

Shawville United Church

Shawville, Quebec

Dear Friends,

2503190453

I go to Shawville United church. Shawville is a small rural town in Quebec close to the Ottawa River. Our town is largely an anglophone community.

Our church attendance is about 50. We have a talented choir and an active Sunday School. We also have a busy thrift shop that serves our community.

I'm a retired medical secretary and active in our UCU.

Your new friend,
Danielle
