# When We Change What God Created

## **Prompt 1:**

In what areas of my life have I accepted a “processed” or “modified” version of God’s truth?

 “Don’t copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think.” — Romans 12:2 (NLT)

## Bonus Scriptures to Meditate & Invitation to Go Deeper From Faithful Pen, for His Words Give Life

### 🌟 **Bonus Scriptures to Meditate**

- Genesis 1:31
- Jeremiah 2:21
- John 6:35
- 1 Corinthians 5:6–7
- Jeremiah 6:16

### 🌸 **Final Blessing**

God's design is never random. From the grain that becomes bread to the very breath we take, everything He created carries His loving intention. When we step outside His design—altering what He made—we trade His fullness for something less, losing the health, beauty, and presence He intended for us. But when we return to His way—choosing what is pure, whole, and true—we find not only our bodies restored, but our spirits nourished. May you walk in the freedom of His perfect design. May you taste the sweetness of His provision. And may your life shine as living proof that God's way is always best.

### 🙏 **Closing Prayer**

Father, thank You for creating everything with wisdom, purpose, and love. Teach me to see the beauty in what You've made and to resist the temptation to replace it with my own shortcuts. Help me choose what honors Your creation so that my life reflects Your goodness. Draw me closer to You each day, and let my choices inspire others to do the same. Amen.
