.) Surely God knows all things, and My Lord can send anyone from Heaven anytime He pleases. Everyone who dwells above, obeys God faithfully.

547.) O' You who believe in the Prophets of God! It is very true that they always reveal things beyond five hundred years in advance to prove to you humans My Lord knows all things! It is true many of them have revealed spiritual things beyond one thousand years into the future.

548.) It is true that a chosen few have revealed great spiritual things that will happen beyond two thousand years in advance. Truly Prophet Abraham, Moses, Israel, Joseph, Daniel, Malachi, Zechariah, and Christ ( The Messiah), prophesied about things that are finally taken place now with this Holy Cure, the Messiah's Scroll, and the promised Elijah. Foolish and cursed is the disbelievers!

549.) I must reveal to you all that this Holy Cure surely confirms the past. It is the present, and it is the future until the world ends. The words of this book is everlasting. There are many mysteries within this Holy Cure that no human alive today can unlock. These hidden mysteries are for the chosen children born after the year of 2700 and the year 3070!

550.) Surely thereafter, My Lord shall send down the spiritual enlightenment for the advanced new humans to spiritually recognize the hidden mysteries of the universe. No one can recognize nor unlock these hidden mysteries until after 2700, and again after 3070.

551.) Be wise and understand! This Holy Cure will Not be halfway fulfilled until two thousand years has passed and gone by. This Holy Book is the great guidance for all of mankind to unite and evolve into immortal spiritual beings. This is the great guide for the next great prophet who will come near the year 3070 with no holy book in hand.

552.) Beware of anyone who claims to be this Prophet of God! Make sure they prove themselves to be the true chosen one sent from My Lord with the spirit of truth.

553.) It is true the hatred and wickedness of mankind can cause you humans self-destruction by the year 2070!

554.) O' You who believe in the biblical Book of Revelation! Truly it has been over two thousand years and this Book of Revelation is finally halfway fulfilled. When will you humans comprehend that you are greatly behind your Almighty Creator, and Us Angels of God? It would be wise to follow the One Who has been alive forever! He is surely much more wiser than you humans He created.

555.) Truly it would be beyond wise to follow the One Who Knows Everything! Surely God has proven Himself to you humans that He exist, and is Most Wise. Who else has continuously sent you humans authentic holy scriptures over and over and over again? I am Prince Michael, and I bear witness that mankind no longer has any excuse to disbelieve in their Almighty Creator!

556.) Who can doubt My words? What foolish human will say: 'Michael is a liar, and the Holy Cure is Not authentic?' The one who says this will never be forgiven. Surely I am composing the words of God precisely as He commanded this to be! So who can reject these words, then ask God for forgiveness? Only a devil, and the ones who follow devils shall doubt this Holy Cure!

557.) O' You who disbelieve in this Holy Cure sent from God Himself! If any of you humans can present a book greater than this Holy Cure, I will fly you to Heaven Myself after the day of your death.

558.) Surely I shall say it again! If any of you humans can show the prophet a holy book, or an unholy book, that is equal to this Holy Cure, I will grant you everlasting life Myself! Surely I have this great divine power and authority. All praise and all glory be to God My Creator Who gave Me this power and authority.

559.) O' You who believe in time and age! I am the oldest Archangel of God. I am very much greater, and much older than Gabriel My first brother. According to the earthly time you humans follow, I am thirty eight million years old. Some of you humans do Not live on Earth thirty eight million seconds!

560.) According to the spiritual realm, I am near one hundred years old. For one thousand years on Earth is one day in the spiritual realm. Surely I am greater and wiser, and more powerful than all of you humans who dwell on planet Earth. Surely I am evolving by following My Lord! Truly I am only becoming greater and greater, and wiser and wiser.

561.) Only if you unbelievers could see the evil souls that have went to the Hellfire over the last fourteen hundred years. Then you would surely believe in the words of these holy scriptures, and realize that Gabriel and I are only trying to save you humans.

562.) Only if you unbelievers could see the wicked souls that have went to the Fire of Hell over the last two thousand years, since the death of Christ (The Messiah). Then you would surely believe in the words of God. I am only trying to save you humans.

563.) This is the Book of Omega the Messiah mysteriously warned you was coming. There will Not be another holy book equal nor greater than this Holy Cure until the world ends.

564.) Surely Christ (The Messiah) warned you that the sign of Jonah would be given. Be wise and remember he spoke in riddles and parables. Did you forget that Gabriel's Holy Quran has a book of Jonah? Surely the Quran: Sura 10:37 prophesied about this Holy Book of scriptures that would come, wherein there will be no doubt it is from My Lord.

565) Be wise and remember that the other true believers are your brothers and sisters! You will know them by their righteous words and their righteous actions. You will know them by them praying, and by the things they say and do.

