OPENING

6:00 pm - Auditorium - Free entrance
simultaneously translated english, french, spanish
live on Youtube

PUBLIC SOCIETAL ISSUES DEBAT #1 : Substance use and addictions in covid times

- Prevalence and correlates of SARS-CoV-2 seropositivity among people who inject drugs in the San Diego-Tijuana Border Region - Steffanie STRATHDEE (San Diego)
- Impact of COVID 19 on emotional well-being and addictions - Joan COLOM (Barcelone)
- Addictions in France during lockdown Ivana OBRADOVIC (Paris)
- COVID, drug use and harm reduction : an international perspective - Marie JAUFFRET-ROUSTIDE (Paris)

Discussion :

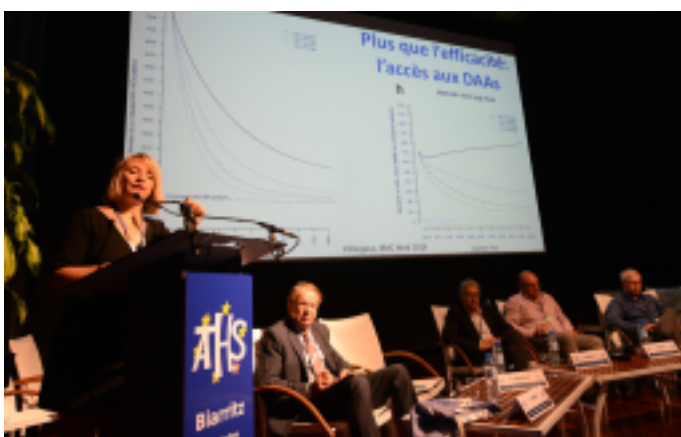

Amine BENYAMINA (Paris, Fédération Française d'Addictologie)

Nicolas BONNET (Paris, RESPADD)

Jean-Michel DELILE (Bordeaux, Fédération Addictions)

Jean-Pierre DAULOUEDE (Bayonne, AHS)

8:00 pm / END

Recorded session

9:00 am - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #1 : Addictology

Co-Chair : Gabriele FISCHER (Vienne)

and Marc AURIACOMBE (Bordeaux)

- Therapeutic aspects of mood disorders in heroin addiction - Icro MAREMMANI (Pise)
- Precision Medicine in Alcohol use disorder : imaging and clinical aspects - Karl MANN (Mannheim)
- The NIH HEAL Initiative to accelerate the development of medications to treat opioid use disorders Ivan MONTOYA (Bethesda)

10:15 am / BREAK

10:30 am - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #2 : Addictology

Co-Chair : Wim VAN DEN BRINK (Amsterdam)

and Nicolas AUTHIER (Clermont-Ferrand)

- Sublocade® (long acting buprenorphine), from the clinic into the real world - Frank GRAY (Londres)
- Buvidal® (long acting buprenorphine) : a new DEBUT in ODT ? - Fredrik TIBERG (Lund)
- Depot buprenorphine treatment in NSW Australia - a randomised controlled trial - Adrian DUNLOP (Sydney)
- Buvidal® : an amazing bridge to recovery in Wales - Jan MELICHAR (Cardiff)

12:15 pm - Auditorium

simultaneously translated english, french, spanish

GILEAD SYMPOSIUM

Eliminating hepatitis C is within reach

- Introduction : HCV elimination background and setting of the Convergences experimentation André-Jean REMY (Montpellier) and Frédéric CHAFFRAIX (Strasbourg)

Local micro-elimination initiatives for a national ambition

- Arousing the interest of medico-social actors and involving them in the care pathway : the experience of the SELHVA - Frédéric CHAFFRAIX (Strasbourg)
- Outreach experience with an hospital mobile team André-Jean REMY (Montpellier)
- Developing the collaboration between hospital and primary care - Jean-Pierre DAULOUEDE (Bayonne)
- Experiencing an optimization of health care pathway acquired with Convergences - Joachim LEVY (Marseille)

1:15 pm / LUNCH

PLENARY SESSION AND PARALLEL WORKSHOPS

2:30 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #3 : Addictology

Co-Chair : Icro MAREMMANI (Pise)

and Amine BENYAMINA (Paris)

