Around here, when someone says they'll do something...

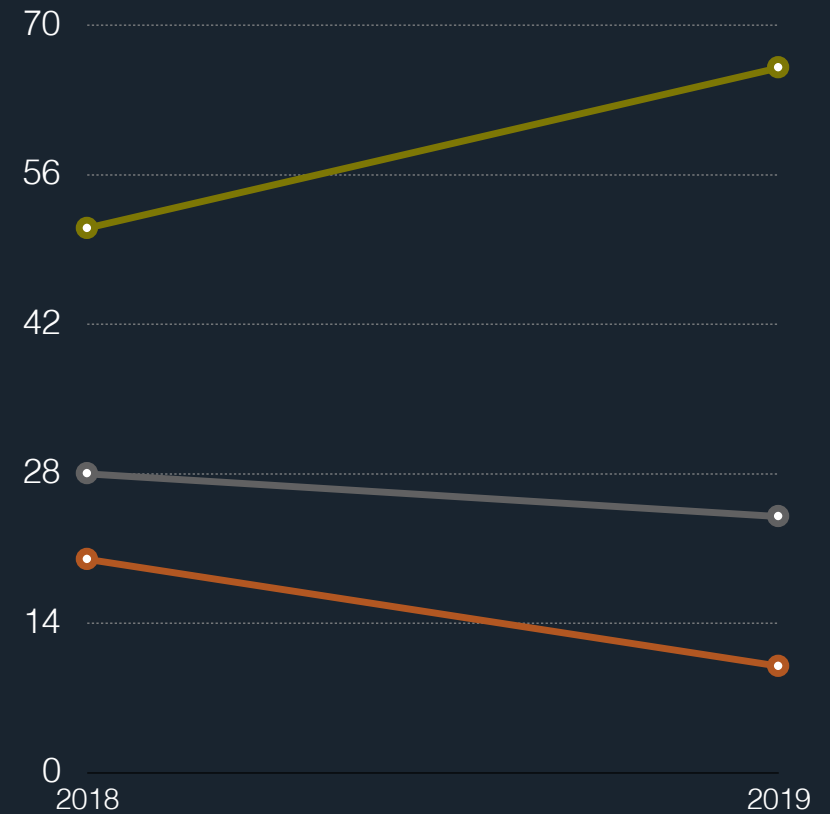

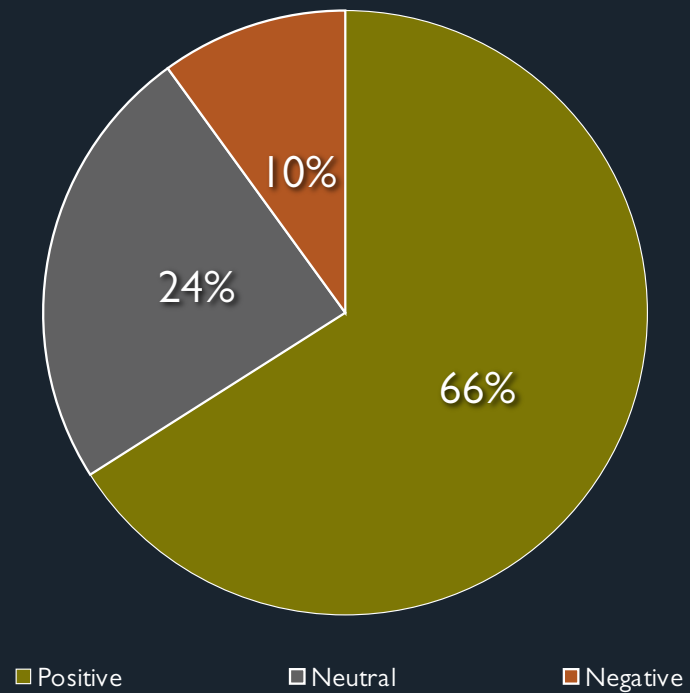

Around here, when it comes to being empowered...

