The Journey - May 1 - May 12, 2023

The United Kingdom (Wolverhampton, Wales, and Peak District)

King Charles' Coronation Day

The hotel was set up for Coronation Day. We watched the program at the Market.

We then attended the local celebration at the Cardiff Castle.

Susana organized a tea party at the hotel to celebrate.

Eating pho in the shadow of the Cardiff Castle.

May 7, 2023 Exploring the Beaches around the Swansea Area

We drove along the coast and saw miles and miles of stunning beaches and pristine water. Hikers can walk the entire coast via the coastal walking path. Our first stop after breakfast was - An Ice Cream Shop.

Love must be in the air that day. The Emporor re-enacted his marriage proposal to 仲基嫂 Rita. 他誠心下跪握緊她的手,大唱"點解我愛你"。鄧氏伉儷則面掛笑容,穿着情侶裝,擺著孖公仔的姿勢。Animals and People, Happy Together!

We had lunch at Worm's Head Hotel, overlooking the Celtic Sea. Quaint place. Excellent food. Tasty local draft beer. Stunning view. Free range sheep. Note how far The Worm's Head Headland is. Brenda 師姐 was a bundle of energy. She may have the shortest legs within the group, she was the first one and may be the only one who walked all the way to the Headland. We were too busy eating and talking.

Dinner at Volcano Japanese Restaurant

Cousin Mei Ling took care of our dinner reservation again. This time at an All-You-Can-Eat sushi restaurant, The Volcano. With 100+ items on the menu, we ate to our heart's content.

After dinner we checked out the Coronation Performance at the Cardiff Bay and walked back to our hotel. We enjoyed seeing Cardiff at night and walking off the calories from dinner.

真是出門遇食神,早午品嘗地道美食,晚上享用中、日、東南亞式食品。

Chapter 6. Final Stop - The Moor Grange Farm (摩郡農莊) at the Peak District

May 8, 2023

Moor Grange Farm is a paradise for sheep and lambs.

Welcome to Moor Grange Farm - A lovely Small Estate with incredible views in the heart of the Peak District!

This newly renovated property is set in 10 glorious acres in Flagg, Buxton with stunning views from its 1,400-foot elevation. It is 6 miles from the spa town of Buxton and the market town of Bakewell. There are many walking trails close by.

To secure the days we wanted we had to book in early December 2022 before we finalized the number of participants. So we have to select a facility with enough bathrooms for privacy and capacity to accommodate more, while keeping reasonable cost. After extensive research and based on input from Tsoi Sir and 鄧

師兄, we booked Moor Grange Farm for exclusive use of the 4 houses. There are13 twins, double or triple bedrooms: 6 at the main house, the Manor House and 7 in the three cottages.

Manor House can accommodate the entire group for all the meals. Calling for all gourmet cooks!!!

Living QES' Motto - "Prepare Yourselves That You May Serve", in Latin "Vos Parate Ut Serviatis", and in Chinese "修己善群."

The former camp wardens, scouts and members who experienced the QES School Camp brought back fond memories. Under their leadership, we all lived QES' Motto at Moor Grange Farm.

This trip shared the characteristics of life at the School Camp and our prior visits with Dr. Hinton. It was filled with comradeship and a lot of fun and laughter.

A Major Challenge - Allocation of Rooms

I must share this behind the scene story. It is such a blessing to have leaders who always put harmony of the group and fairness to all members a top priority.

On the way to Moor Grange Farm, Tsoi Sir, 鄧師兄 and I huddled at the back of the bus to discuss a very important topic: How to allocate rooms. We knew that the

buildings have been renovated recently but we had no good idea about the layout, room sizes, and how they compared to each other. Initially, we thought about putting the six of us at the main house simply to facilitate communication and coordination. However, the two wise leaders were concerned that this approach may not be viewed as fair. We could create a perception that we picked the best rooms for ourselves. We thought that drawing lots would be most fair. However, it was not that simple either. These 13 bedrooms have a combination of twins, double or triple beds. While most have their own bathrooms, a few have shared bathrooms. And we had couples, single male and females. After much deliberation, Tsoi Sir and 鄧師兄 devised a fair method that addressed all the challenges. It was ingenious! As it turned out, the best and largest bedrooms were indeed in the main house. The younger members got those rooms by the luck of the draw. 教授 got the top floor to himself. The drawing was truly objective and fair! 兩位掌門人青史留名。

