

1 PM, 1st & 3rd MONDAYS - ST JOHN'S GARDENS LITTER-PICK

Another collaborative community activity with The Wambles of Wales - SYTL at what is a new litter-picking location for us. Takes place at 1 pm every first & third Monday of the month. We meet at 1 pm, just inside the church entrance.

The 'Heroes' litter-pick St John's Church garden area before moving on to St John's Gardens directly opposite. The Wambles litter-pick the surrounding streets, Working Street, Trinity Street & St John Street & sometimes, we all muck in together.

As usual, a safety brief is given prior to the litter-pick starting & all necessary equipment is supplied: high-viz waistcoats, gloves, pickers, litter bags & bag hoops. We also have approved 'Sharps' bins for broken glass, which we often come across. The pick usually only takes around an hour & a half.
