### President's Message - Nancy Mueller

#### Friendship, Humanity, and Global Citizenry in February 2026

At the January 4x4 meeting, we listened to Jeremi Smook, President and CEO of FFI, encourage us to carry the message of friendship into our schools, communities, and civic clubs. By doing so, we multiply the impact of every

cultural exchange and help foster the understanding, respect, and peace that Friendship Force is called to lead.

This month, I will be meeting with the Sun City Rotary and the Sun City Lifelong Learning Club, where stories from our Thailand inbound will be featured as part of the presentations. Each member is encouraged to reach out to groups within their own networks. Our club offers helpful resources—including trifold, business cards, newsletters, and websites—to support you in sharing who we are. By telling our stories, we can help global connections grow stronger.

**REMINDER: Club Dues \$10 a year. Please Send your check to Ruth Noble, 4021 N. 45<sup>th</sup> Place, Phoenix, AZ 85018. You must register and pay the dues of \$100, to Friendship Force International. You can register online with Friendship Force International and pay with Credit card.**

## Shamrock Dairy Tour - s

ubmitted by Laura Issac

On Jan 8, eleven members of our Central AZ FFI group traveled in 3 cars to Stanfield, AZ to the

Shamrock Dairy Farm.

There were 10 thousand cows on one thousand acres just as advertised!!

Many attendees had grown up on dairy farms in Wisconsin and New York. They were fascinated by the impressive new technologies that are currently used to

produce literally tons of milk. As a city girl I learned a lot about how cows need to have a calf before producing milk!! Imagine that!! The milk and ice cream were delicious. It was an enjoyable and informative day.

## AND THE WINNERS ARE.....

Yumm!! Our January 4X4 included a Meatball Competition with nine participants. All 23 members and 4 guests were able to vote on their favorite choice. From Swedish meatballs to BBQ meatballs to Sweet Hawaiian meatballs the choices were plentiful and delicious. The overall winner was Deb Hjortland with her Swedish meatballs and Nancy Mueller with her Grandma Lucille's Special meatballs. Thank you to Bonnie Yamashita for chairing this wonderful event!

## Historically Speaking - April 2002

**submitted by Nancy and Bob Unferth**

Friendship Force Next Generation - Our March general meeting was entitled the Friendship Force Next Generation. The members, somewhat to their surprise, were shown a 46 minute film produced by the Mars Society, a group dedicated to the exploration and colonization of Mars. The film dealt with the reasons for Mars explorations, plans for developing missions to Mars, and activities and research the group is undertaking to further their goals. A poll was conducted afterwards. Here are the results from the 39 questionnaires that were returned.

When do you think man will first land on Mars?

10 years or less	22%
11 to 20 years	41%
21 to 50 years	24%
more 50 years from now	13%

## January 2026 Treasurer Report

**Two Cents Worth from Treasurer:**

What can I say about February? It is about love. So much to say, such good memories, deep feelings, our friends, children, community, country, and soul mate. May you share your love this month. Sing the song with a smile, "love is in the air."
