From the Minister's Desk . . .

-- I am back in the office from my vacation and happy to receive pastoral emails and phone calls once again. I wish to express my thanks to those who created and led worship services while I was away. It warms my heart to be part of such an incredibly skilled, talented, and loving community of faith. Christ's blessings to you all.

To respect personal privacy and to comply with privacy laws, council has decided that **written permission be obtained before photos or audio/visual recordings are posted to media sites/platforms such as the church website, the church FaceBook page, YouTube, etc.** Council has approved a release form for use at AUC. If you agree to have your photo and/or audio/visual recordings appear in media, please complete and submit the release form that will be available at the church starting this Sunday.

The number of accessible parking spaces near the main entrance has been increased. Please look for the signage indicating the spaces reserved for those with mobility challenges. **Thanks to Brian, Bob, and Dennis for installing the signs.**
