

12 NOON – 2 PM EVERY THURSDAY - HOT DOG HANGOUT ST JOHN'S CHURCH

At our 'Well-being Brunch' session folks take the opportunity to relax, chill out for a couple of hours in a small & very informal group & have a gentle chat whilst indulging in **free** tea/coffee/hot chocolate, biscuits & a freshly made Hot Dog. A vegan hot dog alternative is also available. All the usual sauces are present to accompany your hot dog including dried crispy onions.

Also to hand, if required, a selection of indoor games with Chess being the most popular of late. Or, if you wish to let your 'inner artist' fly, there is plenty of arts & crafts materials to express your skills & talents with – whatever level they are.

CAVDAS kindly let us use their room at St John's Church. It is the former 'Tea Room', upstairs (apologies if you have mobility challenges) & the route is clearly marked with posters from the entrance that look like this:

Phoenix Heroes
