RS presented his report and said that he wished to switch banks from the Royal Bank of Scotland to Virgin. A vote was taken and the motion was unanimously carried to switch bank accounts to Virgin Money.

In terms of time to complete the recommended housing review, there was no longer money available to do this, and it would have to take place next year. As this was past the deadline for submission of the place plan, members wondered that although recommended whether it was necessary, given the strong data showing that the number of small housing units in Dalbeattie was far lower than the national average.