剛剛入伙,大家齊齊喝一杯、茶、加啡、酒,各取所好。 下午行情,自由活動。五時預備晚餐,經驗廚師及學徒,歡迎參加。 午餐時,Tsoi Sir 宣佈團隊要員持家有道,理財有方,下令主廚們預備豐富的 晚餐。鄭首席廚師(鄭主廚)伉儷挺起胸膛,昂首潤步到肉類部門,豪氣地買 清光小鎮超市所有的頂級牛扒,顧客店員都露出艷羨的目光。

兩位掌門人可舒一口氣, 成功護送十八觀音羅漢安 全到達農莊。

平安到達,飲得杯落。 Tsoi Sir 似在玩魔術, Rita 驚訝,珊姐困惑。

團友們十分民主,年紀最 小的 Jenny 也有機會暢所 所欲言。尤其是 Jenny 最 切讚人,美言最動聽, 令人聽得心花怒放。 🕰

Bang Bang 嫂 Sunny 及 仲基嫂 Rita 第一次參加這不一樣的旅程,難得她們十分投入,積極地助廚,洗碗,洗掃,工作效率其高,令我們碗碟長食長有,能吃過不停。

鄭主廚烹飪技術高超,有條不紊,眼睛橫掃三隻鑊,氣定神閒地轉動十八份由三成 熟至全熟的牛扒,更要兼顧 special request 煎香牛扒邊的肥筋,鼻子嗅著牛油,香 噴噴的肥油用來撈飯。鄧師兄得到煎肥筋的優差,近廚得食,佔龍頭第一席。

教授衣著整齊歡迎嘉賓。

珊姐攤大手掌,鄭主廚及 Brenda 師姐 接力把食物送到。Emporor 則忙於捕

- Cereal, fruit & milk
- Yogurt & fruit
- Toast & jam
- Banana bread
- Pancake

- Egg, ham and bread

Nancy 師姐 got sick after getting off the Transatlantic cruise.

鄭醫師: For non-drinkers, the best practice to cure some cold and respiratory related illnesses is sniffing Gin/Whisky/Rum/Brandy/Vodka or any undiluted/high proof spirits.

Keep an inch of alcohol in a wide-mouthed metal water bottle; shake and sniff with both nostrils and mouth!

For drinkers, sip, sip, sip, straight up. No ice added. The drink will also keep you warm. (Me: No wonder so many people claimed to have a cold. (9)

The proof is in the pudding. The sniffer at Gordon's Gin worked there for 35 years. When he retired, he said the main advantage of his job was that he never had a flu or even a cold!

Once a doctor, always a doctor. In Cardiff, Nancy 師姐 bought some gin to sniff. It seemed to work.

Hip Hip Hooray, 鄭醫師!!!

入得廚房的鄭主廚,在廳堂變回頂頂大名鄭醫師兼無敵曱甴殺手 列系兒童心理學書籍作家,與我們分享豐富的經驗,特別個案及 心得,提供寶貴的意見,我們聽得津津有味,獲益良多。

鄧師傅擺出英俊小生呂奇的經典瀟灑姿態,講解十段錦之十巧手招數,衆人 洗耳恭聽!

學完十段錦到太極,Tsoi Sir 是太極高手,在大廳悉心傳授招數。師姐則在 隔壁開班以繪圖遊戲評估創意及創作力,初次玩此遊戲,令我們大開眼界, 加深認識了解自己及別人,有相逢恨晚之感。

鄧氏伉儷 treated us to a bottle of Baileys Original Irish Cream. Fine Irish whiskey and spirits + Irish dairy cream + rich chocolate and vanilla flavors = 超級享受. ♥♥↓ 鄧師傅 enjoyed the drink so much that he brought it into Tsoi Sir's Tai Chi class. He enjoyed the class so much that he even took a sip.