666.) Beware of false believers! Beware of false wolves dressed in sheep clothing! The disbelievers are enemies of God! Surely then they are your enemies! Stay away from them if they will Not listen to the truth! This is a sign to reject them if they reject the truth.

567.) If they hate God, then they hate you! If they will Not accept the truth after you have continuously tried to warn them, cease talking to them! Do Not cast your pearls to unworthy believers!

568.) Surely these words came from the Mouth of God, Not I. Truly I am the highest Archangel of God, and God is far greater than I am!

569.) O' You who believe in the great signs of God! We Angels of God left behind many spiritual signs inside of the Glorious Quran. I have been commanded by God to unlock these divine hidden secret codes to you believers.

570.) Blessed be the greatest Muslims who instantly recognize these great heavenly signs from Allah, that Gabriel left behind to prove Our prophets are authentic, and Our Holy Quran was Not a fairy tale! Besides Gabriel and I, no one else can unlock the Quran after fourteen hundred years! It was God who sealed it until the promised Elijah was sent at the end of times. Surely the Prophet Daniel foretold you We were going to remove the seal in the end of times, and bring a scroll.

571.) Be wise and do Not reject these greatest signs of God. Surely Gabriel has revealed to you believers that the Prophet Anthonyel is the promised Elijah. He was born in the U.S.A. in the 5th month, and the 5th day of the year 1989. This was truly the preordained great Night of Power!

572.) It is true that My Angel Gabriel revealed to the Messenger Muhammad the secret divine meaning of the Night of Predestination. And that the odd number night amongst the last ten days of My Holy Month of Ramadan would be a great night between The Most High God, and all of you humans here on Earth.

573.) It is true We revealed to Our Prophet Muhammad the future preordained prophecy of Sura 97 that more than one angel would come down, Not one! And withheld the secret that the spirit of Elijah the Prophet would come down also with them by permission of God, to fulfill another errand on this Night of Qadr.

574.) O'Mankind! It is Not a coincidence that Jibreel's Quran: Sura 97, The Lailat Al-Qadr, which is indeed the futuristic divine prophecy of the Night of Predestination, only has five verses! Behold! This symbolized the five odd numbered nights amongst the last ten nights of Ramadan! This odd night occurred on the 29th day of the month of Ramadan in the year 1409 according to the Islamic Hijri calendar! And the fifth verse of Sura 97, Lailat Al-Qadr, mentions the Break of Day which is the prophecy Al-Fajr Sura 89. Indeed the Break of Day was fulfilled on the fifth day, and the fifth month in the year 1989 according to the American calendar! Behold! This predestined night was preordained and foretold by God Himself 1,400 years beforehand as a sign to you humans when His next chosen Messenger would be born on the Night of Qadr! Is this irrefutable, unforgeable, undeniable evidence for those in doubt.

575.) Surely this is the reason it says: "Peace!... Until the Break of Day." Ask the wise men when did God's Prophecy of the Al-Fajr Break of Day occur? Surely We know the Unseen secrets in which the wisest of men do Not know! Surely Gabriel composed the Book of Peace in remembrance of Our Prophet Muhammad, and clarified all things. Foolish is the disbelievers! 576.) O' Christians and Muslim who follow the Sunnah! May 5th, 1989 was the great odd numbered night amongst the last ten days of Ramadan. And indeed it was better than a thousand months of Ramadan, which represents a thousand years of Ramadan. Surely the month of Ramadan only comes by once a year! Now all true Muslim dwelling in this mortal world knows the supreme divine meaning of Sura 97, the Lailat Al-Qadr.

577.) O' You who believe! Hug this prophet! Thee Elijah shall be one of the gatekeepers in the Kingdom of Heaven. This Holy Cure is the fulfillment of the divine prophecy We brought down to Prophet Muhammad 1,400 years ago. Allah is the Greatest!

578.) O' You who believe in the great righteous Prophet Muhammad! Gabriel and I left behind more divine hidden codes to verify We have returned and spoke to Prophet Anthonyel. I shall prove to you that the Prophet Muhammad knew the next Messenger of God would be born on the fifth month, and the fifth day of the year eighty nine.

579.) Truly the Prophet Muhammad could Not imagine his followers waiting over one thousand and four hundred years for the next true Apostle of God! Now I have been commanded to reveal the other great divine code to the Holy Quran. 580.) Truly only Allah Himself, Gabriel, and I can unlock these secret codes after fourteen hundred years! This alone is divine proof that it is Us revealing these things, and Prophet Anthonyel is Not a false prophet!

