

EDUCATIONAL EXHIBITS

VIEWING AT THE END OF THE 200/300 ROWS

Exhibit co-chairs Gary and Judy Dobbins have assembled a great group of exhibitors this year! Educational Exhibits are impressive showcases of numismatic research, and the rare and unique numismatic items presented are always a must-see. There are competitive, noncompetitive, and Young Numismatist exhibits to explore.

Vote for the People's Choice award and enter to win a coin from the People's Choice Raffle. Exhibits are open for viewing all day on Friday and Saturday, and voting closes on Saturday at 2 p.m. The raffle drawing will be held at the Awards Ceremony on Saturday.

Thank You to our 2026 Educational Exhibit Sponsors!
