Greetings from Historic Bonavista (also known as the most Road-tripable location in the Country!) You should come visit us!

We are a congregation of approximately 325 families, with various small group ministries.

We are the 4<sup>th</sup> church on this site. We have strong Methodist roots and a congregation that dates back to 1814.

We are excited to be celebrating the 100<sup>th</sup> Anniversary of the United Church of Canada and look forward to where God is leading us.