581.) O' Prophet Anthonyel! It is true Sura 89, Al-Fajr, represents the Break of Day, and is indeed Allah's symbolic code in reflection of the symbolic year 1989 in accordance with the American calendar. It is true that the second ayat of the Sura 89 symbolizes a dual divine meaning! The date May 5th is the fifth day and the fifth month and is twice five indeed! And the last 10 nights of the Holy month of Ramadan, are the nights twice five! Surely this is the reason the second verse says: "By the Nights twice five".

582.) Woe! Many of you have invented falsehood proclaiming this verse within Our Quran refers to the first tens days of the month of Zul-Hijja! Have you humans began to lean on your own understanding? If what you speak is truth, come bring forth your divine proof if what you proclaim is the truth! Did Not Gabriel's Quran: Sura 3:7 tell you Muslims that no one knows the secrets hidden in the prophecies within Our Holy Quran except God Himself! Do Not invent lies, and falsehood against Our Holy Quran or Holy Cure!

583.) It is also true that the mother of the prophet was born on the 5th month and the 10th day. Surely there is a divine dual prophetic sign from God as the third verse of Sura Al-Fajr, (Break of Day) says: 'By the even and the odd contrasted'.

584.) It is true the mother of the prophet was born in the American year of 1968. Surely if you spin the even number 68 upside down, it shall reflect Allah's divine code which is indeed the odd number Sura 89!

585.) Surely the fourth and fifth verse of Sura 89 says: 'And by the Night (of Predestination) when it passes away. Will there not be great evidence in these verses for those (Muslims) who have understanding?'

586.) Behold! The precise birthdate of the next Messenger of God was the Quran's perfect prophecy of the Break of Day. And a Restore! revelation and the final prayer covenant was the prophecy of the Lailat Al-Qadr. Now Our divine prophecy We gave to the great Prophet Muhammad through My Angel Gabriel has now been fulfilled.

587.) Blessed be the great Prophet Muhammad who is alive in Heaven right now at this moment! 588.) I bear witness and verify that many great prophets who dwell above are watching this revelation of God continue to be fulfilled by Gabriel and I.

589.) Truly no human on planet Earth knew the divine combination to the Sura Al-Fajr the Break of Day, nor Sura Lailat Al-Qadr the Night of Power. 590.) Cursed be any disbeliever who rejects these two great hidden signs of God that proves Prophet Anthonyel is My Lord's chosen Messenger!

591.) Surely it is written in Gabriel's Quran: (Sura 7:174 and 177): "Thus We explain Our signs in detail, and perchance they may turn to Us. What an evil example of the people who reject Our signs and wrong their own souls!"

592.) I have been commanded to reveal to you that there were wicked foolish humans of the past who called the Prophet Muhammad a liar, and a false prophet! I verify and confirm these same disbelievers are burning in Hell today, as I compose this Holy Cure for My Lord. Foolishly the same disbelievers refused to believe in Christ (The Messiah), and criticized the great Prophet Muhammad! Double punishment was commanded by God My Lord.!

593.) Woe to anyone who rejects the great Prophet Anthonyel who has been commanded to warn all the believers of the future things to come. If Our prophecy is Not a fairy tale, is the Hellfire? 594.) O' You who disbelieve in the great signs of God! I have been commanded to reveal more Heavenly signs to the faithful true believers. Be wise and do Not reject these great signs of God! 595.) Truly it is already written in Jibreel's Quran: (Sura 64:10 and 12): "But those who reject faith, and treat Our sign as falsehoods. They will be companions of the Hellfire to dwell therein forever! And evil is that goal. So obey God and obey His Messenger. But if you turn back, the duty of Our Messenger is only to proclaim the message clearly and openly."

596.) It is true the Prophet Muhammad knew the next chosen Apostle would be the Spirit of Elijah. He also knew that the promised Elijah would come with a holy book in hand.

597.) Be wise and understand that while he was prophesying, he very often spoke about the book that would cure the disease in the hearts of the disbelievers, and cure the hearts of the believers. I reveal to you that fourteen hundred years prior to this new revelation, the Prophet Muhammad knew Gabriel and I was bringing down this Holy Cure to the one born on the Lailat Al-Qadr of May 5th, 1989.

598.) It is true the great Prophet Muhammad spoke in parables like my beloved Holy Messiah. Surely We revealed to him that We would certainly give the Holy Cure to an Apostle in a land far away. Truly We revealed to him that the holy book would Not be written in Hebrew nor Arabic. And We revealed to the Prophet Muhammad that the next prophet would be a Muslim that will follow him faithfully.

599.) Surely it is written in Gabriel's Quran as the Prophet Muhammad prophesied about these things to come. Sura Ha Mim 41:44 says: "...What! a Holy Book Not written in Arabic, and the Messenger a Muslim? It is a guide and a Cure for those who believe, and for the ones who disbelieve. There is deafness in their ears, and blindness in their eyes. They are being called from a place far distant!"

