

Dear Friend,

We are a small rural church just north east of London, Ontario under the leadership of Rev. Pam Wilcox. Our average attendance is *forty three* per week and we offer Sunday School and Nursery. We have a choir of eight with a talented pianist. Bible Study is held weekly. Our UCW is very strong with seventeen active members. We have a Good Neighbour Project which is connected to the Canadian Foodgrains. We do many community outreach events such as Strawberry Supper, Beef Supper, and Monthly Food Drives. Every summer we have an Ecumenical Vacation Bible School and our Sunday services are held outside weather permitting. We feel these are all important to our church.

Thanks for sharing with us!