- How cocaine shrinks the cortical representation of our choice options - Serge AHMED (Bordeaux)
- Gut/brain axis : involvement in the lost of behavioral control - Rafael MALDONADO (Barcelone)
- Vaccines for treating opioid use disorder Sandra COMER (New York)

Rhune 1 - simultaneously translated english, french

Workshop 1 : Attention Deficit Disorder with/without Hyperactivity

Co-Chair : Miguel CASAS (Barcelone)

and Jean-Jacques DEGLON (Genève)

- Epidemiology, neurobiology and prevention of SUD in ADHD - Wim VAN DEN BRINK (Amsterdam)
- High-dose methylphenidate in adult patients with ADHD and addictive comorbidities : which clinical justifications, which modalities in practice ? Maurice DEMATTEIS (Grenoble)

Rhune 2

Workshop 2 : Assessment of french drug consumption rooms

Moderation : Marc AURIACOMBE (Bordeaux)

- A general view of the french drug consumption rooms assessment - Marc AURIACOMBE (Bordeaux)
- Social acceptability and drug consumption room Marie JAUFFRET-ROUSTIDE (Paris)
- Description of the Cosinus cohort to assess drug consumption rooms - Laurence LALANNE (Strasbourg)
- Results and impact data of drug consumption rooms Perrine ROUX (Marseille)

Vague 1

Workshop 3 : Tobacco and places of deprivation of liberty

Moderation : Nicolas BONNET (Paris)

- Smoke in prison setting : a state of play Christophe AL-KURDI (Lausanne)
- Tobacco free prisons : an utopia ? Michaël BISCH (Nancy)
- The stake of "tobacco free neighborhoods" Marie AHOQUANTO-CHASPOUL (Paris)
- Reducing health inequalities thanks to nicotine replacement therapies and vaping in the Nanterre prison center - Bastien GUILLERMIN (Gennevilliers)
- Tobacco use disorder in prison setting : experience of talking groups - Céline CORMAN (Mons)

Vague 2

Workshop 4 : Innovative practices in addiction care

Moderation : Martine VALADIE-JEANNEL (Bordeaux)

- How to manage pregabalin (Lyrica®) dependence in addiction centers ? - Claire PELOSO (Paris)
- Chemsex, 10 years after, where do we stand ? Muriel GREGOIRE (Aix-en-Provence)
- Does cannabidiol-to-smoke has a role to play in cannabis use reduction ? Results from an online survey in France Tangui BARRE (Marseille)
- CANNAVAP PILOT STUDY : Effectiveness of cannabidiol inhaled by electronic cigarette in cannabis use reduction or withdrawal - Esther DESMIER and Claire PELOSO (Paris)
- Alcohol use disorders in patients with Opiate maintenance therapy : which care ? - Karima KOUBAA (Toulouse)

Vague 3

Workshop 5 : Women, substance use and substance use disorders

Moderation : Astrid MAURAY-CAPLANNE (Bordeaux)

- Perinatal complications of recreational cannabis use during pregnancy reported to the French Addictovigilance Network Emilie BOUQUET (Poitiers)
- Which gynecological follow-up for women suffering from SUD ? - Roselyne MARTEL (Grenoble)
- Chemsex in female population : unknown or forgotten ? Dorian CESSA (Lyon)
- Crack : words of female users - Anne BATISSE (Paris)

Vague 4

Workshop 6 : Improvement of care access and adjustment of clinical and preventive practices in COVID times

Moderation : Aude ROUCH (Bayonne)

- The COVIDOFFI study : regulatory changes, harm reduction and adaptations from the field. Positive lessons from the COVID crisis reported by dispensing pharmacists Leila CHAOUACHI (Paris)
- Presentation of an Article 51 experiment aimed at supporting patients made vulnerable by Covid 19 in the context of medical microstructure Adélaïde PLADYS and Thierry ROYER (Strasbourg)
- Creation of tools for preventing SUD Catherine CHEVALIER (Limoges)

4:15 pm / BREAK

PLENARY SESSION AND PARALLEL WORKSHOPS

4:30 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #4 : Alcohol use disorders

