How to Order from Rote Greenhouses

Here's a quick guide to placing your weekly order:

1. Check the Weekly Availability

- We email out a fresh **Availability and Order Form** every Wednesday.
- It's formatted as a fillable spreadsheet — the yellow boxes are editable.
- Orders are provided sleeved and loose unless otherwise noted.

2. Place Your Order

- **Email:** Fill out the yellow sections of the current Availability, save in Excel format, and email back.
- **Call:** You can call in your order — Adolfo, **760-744-7060**.
- **Fax:** Yes, we still have one — but we'd really prefer email or a call.

3. Timing

- We ask for at least **48 hours' notice** before pick-up.
- Cut-off times are generally **10:00AM, two days before pick-up**.
- Orders are ready for pick-up Monday–Friday, between **7:30AM and 4:00PM**.

4. Minimums

- **Pick-up** minimum: \$300
- **Delivery** minimum: \$1,000 (offered on a limited basis- see our Buying Terms)

5. Tips for a Smooth Order

- Include your **business name** and **pick-up date** on the form.
- If you need anything special (like packed by box or pallet), note it clearly.
- We'll confirm your order once it's scheduled for prep.