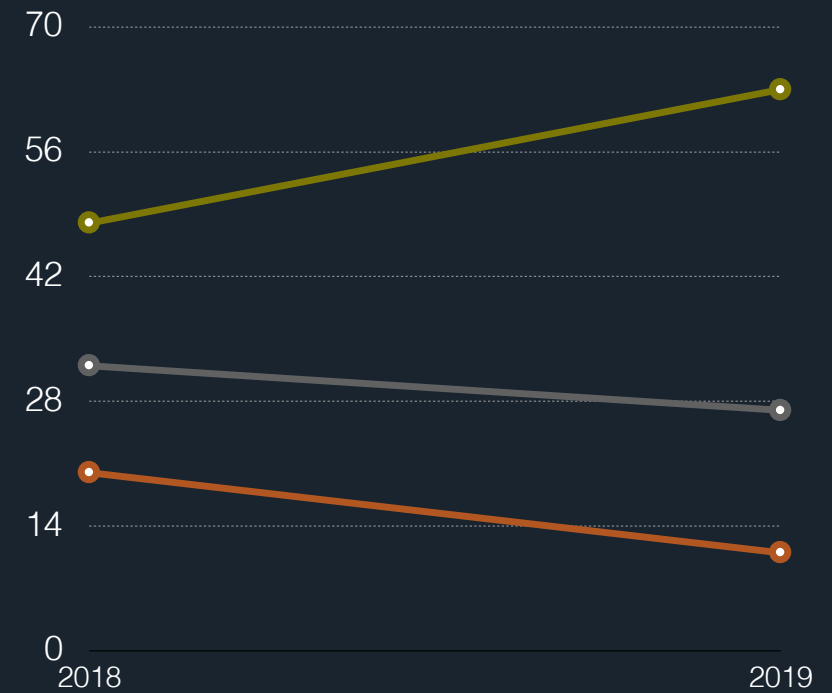

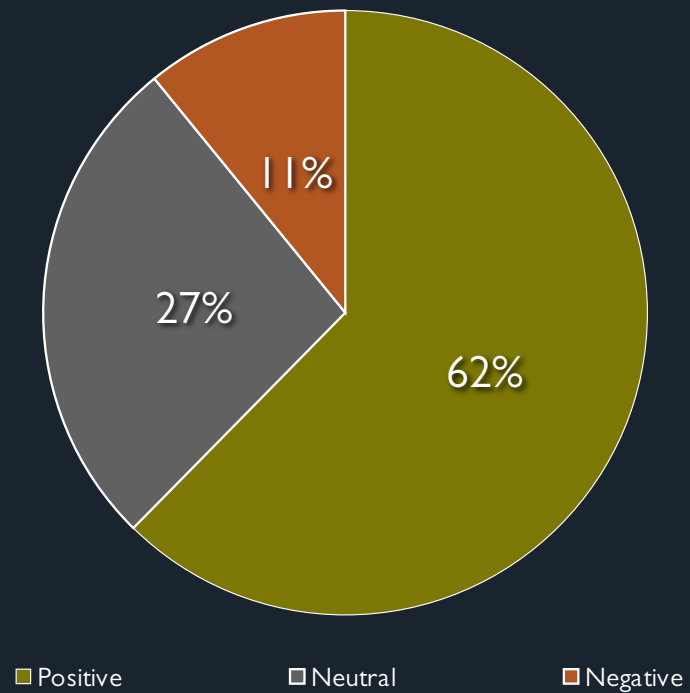

Around here, when someone needs to be challenged...

