Jean-Marie GUFFENS

Pierre PRADIER

5:00 - 6:00 pm

OPENING

6:00 - 8:00 pm - Auditorium - Free entrance
simultaneously translated english, french, spanish
live on YouTube

SOCIETY DEBATE #1 : Vaping : a harm reduction tool, a real means to stop smocking or a gateway to nicotine addiction ?

Animation : Amine BENYAMINA (Villejuif) and Nicolas BONNET (Paris)

- Background data on electronic cigarette in general population Alex BRISSOT (Paris)
- E cigarette is an effective support chosen by smokers to help them stop smoking - Marion ADLER (Paris)

With : Anne-Laurence LE FAOU (Paris),

Ivan MONTOYA (Bethesda), Jean-Michel DELILE (Bordeaux)

8:00 pm - End

All sessions are filmed
and will be available
on our YouTube channel

9:00 am - 12:15 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #1 : Addiction news and treatments update

Presidence : Ivan MONTOYA (Bethesda) and Amine BENYAMINA (Villejuif)

- Latest developments in addiction treatment Ivan MONTOYA (Bethesda)
- Vaccines for treating opioid use disorder : preliminary clinical data and potential biomarkers of vaccine efficacy Sandra COMER (New York) and Marco PRAVETONI (Seattle)
- Fentanyl in the United States : challenging the treatment paradigm - Gavin BART (Minneapolis)

10:30 - 11:00 am / Break

- And why is craving so important ? What to do about it ? Marc AURIACOMBE (Bordeaux)
- Towards a heroin post-traumatic stress disorder spectrum Icro MAREMMANI (Pisa)

12:15 - 1:15 pm - Auditorium

simultaneously translated english, french, spanish

SYMPOSIUM INDIVIOR

A dimensional approach to the management of opioid use disorder : how to make a complex situation simple

Moderation : Marc AURIACOMBE (Bordeaux)

- Current state of care in France Fadi MEROUEH (Villeneuve-Lès-Maguelonne)
- Integrative and functional approach to care Maurice DEMATTEIS (Grenoble) and Marc AURIACOMBE (Bordeaux)
- Discussion and Questions/Answers

1:15 - 2:30 pm : Lunch

2:30 - 4:30 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #2

Long-acting treatments for opioid use disorders

Chair : Icro MAREMMANI (Pise) and Marc AURIACOMBE (Bordeaux)

- Ethical and other challenges in studying discontinuation of opioid substitution treatment ? - Roger WEISS (Boston)
- Long acting depot buprenorphine in Australia : from clinical studies to clinical experiences - Adrian DUNLOP (Sydney)
- Extended-release buprenorphine for opioid use disorder versus the daily standard-of-care : findings from the first head-to-head effectiveness study - John MARSDEN (London)
- Real-life management of opioid use disorder by subcutaneous depot treatment with long-acting buprenorphine, OPALE 2 study - Alice DESCHENAU (Paris)

PARALLEL WORKSHOPS

2:30 - 4:30 pm - Rhune 1

simultaneously translated english, french

Workshop 1 : Addictions and Psychotrauma : Hyperduality !!

Moderation : Jean-Michel DELILE (Bordeaux)

- Trauma and addiction : are scientific data useful for field practices ? - Sylvie MOLENDIA (Paris)
- Borderline personality disorders, psychotrauma and addictions - Alain DERVAUX (Paris)
- The Psychotraumaddicto project : decompartmentalizing practices to improve support and care : initial data from the experiment - Léa MONTAGNIER (Paris)
- And now, what recommendations for the future ? Georges BROUSSE (Clermont-Ferrand)

2:30 - 4:30 pm - Rhune 2

Workshop 2 : Direction and management of specialized addiction facilities

Moderation : Aurélien VAUTARD (Bordeaux) and Marc AURIACOMBE (Bordeaux)

With : Patrick BENDIMERAD (La Rochelle), François-Jérôme AUBERT (Limoges), Marie JAUFFRET-ROUSTIDE (Paris), Anthony CAZALIS (Dax), Aude ROUCH (Bayonne)

2:30 - 4:30 pm - Vague 1

Workshop 3 : Perinatal care and addictions

Moderation : Emmanuelle PEYRET (Paris)

- AMéLyon device - Véronique FONTEILLE (Lyon)
- Harm reduction and perinatal care : feedback from the périnatalité addiction Unit (UPA) - Véronique LATOUR (Bordeaux)
- A midwife in the addictology department. Towards prevention and reduction of gynecological and obstetrical risks Cécile NORTH (Strasbourg)

2:30 - 4:30 pm - Vague 2

Workshop 4 : Coordination nationale TDAH Adulte

Moderation : Romain ICIK (Paris)

- ADHD in the clinical addictology : the importance of taking it into account for quality of life and addictive behaviours Muriel GREGOIRE (Aix-en-Provence)
- Could psychostimulants use among university students be related to attention disorder ? Results of the PETRA study Louise CARTON (Lille)
- ADHD and alcohol : emotional regulation efforts cost quality of life points - Amandine LUQUIENS (Montpellier)
- A psychoeducation day for people with ADHD and addiction : ADHDDay - Norman THERIBOUT (Paris)

