Dear Friends,

I bring you greetings on behalf of McClure United Church in Saskatoon.

Our church has a senior high ris and an assisted living facility attached (Amy McClure House).

In honor of our namesake, Dr. Robert McClure, the congregation has made Outreach our main mission.

Our Outreach Committee is constantly looking for new ways to challenge us and I can honestly say our congregation is very generous and works hard to make these service projects work.

We are a unique congregation in that we have a Covenanted agreement with Holy Spirit Roman Catholic Parish. We are celebrating the 25th anniversary of that covenant this month.

We hope this finds your congregation flourishing and wish you well in the years to come. Yours in Christ, Carl