Co-Chair : Karl MANN (Mannheim)

and Benoît FLEURY (Bordeaux)

- Psilocybin, new option for alcohol addiction : news from the preclinical side - Mickaël NAASSILA (Amiens)
- Non-invasive and invasive brain stimulation in alcohol use disorders : methodological considerations to guide future research - Bruno MILLET (Paris)
- Role of the opioid system in the alcohol use disorder, should it be blocked or stimulated ? Interest of buprenorphine in the severe alcohol use disorders Maurice DEMATTEIS (Grenoble)

Rhune 1 - simultaneously translated english, french

Workshop 1 : Craving to screen and treat use disorders. Interest

of mobile technologies in research and clinics : the addictology of tomorrow is already there !

Moderation : Marc AURIACOMBE (Bordeaux)

Speakers : Marc AURIACOMBE, Sarah MORICEAU,

Laura LAMBERT, Emmanuelle BAILLET, Lucie FOURNET,

Léa DONNADIEU, Fuschia SERRE (Bordeaux)

- Craving : what is it ? State of the art of research
- Craving, an early marker of addiction : KANOPEE the "early screening and brief intervention" of tomorrow ?
- Craving, how to assess it in everyday life : CUSEMA
- Biomarkers of craving : myth or reality ? BIOEMA
- Craving prevention and management with a smartphone : Craving Manager

Rhune 2

Workshop 2 : Drug Analysis

Moderation : Yann GRANGER (Mont-de-Marsan)

- Community reclaiming of drug analysis : the use of infrared spectroscopy - Jean-Marc PRIEZ (Paris)
- Implementation and first results of the HPLC-UV drug analysis system by the Bus 31/32 association in Marseille Alma HECKENROTH and Liselotte POCHARD (Marseille)
- French version of the KnowDrugs application : an example of an international digital platform for accessing information on drugs in circulation - Julien ANTHOUARD (Strasbourg)
- Energy Control international drug projects : an example of harm reduction device in the field of drug analysis on Darknet - Anton GOMEZ-ESCOLAR (Madrid)
- CheckKnow : assessment of the implementation and efficacy of drug analysis in France Perrine ROUX (Marseille)
- Complementarities of SINTES to drug analysis devices in development - Victor DETREZ (Paris)

Vague 1

**Workshop 3 : Sex,
Tobacco and cannabis**

Moderation : Didier TOUZEAU (Bagneux)

- Tobacco, cannabis and erectil dysfunction
Gérard PEIFFER (Mercy)
- Tobacco, cannabis and vagina disorders : effects on libido
Sébastien FLEURY (Toulouse)
- What gendered care for sexual minorities ?
Cathy MEIER (Pau)
- HIV, tobacco and cannabis : which care ?
Sophie CHOULIKA (Clamart)

Vague 2

**Workshop 4 : From volunteering to professionalization
of peer help**

Moderation : Hélène DELAQUAIZE (Paris)
and Virginie DUPARC (Bayonne)

- Professionnalization other ways
Albert CAPOROSSO (Paris)
- Professional peer help and eating disorders
Céline CHAUVEL (Niort)
- Reception officer : evolution of the profession
and practices (past, present) - Alain LANG (Paris)
- Professionalizing the "profane expertise" ?
Hélène DELAQUAIZE (Paris)

Vague 3

Workshop 5 : Trends in addictovigilance

Moderation : Alexandre PEYRE (Bordeaux)

- Non-medical use of baclofen : a case series and review
of the literature - Juliana TOURNEBIZE (Nancy)
- Alprazolam use disorders : an analysis of the Vigibase
global pharmacovigilance database
Hélène PEYRIERE (Montpellier)
- Poppers abuse : a retrospective study of French Poison
Center data between 2011 and 2017, focused on fatal
developments - Nicolas FRANCHITTO (Toulouse)
- Nitrous oxide abuse and perceptions of toxicity :
an online survey among French students
Hélène PEYRIERE (Montpellier)
- Hospitalizations supposedly related to e-cigarette
use in the northeast of France : what's happened ?
Juliana TOURNEBIZE (Nancy)