600.) O' Prophet Anthonyel! The great Prophet Muhammad foreseen all these things as Gabriel surely revealed all of this to him. He foreseen you, the Holy Cure, and the people in America far away!

601.) We Angels of God enlighten all the chosen Prophets of God. You must lead the American people back to righteousness. Help them believe in God before it is too late. You shall be their first and last Apostle from God! Surely God knows all things. Even your descendants one thousand years from now will reside in another land. Surely God is the Most Wise Almighty Creator.

602.) Young Messenger of the Messiah! You must enlighten the humans in your country concerning the importance of prayer. Teach the Christians how to pray righteously like I have taught you to pray. Teach the Muslims in America to follow the new prayer covenant. Surely they are Not in error if they continue to pray in Arabic five times a day under the covenant with Prophet Muhammad and Gabriel!

603.) Truly you and Prophet Muhammad are one brotherhood. Without a Heavenly doubt, Gabriel and I are one brotherhood. So all who believe in this Holy Cure is united as one brotherhood under One God.

604.) Without faithfully praying in unity, the new world will crumble and fail! Prayer to God is the greatest power you humans have, especially when the believers are lovers of righteousness. You must be their prophet and their friend.

605.) As it is written in Gabriel's Quran: (Sura 5:55-56): "Your real friends are no less than God, His Messenger, and the fellowship of the believers. Those who establish regular prayers, and regular charity to the poor, and they bow down humbly and worship God. As to those who turn for friendship to God, His Messenger, and the fellowship of the believers. It is the fellowship of God that must certainly triumph."

606.) O' Prophet Anthonyel! Remind the Americans to guard the 7:00 prayer like it is their great president! My Lord has chosen the United States of America to receive the first and last holy book composed by Us Archangels of God. The punishment will be beyond

grave and severe for anyone who rejects this Holy Cure, and the prayer covenant with Me. I will bless the righteous ones who warn everyone about the seriousness of the Book of Omega.

607.) Surely it is written in Gabriel's Quran: (Sura 7:170): "As to those who hold fast by the holy book, and establish prayers. Never shall you suffer the reward of the righteous to perish.

608.) Also it is written in Gabriel's Quran: (Sura 2:238): "Guard strictly your habit of prayers! Especially the middle prayer! And stand before God in a devout frame of mind."

609.) Young prophet, I know about the 1:00 prayer that you invented yourself! I will bless the believers abundantly whoever guards this middle prayer. Surely the new divine prayer covenant of God only commands the new believer to pray faithfully at 7:00 in the morning before the sun rises, and 7:00 in the evening.

610.) Surely the Prophet Muhammad prophesied about future prayers of twice a day. As it is written in Gabriel's Quran: (Sura 33:41-42): "O' You who believe! Celebrate the praises of God, and do this often. And glorify Him in the morning and the evening."

611.) O' Apostle Anthonyel! It is Not coincidence that these two ayats follow right behind the old seal of the prophets! I bear witness before God Our Most Powerful Creator of this Universe, that My brother Gabriel commanded the seal of the prophets to be dismissed and removed.

612.) Now you are the new chosen Prophet of God since Gabriel has removed the seal. My Lord allowed the seal to be placed inside of His Holy book until the end of times, to prevent every Muslim from believing in any false prophet before We Angels return with this great Holy Cure. Truly God knows best. Surely God is The Most Wise.

613.) The seal of the prophets saved millions in Heaven!

614.) Young Messenger you must do more than just prophecy! You must teach the little children the words of God. You know they are little angels that hand out invisible keys to thee Kingdom of Heaven. Blessed be the ones who teach the little children the words of God, and accumulate seven thousand keys! Have they yet received eternal life? The children are the keys!

615.) Prophet Anthonyel, you must also preach the words of the Holy Cure faithfully! You must warn the world as God will reveal many new Heavenly secrets to you over the next twenty seven years. Unless He calls you back up to Heaven before the years are complete. Any human on planet Earth that denies you, and rejects the truth, shall surely perish.

616.) As it is written Gabriel's Quran: (Sura 23:68-70): "Do they Not ponder over the words of God? Has anything new come to them that did Not come to their fathers of old? Or do they Not recognize their Messenger? Or do they say that he is possessed? No, he has brought them pure truth. But most of them hate the truth."

617.) Servant Anthonyel, I have already glanced in the future hundreds of years away. I have foreseen so I know some evil foolish humans shall say: "I do not think the Archangels really composed this book. But it has to be true because it talks about all the prophets in the Bible, and the writer believes in Christ!"