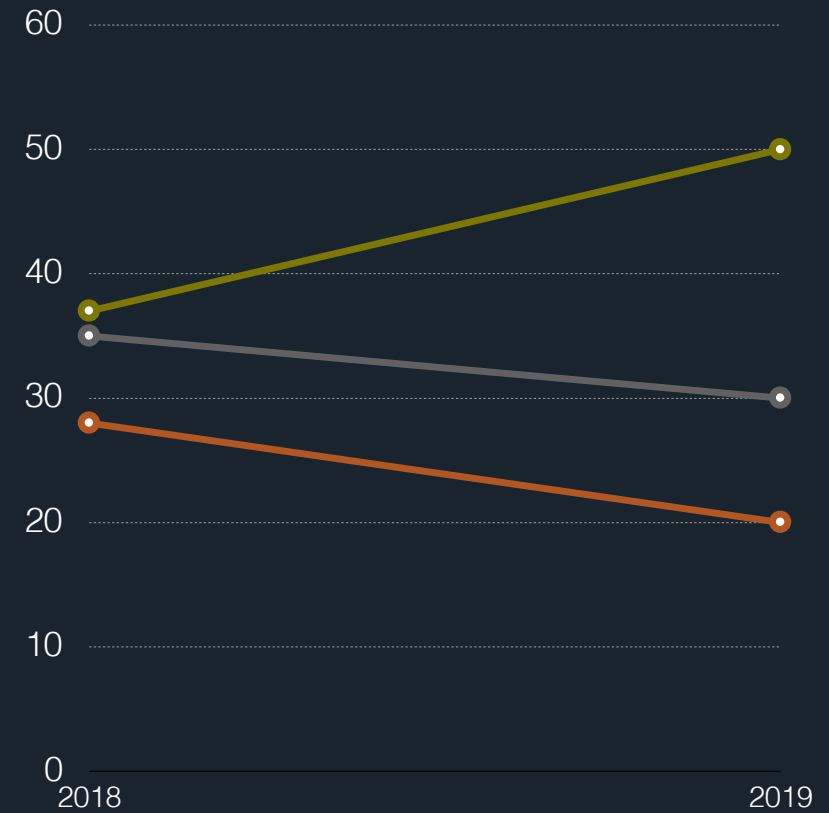

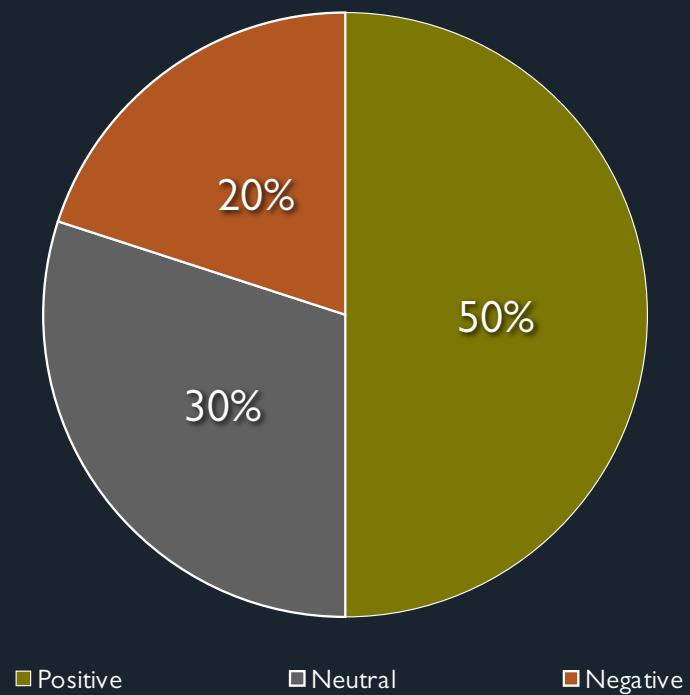

Around here, when it comes to working in a flexible way or trying something different...