"What's for dinner?" "Princess Chicken with ginger green onion sauce would be great! Too bad we don't have a big cleaver knife and chopping board." Brenda 師姐: "有幾難啫! Princess Chicken it is." Her can-do responses were music to our ears. By popular demand, Vermicelli with Veggie and Dried Shrimp was on the menu again, together with veggie and marinated meat.

✤ How was dinner? Yum yum great!! 鄭氏出品,必屬佳作. Action spoke louder than words. 鄭主廚精力旺盛,站著一整天煑食,坐下忙於分享食經 及醫學心得,說得興高采烈。團員們低頭苦幹,專心品嘗,吃到不亦樂乎。

收拾完畢正預備到蔡家大宅懷緬 Dr. Hinton 一生,我請大家留步看看 Brenda 師姐的白葫蘆裡賣什麼藥。

巧遇 Tsoi Sir ,美蓮同在五月生日,大家齊慶祝, Brenda 師姐做了生日 ^{△●}助 慶藏在白葫蘆底。Happy Birthmonth to 壽星女,壽星公! 砚天天健康,日日 平安。心想事成,身心康泰。萬事如意,精神爽快。管他幾歲,開心萬歲。

鄭主廚:仲有攝影師我喺度呀!老婆大人,我跪吓你啦,留番個位俾我呀!

大隊前往 Tsoi Sir 農莊大宅欣賞校長生前有紀念性照片,懷緬他對伊中的貢 獻,然後高唱校歌,一起懷念過去的歲月,為紀念韓敦校長之程序畫上完美

Bidding Farewell at The Moor Grange Farm Once

Frank: ⊳ Special! Special! 雙喜臨門!!! Two more lambs were born today.

This one, one of the twins was born two days ago.

These two became big brothers to 4 little lambs.

◆美中不足,Nancy師姐病了多天,幸得鄧師兄體貼入微,長程護駕,更得鄭醫師的杜松子酒良方,漸漸復原。

十分期待香鬆酥軟的煎豬扒,鄧師傅用十段錦的手法按摩豬扒令調味料入味,李師兄及 Brenda 師姐則用"打小人"手法令豬扒鬆軟。

難得鄭主廚有機會偷得浮生,坐在梳化休息一會兒。

珊姐 discovered the joy of cooking? ^{€●} 教授則無從入手,教 書容易得多了。€[●] 美味動人的背影圖 The Three Most Beautiful Backs!

When we saw those backs facing the stoves, we know good food was on the way!

We believe in "Waste Not, Want Not." When we visited the School Camp, after we got off the truck we had to carry the groceries on our back and walked miles to reach the camp site. We learned to value all the groceries we brought and put everything to good use.

How about some breakfast? Looks familiar? We used the bones of the Princess Chicken to make stock. The thousand-year-old eggs transformed the leftover rice and the chicken stock to creamy congee. We shredded the leftover chickens to put in the congee. The result - a flavorful pot of shredded chicken and thousand-year-old egg congee.

Cruise Group and London Group, we will miss you. Safe Travel & Bon Voyage!!!

Due to train strike and concerns about traffic, the Cruise Group and London Group decided to leave a day earlier. The Cruise Group will meet new members:

- -Wat Kwong Sang 屈抗生師兄(58FA)
- -Sung Manling 宋曼玲師姐(59FA)
- -李賜恩師姐 (59FA)
- -丘銘劍

-Reza Hoshmand (Tsoi Sir's brother-in-law, husband of his late sister 蔡荔生師姐, 64FA)

At 3 p.m., they bid farewell to Moor Grange Farm. Dinner was not the same without them. So sad!