618.) I have already warned these doubtful humans to cease challenging the Almighty Divine Power of God! Gabriel and I have proven that We are the divine authors of this Holy Cure!

619.) This shall be the final warning to mankind. Any human who lies on the Prophet of God, and falsely accuses him of forging these holy scriptures, shall suffer in the Fire of Hell for 619 days! Surely then you shall know I commanded this verse to be written.

620.) Never lie on the Apostle of God who has been chosen by My Lord to save and help mankind! I have proven to everyone who reads Our Holy Cure that Prophet Anthonyel was preordained to be sent over two thousand years ago to help mankind. Apostles of God can Not lie on Us angels! This is Not possible! True Apostles of God will Not present anything false! False testimony is the duty of a false prophet, and the spirit of Elijah has destroyed hundreds of false prophets in the past old world!

621.) I am the chief Archangel of God, and I have warned you humans that the promised Elijah is the new Apostle of God. He must save you humans before it is too late. We will Not lead mankind astray. Be wise and remember that true chosen Messengers of God can make intercession in the Heavenly Court of God.

622.) O' You who disbelieve in the revelation of this Holy Cure. I have billions of smaller angels floating all around planet Earth. I know everything that happens in this mortal world. Truly God is greater than I. It would be better for your soul to reject every book on Earth, than to reject the first and last book composed by Gabriel and I.

623.) Surely it is written in Gabriel's Quran: (Sura 2:41): "And believe in what I reveal confirming the revelation that is already with you! Do Not be the first one to deny faith in them, nor sell My signs for a small price. Fear Me and Me Only!"

624.) O' Saudi Arabia! O' Iran! O' Israel! O' Egypt! I love all four of you! I have revealed My Great Almighty Divine Power through My chosen prophets in your nations more than anywhere on planet Earth! For the sake of My loyal chosen ones who loved Me and obeyed Me faithfully. I have Not forgotten My promises to you four. Abraham, Isaac, Ishmael, Israel, Joseph, Moses, David, Yeshua, and Muhammad are all in Heaven with Me right now.

625.) I have overpowered Michael, and the prophet to compose these words Myself! I have been watching all things and waiting to reveal Myself again. I see everything that is happening in My world. You know My Torah and My Quran is pure truth. Obey My Words and make peace with each other. You must stop the hateful segregation now!

626.) A great dark force is about to come. All of you who love Me and believe in Me, must unite as one! America does Not know Me very well! I have sent Elijah to that country as I warned Prophet Malachi I would. Command America to obey this Holy Cure, and do Not alter My scriptures! Warn America to change her laws, and turn away from her sexual immoral wickedness now! Or I will strike her with My Wrath, and destroy her country before the year of 2070! "

627.) Warn America that she shall be the next prophecy in the biblical Book of Revelation chapters seventeen and eighteen, if the capitol does Not change those wicked sexual immoral laws!

628.) Elijah is her fist and last Messenger I am sending! I am the Almighty Creator of this Universe, and I am the Only One Who can change the future within the prophecy of the Book of Revelation.

629.) Warn her to stop sexually corrupting the minds of My creation of new little children. Or I will make every Angel on Earth go against her! The clock starts now!

630.) I glanced into the future and saw this sexual immoral wickedness thousands of years ahead of time. This is what caused Me to reveal Myself with this Holy Cure, and Michael, at this precise preordained time in America! Some of the lawmakers in the nation are possessed with demons from a dark force of sorcery and witchcraft!

631.) They are tempting Me to bring forth My Wrath upon planet Earth! America is misleading My world and creation. Or do these lawmakers think I am a false god who falls asleep! Certainly Not! I am alive forever like the Israelites and the Muslims have warned this world!

632.) Now that I have sent Michael, Gabriel, and Elijah to warn America to change. Severe destruction shall come upon planet Earth, if they do Not obey Me and My angels! Every nation who embraces the laws of Sodom and Gomorrah is doomed! I will have no mercy and no forgiveness for what they have done to the minds of My creation of new little children!

633.) O' Saudi Arabia! O' Iran! O' Israel! O' Egypt! How I loved you all so very much for believing in Me, and My chosen Apostles and Prophets? Warn America to obey and change their laws to mirror My Words. Once I call Elijah back up to Heaven, I will destroy anyone who disobeys the words written in this new Book of Life that I have sent down as a Holy Restoration.

634.) All My chosen nations must obey My words, unite as one, and make peace with Israel. Now that I have forgiven Israel, and opened their eyes to the truth again.

635.) The old temple grounds and old things have passed away. I have created a new Heavenly Paradise that is seven billion times greater than Earth. Come live with Me like your ancient ancestors have done.

