

Dear Friends,

This is a painting that was done by one of our congregation to celebrate our 115th yr. as a church. We are now 117thrs. old!

Peterborough is our city. We are home to the highest hydraulic Liftlock and the Canadian Canoe Museum. We share our building with the New Canadians Centre which helps immigrants settle in this area. Peterborough is about 1½ hrs N.E. of Toronto. and is on the Trent Severn Waterway!

I have been a member of St. James for 45 yrs and am the President of the U.C.W. I am also in the choir.

Blessings to all of you.

Marney Horton
St. James United
