

SHOW HIGHLIGHTS

EDUCATIONAL EXHIBITS

We need your vote! Please make time to look over the Educational Exhibits at the end of rows 200/300, and choose your favorite exhibit before voting closes on Saturday at 2 PM. Every voter is entered to win a coin from the Voter's Choice Raffle. Educational Exhibits are impressive showcases of numismatic research. Don't miss this chance to see fascinating items presented by the Texas Numismatic Association's outstanding members.

EDUCATIONAL PRESENTATIONS: The TNA is thrilled to host five educational presentations this year. Most presentations are in breakout room "Boardroom." Topics include grading standards, coins from the time of Jesus, Daniel Carr and his Moonlight Mint, difficulties with third party grading companies, and a story about "Peter the Eagle" from the Philadelphia Mint. Read presentation summaries and learn more about the speakers on the following pages of this convention program.

SILENT BOOK AUCTION: In numismatics, collecting, and history, there is always more to learn. Enhance your library and find a great deal at the Silent Book Auction, located at the end of rows 400/500. The auction closes at 2 PM on Saturday.

YOUNG NUMISMATIST ACTIVITIES

PENNY-IN-THE-SLOT & PRIZE WHEEL

Children 6-16 are encouraged to visit the TNA table at the end of rows 600/700 and see how many pennies they can place in an album in 20 minutes. Participants will receive a bonus bag of World coins and the chance to spin the wheel for an extra prize.

Albums and coins provided by the Texas Numismatic Association's Coins-for-A's program.

YOUTH AUCTIONS

We are thrilled to host Youth Auctions on Saturday at 11 AM and 2 PM to enhance the collections of the next generation of numismatists. Children up to 17 years old are given 20 "dollars" to budget and bid on their desired items. Sign up at the table near registration, and join us in breakout room "South Texas" for the auctions. Auction item viewing begins 30 minutes before each auction starts.

SCOUTS COIN COLLECTING MERIT BADGE WORKSHOP

Scouts BSA will be hosting a Coin Collecting Merit Badge workshop on Saturday from 12:15 to 2 PM in breakout room "Boardroom." The presentation will cover all aspects of the merit badge, and counselors will be on hand to review the Scouts collections for blue card signoff. Badge information can be found in the Coin Collecting Workbook at [scouting.org](https://www.scouting.org). All Scouts and Scouters will have an opportunity to earn a special activity patch while visiting the bourse floor.

Educational and youth outreach activities are made possible by the dues and donations of the TNA members.