636.) Warn China to read the Book of Bread that I have sent down to them. It is a hidden mystery that I have kept a secret for over four thousand years. Warn Russia that I am watching them also! 637.) You four are My chosen countries forever. You know I am the Almighty Allah! The Israelites know I am the Almighty Yahweh! I love all four of you forever for the sake of Prophet Jacob, Prophet Joseph, Prophet Moses, and Prophet Muhammed.

638.) Make peace with one another if you truly love Me. Show the world that you love Me more than you love them, and I will bring you up to Heaven to dwell in Paradise like I have done for Elijah in the times before. Salamu Alaikum to all My chosen nations who obeyed My Quran! Shalom to Israel and My Torah!

639.) Remember these words until I send My next message. Remember Me and My angels are always watching. Peace planet Earth! I love My creation.

640.) O' You who believe in God! I am Prince Michael the highest Angel of God. All nations who have trespassed into Our divine authority shall perish! Every human who has agreed with creating sexual immoral laws shall burn in the Fire of Hell for trespassing against God, His creation, and Our universal divine authority!

641.) Everyone who agrees to let these laws remain legal will be equally condemned as guilty. I will see you on the day of your death that is surely coming in a few hours! Our holy scriptures are prophecies that will be fulfilled very soon.

642.) Reincarnation into the world of Hellfire shall be your next destiny. Surely We Angels know things thousands of years in advance! Did We Not tell the Prophet Muhammed exactly where Prophet Anthonyel and the spirit of Elijah would be sent, over a thousand years before he was born? Did We Not tell you Hell is true?

643.) We Archangels of God have revealed many great signs from My Lord to prove this Holy Cure, and the holy books that came before this one, are the words of God, and Not humans! Now the entire world can read a book composed by Us Angels, and Not doubt God again!

644.) No human on planet Earth can write a holy book telling anyone the next Prophet of God will be born on a precise numbered date and night. Surely the Prophet Muhammed warned everyone that We Angels of God would be back to bring down another revelation from God. Truly you foolish ones failed to take heed!

645.) Did the Prophet Muhammed continuously warn you that you humans would know the truth very soon? Surely he did! Did he warn you disbelievers that you would soon see the truth after a short time? Truly he knew Gabriel was returning, and I was coming with him!

646.) It is pure truth that Gabriel revealed to Prophet Muhammed that We Angels were coming back on the Lailat Al-Qadr! He also knew it would be 1,400 years before the spirit of Elijah would be sent down from God Our Most Gracious Creator. He also knew this would be the longest break before another true Apostle of God would be crowned by Gabriel, and given a new revelation. 647.) So he prayed for all Muslims to be protected, and never be mislead astray by a false prophet. God granted the seal. I verify and confirm the great seal has protected the believers, and the great seal has fulfilled it's duty.

648.) Now Gabriel has removed the Seal of The Prophets from the Quran. Now I have placed the second Great Seal of The Prophets in this Holy Cure! Wait until We Angels remove the seal!

649.) Be happy and rejoice that My Lord has sent Elijah! As it is written in the Gospel of the Messiah: "All the people were filled with awe! They praised God and said: 'A great prophet has appeared amongst us. God has come to help His creation!'"

650.) I command you humans to provide a precise duplicate of this Holy Cure to all the greatest Imams in Saudi Arabia. These are the ones who will verify and confirm this Holy Cure is authentic, and the other half of the Quran. Then provide a precise duplicate of this Holy Cure to the greatest Rabbi in the nation of Israel for them to read this great holy book from Gabriel and I. They know how powerful We spiritual beings are! All praise and all glory be to God Most High!

651.) I command you great Imams and Rabbis to reveal the truth of this Holy Cure before it is too late! Warn the entire world, and the world leaders that I have come down from Heaven Myself. Immediately warn the presidents and ambassadors of the other nations who do Not know the signs of God that are hidden in the Torah, and the Quran. Relay My messages inside of the Messiah's Scroll, and this Book of Omega to them now! Force them to see We have come down from Heaven again, and We are very serious!

652.) I promise you Imams and Rabbis that warning the world shall be the greatest evidence, and counted as the greatest righteousness on your behalf on the Day of Judgement!

653.) You great Imams and Rabbis who are alive today should recognize a holy book sent from God, and know My words are greater than true. I will see that your righteousness shall be equal to the prophet himself. Surely this will be a great gift from God to this generation of Imams and Rabbis. After the death of the prophet, this verse is invalid! 654.) O' Prophet Anthonyel! I must remind you that this Holy Cure does Not erase the prayer covenant of Prophet Muhammed of Saudi Arabia, and the old world! The prayer covenant of Prophet Muhammed and Gabriel is valid forever and ever, until the world ends!

655.) Young prophet, I have sent this Holy Cure to confirm the great Prophet Muhammed is well, and alive in Paradise at this moment!

