

COMPANY PROFILE

Driven by Purpose, Built for Impact

Smart Solutions construction & Maintenance LLC provide the best engineering services in the field of Commercial and Residential Fit outs, Mechanical, Electrical, HVAC and plumbing. Today Smart Solutions construction is one of the leading Fit out & MEP service provider ,which is backed by qualified, dedicated and experienced engineering professionals.

Growth and Commitment

SSCM has grown from a single company to a group of companies through disciplined work culture and customer satisfaction. Utmost importance is given to client's requirement and executing the work in time in the most economical way as possible and without compromising quantity, quality & service.

Innovation and Success

SSCM has stood the test of time proving its excellence from time to time by adapting new innovation and technological advancement and healthy work culture. Accomplishing many projects along the way

OUR CEO'S MESSAGE

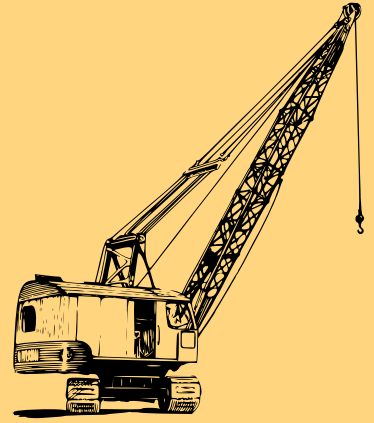

Smart Solutions Construction was founded through a blend of visionary ideas, passion, and a seized opportunity, with the aim of building Highdeen into a fully independent engineering entity. By developing in-house divisions and minimizing subcontracting, we ensure efficient resource utilization and faster service delivery. Our rapid growth is driven by a deep understanding of client needs, practical execution, and a commitment to setting standards through our work. As we continue to expand and enhance our services, we remain grateful to our clients whose trust and vision have been vital to our journey and future success.

JOINERY

Work

Our workshop has over 10 years of experience crafting custom wooden furniture in Moscow, using solid wood, chipboard, and eco-friendly materials. Our passionate craftsmen approach each piece with care, transforming every project into a journey toward perfection and customer satisfaction — even when navigating the chaos of complex commercial demands.

SINCE 2022, BAB HAS SPECIALIZED IN INSTALLING INDUSTRIAL AND RESIDENTIAL DOORS, GATES, SHUTTERS, AND BARRIERS. KNOWN FOR ENGINEERING INNOVATION, BAB DELIVERS ACCESS SOLUTIONS TAILORED TO THE NEEDS OF HOMES, BUSINESSES, AND INDUSTRIES WORLDWIDE.

AUTOMATIC DOORS

SERVICE

A photograph of a commercial kitchen with stainless steel equipment. On the left is a Vulcan pizza cutter. In the center is a large, multi-door refrigerated storage cabinet. To the right is a Vulcan commercial oven. The background shows more kitchen infrastructure and a bright window.

COMMERCIAL KITCHEN EQUIPMENTS

Commissioning of commercial kitchen, refrigeration, and laundry equipment to all sizes of hotel projects, hospitals, central kitchens, inflight kitchens, restaurants, and private villas. For more information contact us.

A stainless steel pot with a lid and a kettle are placed on a dark kitchen counter. The background is a light-colored wall with a decorative border. The text "REPAIRING OF HOT AND COLD KITCHEN EQUIPMENTS" is overlaid in large, bold, white capital letters.

REPAIRING OF HOT AND COLD KITCHEN EQUIPMENTS

We provide expert repair services for both hot and cold kitchen equipment, including refrigerators, freezers, ovens, grills, and more catering to restaurants across Dubai and Abu Dhabi. Whether it's routine maintenance or emergency repairs, our skilled technicians ensure your kitchen runs smoothly and efficiently.

HOOD & DUCT CLEANING

We supply a wide range of ducting and HVAC solutions, including humidification, exhaust, round, and air-conditioning ducting, as well as piping for cotton and waste conveying systems. Our expertise also covers volume control dampers, air washer internals, bird screens, airtight doors, and high-quality SS or aluminum kitchen hoods. Designed for durability, performance, and high-temperature resistance, our products meet the specific needs of AC plants and industrial systems.
