# Capability Statement

## About Us

## Core Competencies

### HVAC Past Performance:

Managed multiple sites throughout the USA for the Department of Labor with Heating, Ventilation, and Air Conditioning (HVAC) maintenance:

- Completed inventory checks and conditions surveys for all HVAC Equipment, provided oversight of current maintenance scheduling and operational requirements.
- Assisted with creating comprehensive preventive maintenance plans developed and trained onsite staff. Provided equipment replacement recommendations along with costs associated to the equipment.
- Carried out quality control audits on all technicians.

### Consulting:

- Invictus International LLC offers consulting services that investigate your business current processes and capabilities to assist with providing recommendations to improve processes as well as support with implementing new processes and procedures as well as new tools. The goal is to improve your business by performing an analysis, providing recommendations, and training support for implementation.

### Vehicle Past Performance:

Coordinate, schedule, and audit vehicle maintenance repairs to include preventative, mechanical and electrical repair to tractors, trucks and trailers:

- Prioritize and assign work to meet customers' needs.
- Ensure quality, compliance, and safety of company's assets.
- Controls time management, set realistic deadlines and communicate them consistently to the teams.

Invictus International LLC provides Project Management Office (PMO) and Staff Augmentation for a wide range of services that includes HVAC maintenance, consulting, logistics, and vehicle maintenance. We have managed multiple sites throughout the USA for the Department of Labor with Heating, Ventilation, and Air Conditioning (HVAC) maintenance, overseen storage and security of 1.2K hazardous material storage area worth \$2.4M in assets, provided Global war-fighting support to military joint forces, and coordinated, scheduled, and audited vehicle maintenance repairs to include preventative, mechanical and electrical repair to tractors, trucks, and trailers. With our experience and expertise, we can guarantee high-quality, cost-effective services that are tailored to meet our customers' needs.
