## WHO WE ARE ?

Incorporated in 2017, Radar Facility Management is an ISO-9001-2015 Certified Company that provides cost-effective and customer-centric Facility Management and Maintenance Solutions. We have a strong presence in Karnataka, Tamil Nadu, Andhra Pradesh, Telangana and Odisha, with a network reach in all major cities across India.

Our core offering remains the same even after decades of services in this sector that is customer's peace of mind with top-notch and high-quality services, by being not just a better service provider, but by being a "Care Taker" so you can entrust your property's custodianship to Radar Facility Management.

## WHY CHOOSE US ?

### 1. Experience & Expertise:

- 8 years of providing "Complete Solution" across varied industries & geographies.
- We are known as a Caretaker and not just a better service provider.
- We are a 100% statutory compliant and ISO-9001:2015 certified company.
- We offer comprehensive services to serve Fortune 100 companies and many others.

### 2. Quality & Service

- We are committed to provide superior quality service, tools and equipment.
- We serve through our own infrastructure (People, Equipment and Backroom Support) and do not sub contract.
- We deploy in-house trained manpower adhering to enhanced quality.
- Our line of services includes both contractual and customized.

### 3. System and Process

- We serve through process oriented mechanism, norms and vigilance.
- We follow regular training, performance, surveys, feedback & audit.
- We provide site specific and on-job training programs.
- Our transition team effectively facilitate operations strategically at the site.
- Efficient and hassle-free relievers system.

### 4. Technology Driven

- Technology at Handiman has a clear purpose – to enable us to deliver better service to the customers and set a smooth internal process.
- Face recognition and app based attendance.
- App-based monitoring & tracking system.
- Online data access & customer feedback system.

### 5. Customer Focus

- We go the extra mile to understand customer's anxieties and pain points.
- Our dedicated proactive customer support team addresses service issues flawlessly.
- We exist for and because of customer and act as the custodian of customer interest.