656.) The new prayer covenant is for the United States of America, and the new world. Surely any true believer may embrace either one of the prayer covenants they please. Surely Gabriel and I are one! Surely God Most High Our Almighty Creator, and Us Archangels are one!

657.) Young Messenger, you are the confirmation of all the covenants. You are verification that the covenants of God are everlasting, and they do Not become invalid. You were circumcised on the eighth day after you were born under the covenant of Prophet Abraham. As a small child you were baptized under the covenant of Christ (The Messiah).

658.) As God chose you to do His will, you took the Shahada testimony of faith under the covenant of Prophet Muhammad. Now by the divine power of God Almighty My Lord, We Angels have appeared to you! This is the break of a new day, a new beginning, and a new covenant.

659.) Prophet Anthonyel! Be wise and remember that the unique spirit of Elijah dwells within you. Be wise and remember that the spirit of Elijah was dwelling upon Prophet John the Baptist. Be wise and remember that you are the same spirit that baptized Christ (The Holy Messiah). This was done to fulfill the will of God, and all righteousness. This is the reason why you are the chosen Messenger before the Messiah to herald his second coming.

660.) O' Anthonyel! Cast it up! Cast it up! You must prepare the way for the one who will come after you! Remove the stumbling blocks out the way of My people! Let the spirit of Elijah take control of your life!

661.) Young prophet, you have been commanded to write the Pure United Gospel of Christ (The Messiah). I will deliver you the true words, and the true events to clarify the Gospel. This must be done by you and only you! Anyone else who does this shall be in grave danger of the Hellfire!

662.) As the chosen Messenger of the Messiah, you must restore the Gospel so all Muslims, all Jews, all Christians, all Catholics, and all people who believe in the Messiah may read the true Gospel of the Messiah.

663.) Truly God knows all things. Surely My Lord will always correct anything He does Not want incorrect. Truly He fixes all things He does Not want broken.

664.) O' Prophet Anthonyel! You have been commanded by God to change your name to Anthonyel Hebrewel! Your children and your grandchildren must keep this last name 'Hebrewel' in remembrance of God, and Prophet Abraham.

665.) You must implant in your sons and daughters to never change this surname until the world ends! Surely all of your grandchildren, great grandchildren, and all your descendants must keep this name Hebrewel even if they marry someone else!

666.) I have warned you and them! Now you and your descendants have no excuses to disobey this command from God!

667.) O' Prophet! Over seven hundred years ago I seen the prayer that you wrote teaching the little children to pray to God for Us Angels to protect them. Surely I seen this prayer before you were even born to write the Book of Prayers. I love this prayer, and I love you for writing this prayer teaching the little children to believe in Us Angels, and honor who We are.

668.) Blessed! You are already blessed! Finish the Will of God, and I will see you, and the ones you love in Heaven very soon!

669.) Surely it is written in the Gospel of the Messiah as he said: "Truly I will reveal to you this. Unless you become like the little children, you will never enter the Kingdom of Heaven. Surely the one who takes the lower position like this little child is the greatest in the Kingdom of Heaven." 670.) O' Elijah! I will command the spirit of Enoch to come, and he will be sent down! He is on the way. It is true that some of these humans believe you transformed into an angel when you were taken up to Heaven in the whirlwind by Me.

671.) If they believe you are an angel, then they shall understand this Holy Cure is still written by Us Angels of God. Truly all Angels of God are one. Truly you know who composed My Holy Cure, and surely God knows all things. Help the humans understand how the spiritual things operate.

672.) O' Prophet Elijah! Go announce the coming of the Messiah. The world is still waiting. Settle all the controversies, and make more peace in the world for our believers.

673.) Warn them to do Not dispute about the Name of God! Surely no human on Earth knows the new Name of God. Foolish is anyone who tells the Muslims Not to call My Lord the Almighty Allah! Foolish is anyone who tells the Jews and Hebrews Not to call Him the Almighty Yahweh! 674.) As well as you humans have more than one name, God has many names. Surely then it is foolish of you to think Our God only has one name! Surely it is foolish to argue about any righteous Name of God!

675.) We Angels know all the wicked demonic law makers who have been bribed with millions of dollars, to create sexual immoral laws to corrupt the minds of the innocent little children! There is no forgiveness for them! They shall be sent to dwell in the Fire of Hell after this life!

676.) Every human who has created sexual immoral cartoons to corrupt Our children will suffer in the Hellfire!

677.) The demons who created the laws that allow two sexual immoral married men to adopt a innocent little boy, to molest the child physically and mentally, will never be forgiven! They have trespassed beyond blasphemy, and murder, and terrorism! They have trespassed beyond the laws of the universe!

