LIVING ROOM DÉCOR

Wish to make a statement about your home décor? Then living room is the place you should start with. Minimalist, contemporary, vintage, or rustic – we understand that it is not easy to make your choice. That is where we step in to simplify the journey for you.

BEDROOM DÉCOR

Never ignore the significance of choosing the perfect bed for your bedroom. As it is where you relax after a busy workday. Whether you love bold patterned headboards or have an understated style, we ensure to create a space that melts your stress away.

WARDROBE DESIGNS

Our handpicked selection of wardrobes fit like a glove in your room. We offer a myriad of wardrobes, closet options made from durable materials that come with an added guarantee. Wardrobe with mirror doors, built-in cupboard, see-through cupboard, sleek or vintage wardrobe – you name it, we have it.

KITCHEN DÉCOR

Professional chefs, novice cooks and the ones struggling to prepare the perfect sunny side up. Our kitchen décor designs complement everyone. Leave all the worries about picking the kitchen island top, lacquer or simple cabinets, designer hardware, pendant lights, tiles, floors, dining table - to us.

BATHROOM DÉCOR

While you invest in bedroom, living room, and hallway décor, your bathroom décor is often overlooked. So, whether you like a bathroom with a walk-in shower, a luxury sanctuary with expensive décor or a strictly practical one, we make sure you will never miss those luxury hotel experiences.

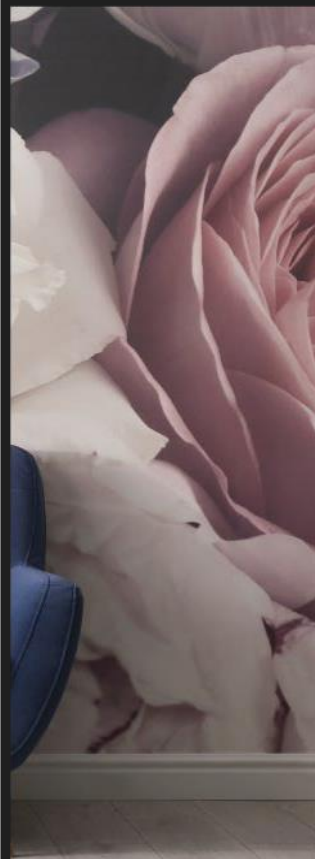

HOME STYLING

A simple cramped space can look like a million dollars with the right home styling element. We create awe-inspiring interiors while taking care of the small details like the perfect blend of form, pattern, texture, and light to create that stylish home you have always dreamed of.

WALL TREATMENT DESIGNS

Wall Treatment Designs lend you the freedom to upgrade your past preference and add panache to your home décor with another one that goes well with your new furniture. Choose between modern, classic, simple prints or a mix and match of different patterns. We have several peel and stick options also for people who lose their interests easily.

FALSE CEILING

Your ceiling could be one of the most overlooked areas of your room. But it is always a good idea to dress it up a little. It is your aesthetic call that how you want to beautify your ceiling – with plaster of Paris, wood, gypsum, metal, glass, or fabric.

DECORATIVE LIGHTING

Decorative lighting can help give your room a stylish look. We complement your false ceiling with a decorative lighting if you wish to add a warm diffused glow in the room, want to add focus on different objects placed inside the room or simply plan to illuminate the entire space.

How does it work?

1

Meet Us

It all begins here

Let us know more about each other. We can meet over a cup of coffee or even online too. We'd like to know what you're looking for.

2

Share your Expectations

We Get to Know Your Taste

While we get to know about you, we ensure to follow your preferences to create the complete designing experience just the way you want.

3

Make a Mood Board

Personalised Designs

Before finalizing your dream designs, we prepare a mood board to help you visualize your new home and then discuss further enhancements.

4

Scope of Work

Finalising the Details

Now when you have made up your mind, it is the time to finalise the scope of work and talk about the essentials - materials and finishes etc.

5

Seal the Deal

Stress-free process

Once finalised, you can seal the deal by paying a signing amount of 10%. Pay 50% of the order value to kickstart the process and the balance before handover.

6

Execution

Speedy quality checks

While we immediately begin work on your different orders, our quality control team keeps a strict check. We also keep you updated about the execution process.

7

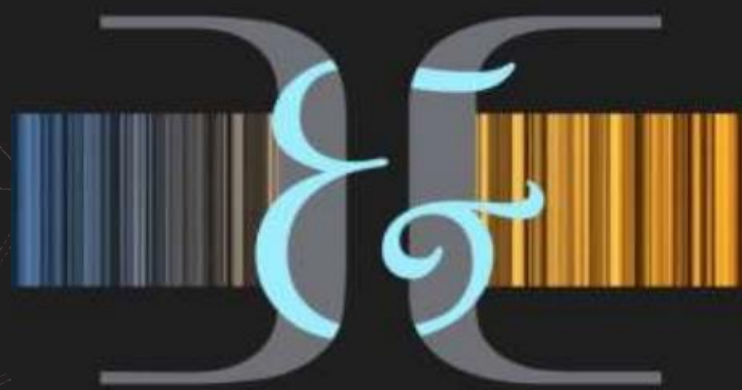

Move-in

It's all yours now

Congratulations! We are done. You can now move-into your dream home.

**Your happily ever after
begins here. . .**