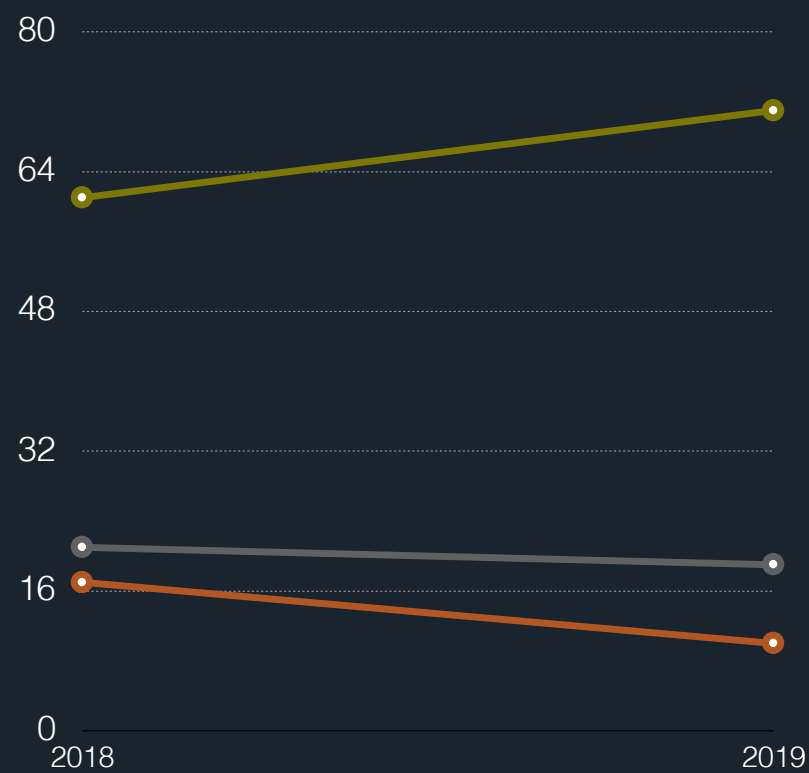

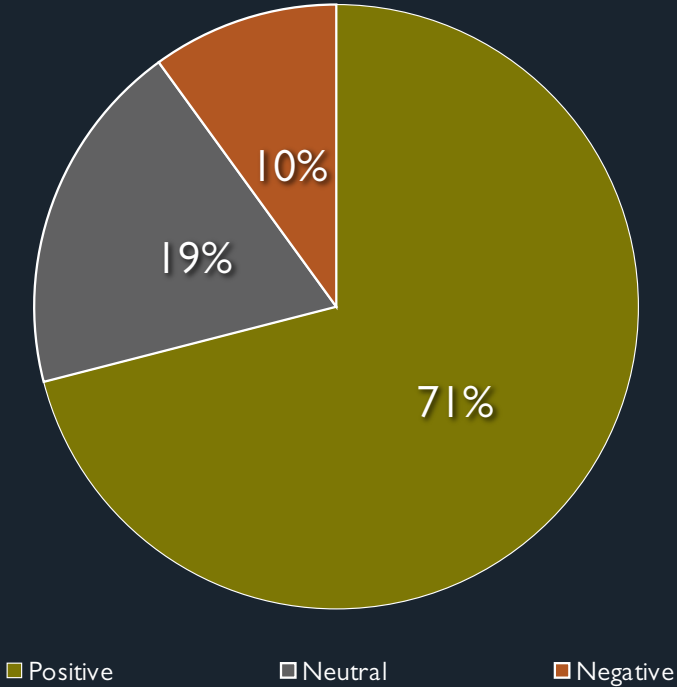

Around here, when someone comes up with a new idea...

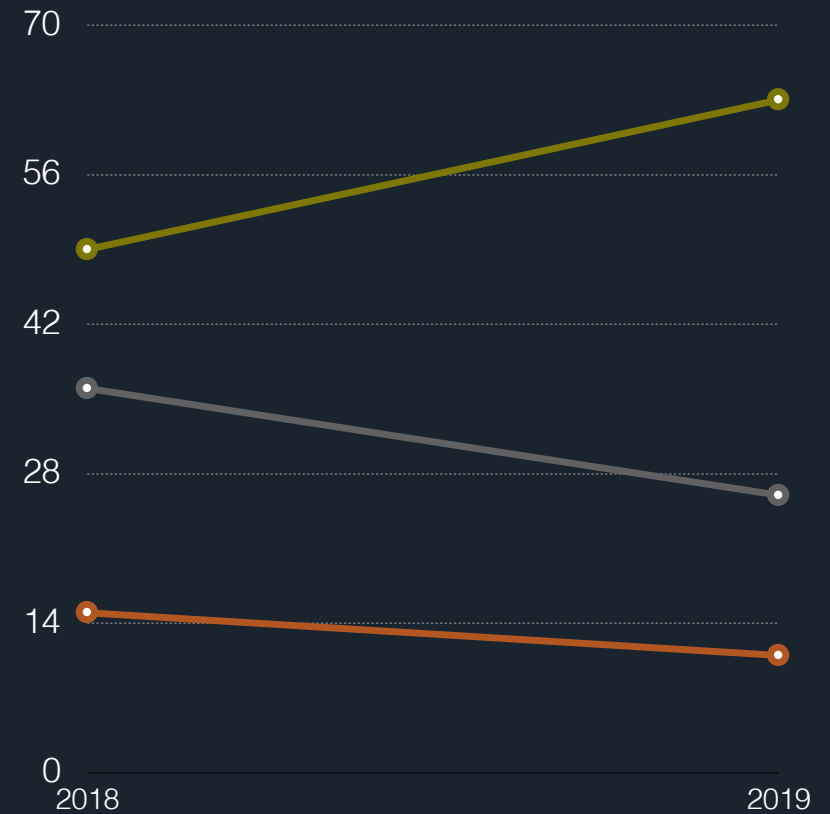

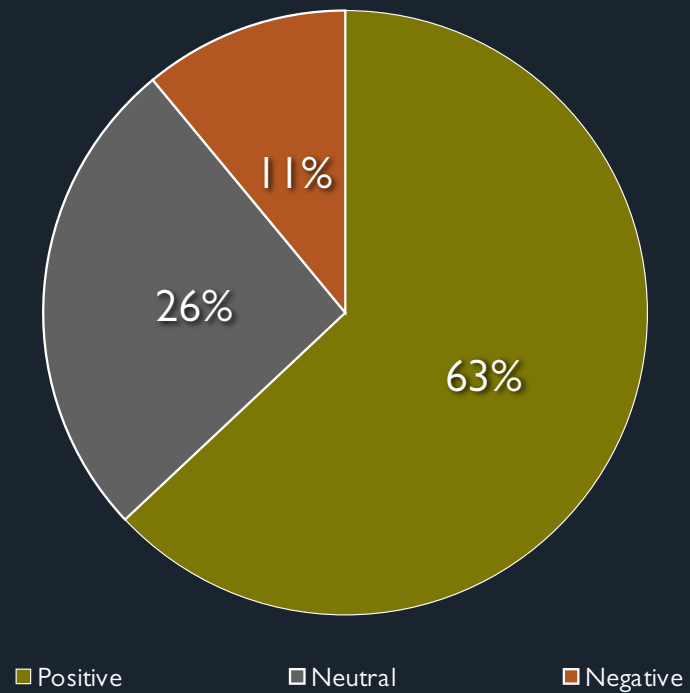

Around here, when it comes to having a 'results' orientation...

Around here, people are treated...

Around here, when it comes to people being authentic...