6:30 pm - Auditorium

simultaneously translated english, french, spanish

**EXCEPTIONNAL SESSION : Signaling specific inhibitors
of the CB1-receptors (CB1-SSI) : a promising new
approach to treat cannabis related disorders**

Moderation : Nicolas AUTHIER (Clermont-Ferrand)

- Pier-Vincenzo PIAZZA (Bordeaux)
- Margaret HANEY (New York)

8:00 pm / END

PLENARY SESSION AND PARALLEL SESSIONS

9:00 am - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #5 : Infectiology

Co-Chair : Christian TREPO (Lyon)

and Gilles RAGUIN (Paris)

- OMT patients in prison : the need for ADHD & HCV assessment & treatment - Gabriele FISCHER (Vienne)
- Care of hepatitis delta in 2021 - Tarik ASSELAH (Paris)
- Peers and misses, attempting hepatitis C testing is a 36-fold win-win - Pascal MELIN (Saint-Dizier)
- The DRIVE project : Great success in controlling HIV among persons who inject drugs in a middle income setting - Don DES JARLAIS (New York)

9:00 am - Rhune 1

simultaneously translated english, french

PARALLEL SESSION : Is harm reduction applicable to gambling prevention and treatment ?

A swiss point of view

Chair : Marc AURIACOMBE (Bordeaux)

- Olivier SIMON (Lausanne)

9:45 am - Rhune 1

simultaneously translated english, french

PARALLEL SESSION : Medical cannabis in France : news and perspectives

Co-Chair : Amine BENYAMINA (Paris)

and Nathalie RICHARD (Saint-Denis)

- Nicolas AUTHIER (Clermont-Ferrand)

10:30 am - Rhune 1

simultaneously translated english, french

PARALLEL SESSION : Cannabis and acute delirious puff : a french history ?

Chair : Amine BENYAMINA (Paris)

- Concept of acute delirious puff : stories and controversies Georges BROUSSE (Clermont-Ferrand)
- Cannabis and acute delirious puff : toxicity or vulnerability ? Romain ICICK (Paris)
- What to do in practice ? - Alain DERVAUX (Paris)

12:15 pm - Auditorium

simultaneously translated english, french, spanish

SYMPOSIUM SATELLITE INDIVIOR

Opioid addiction : lessons from 25 years of history

Moderation : Amine BENYAMINA (Paris)

- Situational analysis of OUD management in France : successes, challenges and perspective Marc AURIACOMBE (Bordeaux)
- Management of opioid analgesic use disorder : expert recommendation Maurice DEMATTEIS (Grenoble)

Direct drug-related deaths : the drug in focus

Round table : Marc AURIACOMBE (Bordeaux),

Maurice DEMATTEIS (Grenoble),

Amine BENYAMINA (Paris)

1:15 pm / LUNCH

PLENARY SESSION AND PARALLEL WORKSHOPS

2:30 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #6 :

Conditioning and addictions : from the animal model to the clinic

Chair : Bernard ROQUES (Paris)

- Role of interoceptive conditioning in cocaine craving Serge AHMED (Bordeaux)
- Highlighting contextual conditioning to drugs : appetitive and aversive effects of withdrawal - Luis STINUS (Bordeaux)
- Are there conditioned effects in Humans ? What data ? What implication ? Fuschia SERRE and Marc AURIACOMBE (Bordeaux)
- A novel pharmacological strategy to minimize the side effects of cannabis - Rafael MALDONADO (Barcelone)

Rhune 1 - simultaneously translated english, french

Workshop 1 : Prisons, addictions and harm reduction

Moderation : Fadi MEROUEH (Montpellier) and Marie AHOUANTO-CHASPOUL (Paris)

- Prevention, treatment, and care of HIV, HCV and other infections in prisons and other closed settings Ehab SALAH (Vienne)
- Prison and drugs in Europe. Current and future challenges Linda MONTANARI (Lisbonne)
- Changes related to the first lockdown in psychoactive substance use among persons under judicial supervision at the Villeneuve-Lès-Maguelone prison Camille BALLESTER and Aurélie MIEUSET (Villeneuve-Lès-Maguelone)
- Long Acting buprenorphine : an harm reduction tool ? Fadi MEROUEH (Montpellier)
- Insufficient HIV, HBV and HCV screening in French prisons : impact on effective access to direct-acting antiviral (DAA) treatment for prisoners with chronic HCV infection Michel CELSE (Paris)