Chapter 7. Farewell Dinner at Tai Pan Restaurant, Milton Keynes

May 11, 2023

大隊離開農莊 飛奔大班飯店。在飯店與 Ling Barrett 李潤玲(73 FA), Vivian Lee 李詩潔 (59FA) 與夫君 Horace Knight (前香港教育署負責工業教育的副署 長),任老闆的朋友 Grace 及剛在美國大學醫學院畢業的女兒Meimei 會合,吃了一頓出色美味的晚饭。

更有趣的是,生日統計资料顯示,在23人中,有50%機會有兩個人的生日會 相同(Tsoi Sir 更用公式引證)。而在75人中,有99.9%機會兩個人的生日會 相同。在這一20人组竟有五位五月之星,有機會一同在異地慶生,更有特 做的壽包助慶,真是難忘。感謝大班飯店任老闆 Thomas Yam 任永樂 (65FA)熱情款待,團員們真是口福不淺。

在通往機場之路,伊中校友們能在「大班」聚餐,往往為英倫之旅劃上一個 完美的句號!

砚「大班」生意興隆,受到食神及財神的眷顧!

佳餚美酒食, 濃情厚意,中西生日美點。

套用諾貝爾文學獎得獎者莫言作品之"同學情!"某些字句:

"同學讓我們找到了歲月的光芒萬丈。有同學的地方,無論是大魚大肉還是 小菜小湯,都是讓人沉醉的地方。常來常往,格外芬芳!有同學的地方,就 是景色最漂亮的地方。"

☞☞☞2024 年與大家在十一月二十三日的伊中七十週年慶典見面 - 請留意通告!

按照統計學原理,二十人中竟有五人同月慶生,可算特別巧合。

合家歡,笑容可掬。五個壽辰,良辰美景,好酒香濃,人情更濃。

Chapter 8. Bidding Farewell to Moor Grange Farm Again

May 12, 2023

Farewell Moor Grange Farm again!

Beautiful drive through the hilly countryside to the airport.

Group Members: Our heartfelt appreciation to everyone! We had a wonderful time reminiscing Dr. Hinton in a camp life environment, one of his signature accomplishments at QES. Happy to report that the QES Motto - "修己善群" is alive and well. "談笑有學友,訴盡伊中情" (出自 Emporor) 的日子特別難忘。

Thank you everyone for the memory!

Frank: Just read this in an article: "Money always comes back, but if you miss out on an experience, the opportunity may never come back." This is so true at our age. I have fond memories of traveling with the group, paying tribute to Dr. Hinton, and staying at a sheep farm while four lambs were born (Who would have imagined that?). Wonderful experience!

Nancy 師姐 (65FA): Much relieved that our UK journey concluded without a hitch... phew! Thanks to our planning "heads" -- Tsoi Sir, Angie, and my hubby, James! With their months' of hard work our ultimate mission has been accomplished!

Acknowledgement of Key Contributors

How good was the plan? The proof was in the pudding. And the test of the pudding was in the eating!

We all had a fabulous time! It was simply "Supercaliflawjalisticeexpialadoshus" -Grand, Glorious, Splendid, Superb, and Wonderful. This unique word from the movie Mary Poppins says it all.

We appreciate the enthusiastic participation and support of all members!

On behalf of the Planning Committee and our group members, I would like to express our heartfelt gratitude to the following individuals whose extraordinary collaboration and support made this trip a success. They truly lived the QES Motto

- "修己善群", "Prepare Yourselves That You May Serve."

Host

Thomas Yam (任永樂師兄), (65FA) for his hospitality in organizing lunch,

dinner, and birthday celebration for our group. Dining at TAIPAN always guaranteed good menu, great food, wonderful time, and precious memories. This tradition continued. The proof is in the photos!

Advisors

Amy Cheng (鄭綺艷師姐), (66FA) for volunteering to help us plan our programs in Wales and connecting us with local experts.

Ling Barrett (李潤玲師妹), (73FA) for volunteering to help us plan our potential side trip to Portugal and the trip to Peak District.

Both provided extensive information and invaluable insights to facilitate our planning and decision making.