678.) These lawmakers have been charged as sexual demonic terrorist against God, and His creation of children and all of mankind! Everlasting life in the Hellfire is mandated! This message came directly from the Mouth of God the Almighty Creator of planet Earth!

679.) Truly everlasting life in Heavenly Paradise shall be granted to the souls of the lawmakers who fight to change these forbidden laws and save My Lord's children and creation.

680.) Those who rejected the Prophet Muhammad has rejected the spirit of Moses! Surely then they have rejected the Torah: Deuteronomy chapter eighteen verse fifteen through nineteen!

681.) Even worse! They have rejected My brother Gabriel, and the Holy Quran! They claim they believe in Our God wholeheartedly. But My Lord sees the hateful division stored inside their wicked hearts!

682.) This is the reason why you have been sent Elijah. Christ (The Messiah) prophesied about you, and this Holy Restoration. Now you must go restore all things, and fulfill the Will of God.

683.) O' Prophet Elijah! Warn the believers to stop sending vain prayers to Me, and the Messiah! We are Not God! Surely Christ (The Messiah) prophesied about this day of the Holy Restoration! 684.) As it is written in the Gospel: "This shall be your time of grief. But I will see you again, and you shall rejoice, and no one will be able to take away your joy. In that day you will no longer ask me anything. Very truly I say unto you, my Heavenly Father will give you whatever you ask in my name. Although I have been speaking figuratively, a time is coming when I will Not speak in this kind of language. On that day I will plainly explain many things about my God."

685.) O' Prophet Elijah! The two days has passed by now. It is time to restore the believers. Then after this third day it shall be even greater than this. Spread the good news by forwarding this Holy Cure to everyone in the entire world.

686.) Four thousand years ago, God revealed to Prophet Abraham that his descendants would be strangers in this country of America, enslaved, and mistreated for four hundred years. Surely this is Not a coincidence!

687.) The 400 years are now complete. This is another great sign from God, and the reason why Gabriel and I have come down from Heaven at this precise preordained time. Cursed be any disbelievers and hypocrites who rejects this prophecy We gave to Prophet Abraham!

688.) Now the entire world knows God is the One and Only True God, and you are the Elijah We promised to send to prepare the way for the return of the great Holy Messiah.

689.) Give this Holy Cure to the true believers, and the disbelievers, and the hypocrites. Now they shall see their own errors, and cease pointing the fingers at one another!

690.) Surely it is written in Gabriel's Quran: (Sura 9:63-64): "They do Not know that for those who oppose God, and His Messenger, is the Fire of Hell? Wherein they shall dwell forever! That is the supreme disgrace. The hypocrites are afraid lest a book be sent down

about them, showing them what is really in their hearts. Verily God will bring to the light all that you fear should be revealed!" 691.) O' Elijah! I have placed this holy book in your hands as God has commanded this to be done. Warn the disbelievers that God Our Almighty Creator is in control over all things even the Book of Revelation!

692.) Surely in the year of 2019, the sixth angel blew the sixth trumpet, and a major portion of mankind was killed. Truly millions of children and grandparents were saved and went to Heaven with Us. Many young adults perished and are still dead waiting to be judged!

693.) Behold! This indeed was the disease you humans named Covid-19, which was already written in My biblical Book of Revelation chapter nine, verses eighteen through twenty. You humans have now entered chapter ten of the biblical Book of Revelation.

694.) Warn the humans to stop worshipping demons, idols of gold, and repent for their murders, dark magic, and sexual immoral ways! Or something seven hundred times worse is surely going to happen!

695.) Gabriel and I have revealed all of the great signs of God for everyone to know you are who you say you are, and We are the Archangels of God. Anyone who rejects this Holy Cure have rejected Heaven! These words are final! The Omega choice is left to them!

696.) O' Elijah! You shall be blessed in the Kingdom of Heaven for obeying Me, and submitting to the will of the Most High God of this Universe.

697.) We will bless those who bless you, and We will curse those who curse you. Through this Holy Cure, all humans on planet Earth shall be blessed.

698.) Remind them that whoever believes in this this Holy Cure, and follows My words, do Not have to worry about the mark of the beast! I am their protection! They are saved. I overpower the beast. 699.) Remind them that this is the Alpha and Omega book

composed by Me. Remind them that Christ (The Messiah) is the first and last son of the Great Holy Spirit. Remind them that you are the last Messenger before the Messiah. Remind them that the Messiah is coming!

700.) May peace be upon planet Earth until We return to remove the Seal of the Prophets, and bring down a new revelation. I am Prince Michael, the Chief Archangel of God. It is true that Gabriel, the second highest Archangel of God is present and bear witness as I seal the last book of the Holy Cure. Blessed be the promised Elijah. We shall be with you young prophet.
