THE DRESSER
..FUTURE OF DESIGNING

A PRACTICAL
INSTITUTE OF FASHION & PATTERNMAKING

#613, 7th Main, 3rd stage, 3rd block, basaveshwaranagar, Bangalore 560079, Karnataka, India.

About Us

The Dresser Institute of Fashion & Patternmaking is a **one-to-one training institute** that offers a range of fashion design, patternmaking, and technology courses. The institute is a perfect place for those who want to pursue a career in fashion and gain hands-on experience in the industry. It provides a wide range of fashion design courses, including fashion design, fashion technology, fashion management, and fashion marketing. The institute also offers specialized courses in corset making, lingerie design, bra making, suit design, origami fashion, and fashion social media marketing.

The patternmaking courses offered by the institute are ideal for those who want to learn the skills of clothing construction, garment patternmaking, and garment design. The courses cover various aspects of patternmaking, such as clothing patternmaking, garment construction, and fashion design education.

The institute also provides training in computer-aided fashion design (CAD) and digital fashion design. The fashion technology courses offered here include CAD design, fashion technology institute, garment design institute, and fashion pattern making institute.

For those interested in corset making, the institute provides professional corset training, corset making courses, corset design institute, and corset making classes. The lingerie design courses offered here cover lingerie making, intimate apparel training, lingerie design, and lingerie pattern making.

The institute also offers training in bra making, tailoring, and suit design. The courses cover aspects such as bra making courses, fashion suits program, fashion tailoring school, tailored suits education, and suit design training.

The origami fashion courses offered by the institute cover the techniques of origami fashion design and provide hands-on training in origami fashion techniques. Lastly, the institute also provides courses in fashion social media marketing. The courses cover various aspects of social media marketing for fashion, including fashion marketing, social media for fashion, fashion marketing and social media, fashion social media strategy, and social media fashion advertising.

In conclusion, The Dresser Institute of Fashion & Patternmaking is a one-stop-shop for those looking to pursue a career in fashion. With its wide range of courses, hands-on experience, and one-to-one training, the institute provides the perfect platform to launch a successful career in the fashion industry.
