I Spy Letters – Coloring & Tracing Sheets

Let's learn letters in a fun way!

These sheets help children see, say, trace, and color each alphabet letter.

Every page shows dotted-line letters for tracing and pictures that begin with the same sound.

Children can trace the letters, color the pictures, and say the sound aloud.

These fun activities help children build writing skills, learn letter sounds, and enjoy early reading.

How to Use:

- Say the letter name and sound together.
- Trace the uppercase and lowercase letters on the dotted lines.
- Color the pictures that begin with the same letter sound.
- Keep tracing and coloring to become a confident reader and writer!

Printing Tip:

For best results, print on normal or thick paper.

Children can color the pictures with crayons or pencils.

Use a pencil or marker to trace the dotted letters.

Place the sheet in a clear sleeve or laminate if you want to reuse it.
