The Friendship Force was founded in 1977 with a single mission: to create an environment where personal friendships are established across the barriers that separate people. A non-profit organization, The Friendship Force is active in more than 50 countries, promoting friendship and goodwill through an extensive program of home stay exchanges.

As a member of The Friendship Force, I have a mission to be a friend to the people of the world. As I embark upon this adventure, I know others will be watching me. Through my example to my fellow citizens and the people of other nations, the cause of friendship and understanding will be furthered. I can make a difference!