Rhune 2

Workshop 2 :

ADHD and SUD in practice

Moderation : Etienne KAMMERER (Thann)

- When family calls for help - Etienne KAMMERER (Thann)
- The patient as an expert in the methylphenidate titration process - Fred SCHENK (Saint-Chamond)
- Methylphenidate high dosage : for whom, why and how ? Lucie PENNEL (Grenoble)

Vague 1

Workshop 3 : Outreach to screen, diagnose and treat hepatitis C

Moderation : Cyril OLAIZOLA (Bayonne) and Evelyne BIDART (Bayonne)

- Hepatitis C screening and treatment in France : an overview - Brigitte REILLER (Bordeaux)
- Implementation of new HCV screening tools in addiction and harm reduction centers : what are the implementation methods, what are the issues, what are the impacts ? The example of the "Bus Hépatant" Joris HERIN (Marseille)
- Presentation of the SAMPAS Project from the ASBL Hep C Network in Bruxelles - Lise MEUNIER (Bruxelles)
- Contribution of rapid PCR (Xpert®) to the diagnosis and treatment of hepatitis C in drug users followed by 3 addiction and harm reduction centers (Nice and Marseille) Joris HERIN (Marseille)

Vague 2

Workshop 4 : Sex workers, drug use and front line structures

Moderation : Lionel SAYAG (Paris)

- Working with sex workers in Seine Saint Denis Kim WETZEL (Paris)
- MDM : Jasmine Program - Brunna DE MEDEIROS (Paris)
- La Case : Poppy Program - Véronique LATOUR (Bordeaux)
- Sex workers and Chemsex - Fred BLADOU (Paris)

Vague 3

Workshop 5 : Forum medical cannabis :

Self-support vs Big Cannapharma

Moderation : Laurent APPEL (Lyon)

Speakers : Arnaud LEGRAIN (Biarritz), Céline VAN DER ELST (Aubenas), Perrine ROUX (Marseille), Christian SUEUR (Carcassonne), Béatrice BUDIN (Angers), Shantal ARROYO (Montréal), Paul STANFORD (Portland), Kenzi RIBOULET (Barcelone), Bastien MARTIN (Marseille), Anne FREUND PRIACEL (Luxembourg), Franziska QADRI (Zurich), Michael JACOB (Clermont-Ferrand)

4:30 pm / BREAK

5:00 pm - Auditorium - Free entrance

simultaneously translated english, french, spanish
live on Youtube

DEBATE OF SOCIETAL ISSUE #2 : Between prohibition and legalization, what developments ?

- Legalization of cannabis for non-medical ("recreational") use : assessment of foreign experiences Ivana OBRADOVIC (Paris)
- Organization and evolution of the cannabis regulated market in Uruguay : 5-year review and outlook Milton ROMANI (Montevideo)
- Legalization experiences in the US : where do we stand ? John HUDAK (Washington)

Debate with :

Patrick AEBERHARD (Paris)
Bernard KOUCHNER (Paris)
Bernard ROQUES (Paris)
Jean-Pierre DAULOUEDE (Bayonne)
Christophe BERLIOCCI (Bayonne)

5:00 pm / END

8:00 pm - Obligatory registration

CONGRESS DINNER

Salon des Ambassadeurs
1, Avenue Edouard VII
64200 Biarritz

9:00 am - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #7 : Harm Reduction

Co-Chair : Béatrice STAMBUL (Marseille)

and Patrick AEBERHARD (Paris)

- Bridging the gap : integrating harm reduction and addiction treatment - Jason FARRELL (Amsterdam)
- How does harm reduction participate in addiction care ? From substitution to individualized medicine Perrine ROUX (Marseille)
- Medications development for opioid use disorder : how well do the results from preclinical and clinical studies align ? Sandra COMER (New York)

10:45 am / BREAK

11:00 am - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #8 : Harm reduction

Co-Chair : Bernard KOUCHNER (Paris)

and Ivana OBRADOVIC (Paris)

