POSTCARD

Dear United Church Friends,

Central Okanagan United is a newly formed faith community comprised of the former congregations of First United, St. Paul's, Rutland and Westbank United. We officially amalgamated on July 4, 2021, presided over by then-Moderator the Very Rev. Richard Bott who said he thought we were possibly the only church to officially amalgamate during the pandemic! We have an active congregation of 400 households & are blessed to have all ages from babies to centenarians, a Sunday School, youth groups and men's & women's groups! We are an Affirming congregation with an active outreach ministry, providing meals and groceries to more than 100 people each week. We have many activities planned to mark the 100th anniversary including organ concerts to showcase our Casavant organ which is also 100 years old, a gift from the UCW at the time of church union, an Anniversary Tea, special worship services including a livestream of the National Worship Service followed by lemonade and birthday cake on June 10, a faith & justice speaker series in the Fall and CGIT Vesper service in December.

Greetings from your siblings in Christ at Central Okanagan United Church. Happy 100th anniversary! And thanks for inspiring and organizing this project!
