

# Situation Report #1: 2025 Texas Flooding

July 6, 2025

## OVERVIEW

Severe flash flooding across Central Texas– including Kerr, Kendall, Burnet, Llano, and Tom Green counties– resulted from intense rainfall (10 to 12 inches in a matter of hours). The Guadalupe River exceeded 29 feet, causing widespread infrastructure damage and multiple fatalities. Emergency operations remain active.

## POWER AND UTILITY STATUS

There are **no widespread power outages** in Kerr County or surrounding areas. Electricity services remain stable, with only isolated disruptions reported by the Kerrville Public Utility Board in Southeast Kerrville, Center Point, and Hunt. No utility-related disruptions to medical operations have been reported ([Kerr County Lead](#)).

## HOSPITALS AND ACUTE CARE

- **Peterson Regional Medical Center** and the broader **Peterson Health system**, which operates 18 facilities across nine counties, remain **fully operational**.
- **HRA has spoken directly with Peterson Health**, which confirmed **no change in operational status** across its facilities. Emergency, inpatient, outpatient, and specialty services continue as normal ([Peterson Health](#)).
- No licensed hospital or clinic closures have been reported in the region.

## COMMUNITY CLINICS AND OUTPATIENT SERVICES

- **Peterson Community Care Clinic** continues to serve uninsured and underinsured patients.
- **Peterson Urgent Care** and the **Medical Plaza** remain open.

- **Pevehouse Ambulatory Care Center** is fully operational, offering outpatient imaging, rehabilitation, surgery, wound care, and lab services.
- The **Cailloux Professional Building** continues hosting specialty services including cardiology, women's health, and vascular surgery.
- The **Raphael Community Free Clinic** at 1807 Water Street is presumed operational but not yet directly confirmed; outreach is ongoing ([Raphael Clinic](#)).

---

## VETERANS AND MENTAL HEALTH SERVICES

- **Kerrville VA Medical Center** remains open and is providing full services including primary care, mental health, geriatrics, dental, and dialysis (VA South Texas).
- **Kerr County Mental Health Center** and **Kerrville State Hospital** continue psychiatric and crisis stabilization services with no reported disruptions.

---

## FEDERALLY QUALIFIED HEALTH CENTERS (FQHCs)

There are **24 FQHCs within a 50-mile radius** of Kerrville serving low-income, uninsured, and underinsured patients.

- **Operational status for these centers is still being assessed.**
- HRA is coordinating with regional partners, clinic associations, and public health agencies to confirm access and capacity.

---

## SHELTERS AND DISPLACEMENT

### **Open Shelters (Kerrville and Surrounding Areas):**

- First United Methodist Church – 321 Thompson Dr., Kerrville
- Calvary Temple Church – 3000 TX Loop 534, Kerrville
- Notre Dame Catholic Church – 909 Main St., Kerrville
- Comfort High School – 143 Highway 87, Comfort
- Immanuel Lutheran Church – 318 High St., Comfort
- First Baptist Church – Kingsland (Llano County)

- Tom Green County 4-H Center and PaulAnn Church – San Angelo

#### Reunification Centers:

- Arcadia Live – 717 Water St., Kerrville
- Ingram Elementary School – Ingram, TX

Feeding operations are supported by the Southern Baptists of Texas. Medical care at shelters remains limited. Triage, behavioral health, and chronic care needs are being evaluated in coordination with EMS and NGO partners.

## POPULATION AND DEMOGRAPHICS

### Kerrville (City)

- Population: 24,278 ([U.S. Census](#))
- Median age: 41 years
- Racial/Ethnic Composition: ~65% White (Non-Hispanic), ~28% Hispanic or Latino
- Median household income: \$59,000
- Poverty rate: ~12%

### Kerr County

- Population: ~52,600
- Median age: 49 years
- Median household income: \$68,000
- Estimated health insurance coverage: 82% to 96%, depending on region and payer

## RESCUE AND CASUALTY FIGURES

- **Over 850 individuals** have been rescued across affected counties.
- **59 confirmed fatalities**, including 21 children.
- **12 individuals remain missing**, including 11 campers and one counselor from Camp Mystic.

## INFRASTRUCTURE AND ACCESS

Road closures are significantly affecting access to medical care and shelters. Confirmed impassable routes include:

- Arcadia Loop
- Guadalupe Street
- Thompson Drive (most sections)
- Rio Robles
- Riverside Drive

These closures are confirmed by local emergency services and city authorities. Bridge inspections are ongoing, and travel remains hazardous in several rural zones.

---

## WEATHER OUTLOOK

### July 6–7:

- Heavy thunderstorms with localized downpours and renewed flash flood risk.
- Forecast conditions may further restrict access to affected areas and delay recovery operations.

### July 8–12:

- Weather expected to stabilize.
- Partly sunny with daytime highs in the low 90s and overnight lows in the low 70s.
- Conditions favorable for expanded assessments and mobilization of resources
