CREATE YOUR DREAM BATHROOM

in 5 easy steps

1. PLAN YOUR BATHROOM

Look at the space available and think about who will be using the bathroom. Plan in cabinets, a toilet, basin, tap, bath and shower that fits around you and your lifestyle. Consider cabinets that include ample storage space and are easily accessible for those much needed items.

2. FIND THE LOOK

Carefully consider furniture styles that co-ordinate well with the design of your home. Take inspiration from your existing bedroom if you are designing a matching en-suite, or additional prized possessions in other areas of your home. This will steer you towards either a sleek and contemporary or warm and traditional style to help create a bathroom environment to be proud of.

3. SELECT YOUR UNIT STYLE

Modular or Floorstanding? The choice is yours. Select the correct furniture style that complements the existing style of your home, from modular contemporary designs to a floorstanding traditional look, with ample storage space to suit.

4. STORAGE REQUIREMENTS

A place for everything. With an abundance of storage options to choose from, the design possibilities are endless. Carefully consider who will be using the bathroom and design the furniture around your lifestyle. Base cabinets offer a fantastic storage option under a sink for those much needed items, whereas wall units are a great solution to hide away any potentially harmful items from children.

5. CHOOSE YOUR COLOURS AND HANDLES

With an abundance of finishes, countertops and handle options to choose from, you can design your bathroom to be in keeping with the style of your home. Subtle woodgrain, shaker matt or muted colours offer a warm and homely feel, whereas handleless doors with high gloss or flat matt finishes are a designer's dream, offering a contemporary option. Ensure that the finishes co-ordinate well with the walls, flooring and accessories chosen to help transform your bathroom into a tranquil paradise.

Handle SUITE

A selection of handles are available to suit the style of furniture chosen, from contemporary chrome to traditional bronze.