Planning Committee and Group Members

Tsoi Heung Sang (蔡香生師兄), (59FA) for leading the group from planning to post-trip account settlement. In addition to providing leadership and oversight in all details that matter, he also served as the Budget Director and Accountant, and he spent considerable time and effort in coordinating the Hong Kong subgroup. We appreciate his diligence in compiling Dr. Hinton's photo collection and sharing his insights. Tsoi Sir, 鄧師兄, 及 Nancy 師姐 are the Walking Encyclopedia of Dr. Hinton's life and career.

I appreciate greatly his support in providing photos and stories, validating information, and reviewing this trip report.

Lai Yuet Sum (黎悅心師姐), (59FA) for assisting Tsoi Sir in coordinating the Hong Kong subgroup and the post-trip cruise, and providing him timely, on-site assistance. Whatever he needed, 師姐 was only a few steps away and in the same time zone! We are also thankful for her thoughtful travel gift.

James Tang (鄧漢杰師兄), (61FA) for researching, selecting and negotiating transportation, selecting destinations and programs, setting up the daily routes, adapting the programs as needed, and providing support to me and Tsoi Sir in whatever we needed. The room allocation scheme designed by him and Tsoi Sir was thoughtful, brilliant and fair!

Nancy Tang (梁潔詩師姐), (65FA) for offering feedback on our trip plan and providing extensive information about Dr. Hinton and his photo collections. She and Tsoi Sir are the Walking Encyclopedia of Dr. Hinton. They have memories like elephants and validated my research for Book 1.

Brenda Hon (韓建芬師姐), **(61FA)** for being our global banker. She handled all our financial needs in UK with distinction. 錢不是萬能,但沒有錢則萬萬不能。

This was the first time we met. When Team Cheng, 鄭氏私房菜 volunteered to help with grocery shopping and cooking, I thought it was 客氣說話. I totally underestimated them. Multi-tasking, creativity and improvisation were second

nature to them. We collaborated to create the menu on the fly at the grocery stores. To save time, we shopped during our lunch break. We ran through the aisles like the chefs competing on the cooking shows. Lo and behold, they were in charge of cooking all the main meals. Steak, Lamb, Chicken, Pork Chop, and side dishes all got rave reviews.

鄭氏伉儷真是名符其實入得厨房,坐得银行大班房及醫生房。

Muk Noong Cheng (鄭牧農師兄), (61FA) for being the Co-Chef of Team Cheng, our resident physician and expert on Gin/Whisky/Brandy Therapies, consultant on psychiatry matters, and a great storyteller. 他的醫術, 廚藝, 說故事技巧都是一絕, 我們獲益良多。

Steve Wong Chung Kee (黃仲基師弟), (69FA) for being our Head-Chef for 爺爺 私房中菜; booking various dinners in Cardiff; treating us to fish and chips in Wolverhampton; being the lead singer and dancer; and improvising poems and comedies.

Steve 週身刀,張張利。如魔術師,他把吃剩的西菜變成衆人喜愛的中菜-炒飯,粥,及鍋粑。如流動流聲機 (Jenny 給他的外號),他的歌舞引起我們 的共鳴。他的即興詩詞表演引得我們會心微笑,哈哈大笑,真是我們的開心 果。

Bang Bang 嫂 Sunny Lee 及 仲基嫂 Rita Tse for being such great helps in cleaning dishes, tables, kitchen, etc. If we left our unfinished food unattended, they could be gone the next minute. They were far more efficient than the dish washer. They turned piles of dirty dishes into clean ones expeditiously, ready for our chefs to fill up the plates again and again. They worked at rock and roll speed while the dish washer waltzed along.

This was their first trip with the group, but they blended right in. It was Rita's first time to see the QES spirit in action. Seeing was believing! She was overwhelmed by our teamwork and the comradeship.

Thanks to all the contributors and the participants. Your enthusiasm, support and engagement made this trip a meaningful, wonderful and memorable experience!

See You at QES' 70th Anniversary Celebration on November 23, 2024!

Until We Meet Again, Angie Chin (司徒娟兒), 68FA
