Differentiators

- Over 25 years of experience in government administration working with local, state, and federal agencies
- Tailored solutions to support new and existing programs
- Agile and flexible scheduling to meet in-person, virtual, or via phone
- Low overhead costs and can tailor services to be responsive to agency budget goals
- Understands government staffing, budgetary, and regulatory constraints
- Past projects have improved the customer and staff experience, reduced operating costs, and increased quality of work

Client Testimonials

"I wanted to express my sincere gratitude for your leadership and the incredible work you do. Your dedication and expertise directly enhanced the quality of life for our residents and your help has been invaluable to the City of Roy and our public works operations." - Mayor Kimber Ivy, City of Roy, WA

"Thanks to Jen's passion and technical expertise, our utilities and energy security program improved dramatically, leading to better outcomes for our organization. Jen's work transformed our policies, capital investment plan, and our building efficiency programs, significantly reducing operating costs and improving our ability to serve the Marine Corps community." - Randy Monohan, HQ Marine Corps
