- 1) Approval of Minutes of Meeting No 31;** Approved
- 2) Declaration of personal interest in topics to be discussed;** none
- 3) Financial Report:** No payments this month
- 4) Reg 14 consultation.**

On the 12th September, 5 banners were put up in strategic locations in the village, e mails (to EGVRA and Forum members) were sent out and notices posted on Next door and the Greenies announcing the start of the consultation. Flyers are with Royal Mail for distribution from the 26th Sept.

However the letters to the Statutory Bodies, businesses etc has not been issued. It will take time to complete the gathering of e mails and so on to ensure all bases are covered.

Rob, Mike and Terry will liaise to get this done ASAP. Unfortunately, on the advise of RBC, the consultation period will need to be extended to 6th November to allow 6 weeks notice to the Statutory Bodies. All the e mails to the Statutory Bodies and businesses etc will have this revised date on them.

The flyers have the original date on them. In order to avoid confusion, given that the flyers go out next week, Mike suggested that we wait until they have been distributed, and then send out e mails etc informing everyone of the change, plus put stickers on the banners, and replace flyers at the 6 'hard copy' locations with ones with a sticker on them announcing the revised date.

5) Planning

Noting of substance to report other than RU.22/1168 Drone facility requires a letter, and RU.22/1142 Cherrywood Avenue requires a letter objecting to the extension of an HMO from 4 to 7 units. (as generally on principle we object to the trend towards HMOs and removal of housing for families that this results in)
