

Prayer for Discernment and Spiritual Strength

Lord, my Rock and my Refuge,
In a world full of confusion and shifting values, I choose to anchor myself in You. Your Word is my compass, and Your Spirit is my guide. Give me wisdom to recognize what is true, and courage to walk in it. When I'm pressured to conform, help me remain faithful. When fear tries to take hold, remind me You are near. Guard my heart. Shape my thoughts. Direct my steps in love and truth. Let me not be swept away by the currents of culture, but anchored in Christ, my Lighthouse and King. In Jesus' name,
Amen.
