ABOUT US

SINCE
IDEAS & WHAT NOT
2021

At **SAVI**, we recognize that genuine learning extends beyond textbooks. While academic content serves as a fundamental pillar, true comprehension is cultivated through curiosity, critical analysis, and practical application.

Our pedagogical approach is designed to foster intellectual inquiry, develop analytical proficiency, and seamlessly integrate theoretical knowledge with real-world relevance.

ADMISSION PROCEDURE

Step-1

Sign-Up

Complete the admission form by providing a brief introduction about yourself, along with a resume if available.

Step-2

Online Interview

After submitting the application, a scheduled formal interview will be conducted via phone call by our team as part of the next step in the admission process.

Step-3

Credential Verification

Once the admission fee is paid, the candidate's certificate verification process will be conducted on campus, followed by a one-on-one interview. After the interview, the candidate will be admitted into the institute.

Step-4

Enrollment

On orientation day, the candidate will receive a welcome kit along with their ID card. Following this, Cohort-1 will officially commence.
