

SHL Solutions PPO Platinum 10/100/10%

HIOS ID: 83198NV0010001

Attachment A Benefit Schedule

Amounts which the Insured is required to pay as shown below in the Benefit Schedule are based on Eligible Medical Expenses (EME) or the Recognized Amount, if applicable, as defined in the SHL Certificate of Coverage (COC).

Calendar Year Deductible (CYD): Your CYD is \$100 of EME per Insured for Plan Providers. Your CYD is \$200 of EME per family for Plan Providers. Your CYD is \$2,500 of EME per Insured for Non-Plan Providers. Your CYD is \$5,000 of EME per family for Non-Plan Providers. An Insured may not contribute any more than the Individual CYD amount toward the Family CYD amount. Further, the stated CYD maximum amounts are separate for each tier of benefits and do not accumulate to one another.

Coinsurance: After satisfying your CYD, if any, your coinsurance for most Plan Provider services is 10% of EME. Your Coinsurance for most Non-Plan Provider services is 50% of EME. Please reference the following pages for specific Coinsurance responsibilities.

The Calendar Year Out of Pocket Maximum: Your Calendar Year Out of Pocket expenses are limited to a maximum of \$7,350 of EME per Insured per Calendar Year and \$14,700 of EME per Family when using Plan Providers and \$10,000 of EME per Insured per Calendar Year and \$20,000 of EME per Family when using Non-Plan Providers. The Calendar Year Out of Pocket Maximum amounts include the CYD, Copayments and Coinsurance. Further, the stated maximum amounts are separate for each tier of benefits and do not accumulate to one another.

The Out of Pocket Maximum does not include: 1) amounts charged for non-Covered Services, 2) amounts exceeding applicable Plan benefit maximums or EME payments; or, 3) penalties for not obtaining any required Prior Authorization, or for the Insured otherwise not complying with SHL's Managed Care Program.

Once the Individual Out of Pocket Maximum is met, benefits for that Individual are payable at 100% of EME for the remainder of the Calendar Year. Once the Family Out of Pocket Maximum is met by two or more enrolled family members, benefits for the entire family are payable at 100% of EME for the remainder of the Calendar Year.

Please read your COC to understand how EME payments to Providers are determined. Plan Providers have agreed to accept SHL's Reimbursement Schedule as payment in full for Covered Services, less any applicable Deductibles, Coinsurance and/or Copayments that are payable by you.

IMPORTANT:

- **Amounts exceeding coverage amounts/limits:** The Insured is responsible for any/all amounts exceeding any stated maximum benefit amounts and/or any/all amounts exceeding the Plan's payment to Non-Plan Providers under this Plan. Further, such amounts do not accumulate to the calculation of the Calendar Year Out of Pocket Maximum.
- **Copayment/Cost-shares:** The Copayments/Cost-shares shown in the following Benefit Schedule apply as shown for Inpatient and Outpatient facilities and provider office visits. Additionally, the Insured is responsible for all other applicable facility and professional Copayments/Cost-share as outlined in this Attachment A Benefit Schedule.
- **Prior Authorization Required:** Please refer to Attachment B to the SHL COC, List of Services Requiring Prior Authorization, for the list of services and supplies requiring Prior Authorization. If Medically Necessary Covered Services, with the exception of certain Outpatient, non-emergency Mental Health, Severe Mental Illness, Substance Abuse Services, are provided without obtaining the required Prior Authorization, benefits are reduced to 50% of what the Insured would have received if Prior Authorization had been obtained.

Benefit Schedule