- Human rights and controlled substances : the right to pleasure and enjoyment - Milton ROMANI (Montevideo)
- "The wall of shame in Pantin" or the blindness of a 30 years repression of crack consumption in the streets of the north east of Paris - Miguel VELAZQUEZ (Paris)

1:00 pm / LUNCH

PLENARY SESSION AND PARALLEL WORKSHOPS

2:30 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #9 : Psychedelics in mental health

Co-Chair : Vincent VERROUST and Patrick MARTIN (Paris)

Moderation : Bertrand LEBOVICI (Paris)

- Pharmacology of psychedelics and other hallucinogens Patrick MARTIN (Paris)
- The emergence of LSD-assisted psychotherapies, 1950-1970 - Zoë DUBUS (Marseille)
- The different theoretical-clinical orientations in the first psychedelic therapies - Christian SUEUR (Carcassonne)
- Psilocybin in the treatment of major depressive disorder and cancer-related distress Matthew JOHNSON (Baltimore)
- Psilocybin-assisted smoking cessation : new horizons in addiction treatment ? - Albert GARCIA-ROMEY (Baltimore)

Rhune 1 - simultaneously translated english, french

Workshop 1 : Young people, use and addictions

Moderation : Emmanuelle PEYRET (Paris)

- Young people and addictions : a 20 years evolution in adolescence drug use in Europe - Antoine PHILIPPON (Paris)
- Non-substance addictions : a survey among young people Coraline BIEHLER (Strasbourg)

- Use and misuse of psychoactive medicine drugs : precarious minors, minors like no other - Leila CHAOUACHI (Paris)
- Misuse and addiction to Lyrica and successful care of addicted isolated minors in Robert Debré Emmanuelle PEYRET and François-Henri GUILLOT (Paris)

Rhune 2

Workshop 2 : Drug use, motherhood

and harm reduction : paradox or paradigm ?

Moderation : Véronique LATOUR (Bordeaux)

- Gender and drug use : a sociological and participatory approach - Marie JAUFFRET ROUSTIDE (Paris)
- Addiction Perinatal Unit : a look back at the experiment Vanina MARQUIE-MOREAU (Bordeaux)
- Let's talk about addictions in the maternity services ? Sarah COSCAS (Paris)
- Woman and mother facing drugs : the contradictions of the law - Yann BISIOU (Montpellier)

Vague 1

Workshop 3 : Hepatitis C reservoirs :

how to screen and treat differently?

Moderation : Pascal MELIN (Saint-Dizier)

- The elimination context: where do we stand ? Why targeting reservoirs ? - Pascal MELIN (Saint-Dizier)
- Screening in prisons: do we have to do differently ? Fadi MEROUEH (Montpellier)
- Screening strategies in prison setting : our program "Addictions and hepatitis" - Saadia YAKOUB (Paris)
- Screening of DU by peers : the ROADTRIP Experiment Juliette PONT (Dijon)

Vague 2

Workshop 4 : Sexual health

and addictions

Moderation : Marianne HOCHET (Paris)

- Early screening and brief intervention in sexual health : the role of primary care - Philippe CASTERA (Bordeaux)
- Disorders and sexual dysfunctions in addictological setting Gonzague DE LAROCQUE-LATOUR (Paris)
- Risky behaviours in sexual health : the chemsex example Fred BLADOU (Paris)
- Sexual violences in addictological setting - Pending speaker

Vague 3

Workshop 5 : Innovative practices in harm reduction

Moderation : Pierre LABADIE (Bayonne)

- The urban experiences of marginalized drug users : Emotional Mapping - Roxane SCAVO (Pessac)
- Stalingrad Crack users, what do they say ? Mélanie GROS (Paris)
- Remote harm reduction : users and professionals measure the relevance and performance of the device Pierre CHAPPARD (Paris)
- Innovation in harm reduction : experimenting a nasal spray for mucosal atomization - Catherine DUPLESSY (Paris)
- Voicing PWID in the debate on SIS with photovoice method - Marie DOS SANTOS (Marseille)

4:30 pm

CLOSING CEREMONY

5:00 pm / END