2:30 - 4:30 pm - Vague 3

Workshop 5 : Innovative practices in harm reduction

Moderation : Pierre LABADIE (Bayonne)

- Cannabis use as a tool for reducing risks associated with other substances : a mixed study among cannabis users in France - Martin BASTIEN (Marseille)
- CLOPTOVAP' : evaluation of a program to make nicotine electronic devices available to precarious smokers Pierre LABADIE (Bayonne)
- The PROPICE study : pilote project on experimental crack pipes or an example of the harm reduction dynamics in France - Catherine DUPLESSY (Paris) and Anne BATISSE (Paris)
- Changes in drug use and risky practices among inmates at the Angers prison : evaluation before/after implementation of harm reduction measures - Alix MOIREAU (Angers)
- Impact of harm reduction structures on access to hepatitis C screening among people who inject drugs : questioning gender using a mixed method - Ilhame ANWAR (Marseille)

2:30 - 4:30 pm - Vague 4

Workshop 6 : HARM reduction REsearch NETwork (HARENE)

Moderation : Perrine ROUX (Marseille) and Juliette BOOS (Marseille)

- Introduction - Perrine ROUX (Marseille)
- How research contributes to the stigmatization of DU and the role of the HARENE network in remedying it Pierre CHAPPARD (Paris)
- Project of reviewing the scientific and experiential literature on drug interactions (Mixtures Project) - Salomé CIRCAREL (Paris)
- The IFI collective's evaluation project, an example of co-construction between scientific research and field players in an evaluation of festive harm reduction in France Serena GARBOLINO (Marseille)
- Presentation of Sang d'Encre, a magazine for information and collective expression, and a tool for sharing knowledge on harm reduction - Jihane EL MEDDEB (Marseille)
- Project to empower people with intellectual disabilities to self-produce prevention and harm reduction tools for addictive behavior (POWER PID) - Christian BEN LAKHDAR (Lille)

4:30 - 5:00 pm / Break

5:00 - 7:00 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #3 : Neuromodulation in addiction treatment

Chair : Bruno MILLET (Paris)

Moderation : Christophe DAUDET (Anglet)

- OCD as an addiction model for the application of brain stimulation techniques - Bruno MILLET (Paris)
- Establishment of brain stimulation in the study and treatment for addiction : from animal studies to regulatory approvals in human addicts - Abraham ZANGEN (Tel Aviv)
- rTMS for cocaine addiction : the state of the evidence and its potential future - Derek BLEVINS (New York)

PARALLEL WORKSHOPS

5:00 - 7:00 pm - Rhune 1

simultaneously translated english, french

Workshop 1 : Prisons et addictions

Moderation : Fadi MEROUEH (Villeneuve-Lès-Maguelonne)

- Medical standards and human Rights for diagnosis and treatment in prison - Gabriele FISCHER (Vienna)
- Health and prisons in the Middle East and North Africa (MENA) region : special focus on a country in crisis Elie AARAJ (Beyrouth)
- Long acting depot Buprenorphine - implementation in Custodial Centres in NSW Australia - Adrian DUNLOP (Sydney)
- Harm reduction in jail in France in 2023 : round table with OFDT - Caroline PROTAIS (Paris) and Fadi MEROUEH (Villeneuve-Lès-Maguelonne)
- Access to care for drug users incarcerated in Ukraine Yanina STEMKOVSKAYA (Ukraine)

5:00 - 7:00 pm - Rhune 2

Workshop 2 : Medical cannabis

Moderation : Amine BENYAMINA (Paris) and Medhi PAES (Rabat)

- Experimenting medical use of cannabis in France : initial results - Nathalie RICHARD (Paris)
- Feedback on prescribing medical cannabis for refractory neuropathic pain - Marc ROZETTE (Limoges)
- Patient commitment to the use of therapeutic cannabis Mado GILANTON (Lorient)
- Using and prescribing medical cannabis in Canada : a 20 years experience - Claude CYR (Montreal)

5:00 - 7:00 pm - Vague 1

Workshop 3 : Extended-release treatments in practice

Moderation : Marc AURIACOMBRE (Bordeaux) and Maurice DEMATTEIS (Grenoble)

- Forty years after : extended-release buprenorphine, the third therapeutic revolution - Marc REISINGER (Brussels)
- Other benefits of long-acting buprenorphine injection : one patient's experience - Benoît TROJAK (Dijon)
- Long-acting buprenorphine put to the test in patients' real lives : feedback from Clermont-Ferrand University Hospital Julien CABE (Clermont-Ferrand)
- Extended-release buprenorphine : whatever the scenario, acute pain is no match ! - Célian BERTIN (Clermont-Ferrand)
- Budget impact analysis of buprenorphine extended release (BAP) in prisons : assessment after 2 years of use at Villeneuve-lès-Maguelone prison (CP VLM) Nicolas TERRAIL (Montpellier)

5:00 - 7:00 pm - Vague 2

Workshop 4 : Addictions in primary care

Moderation : Martine VALADIE-JEANNEL (Bordeaux)

- Multi-professional practices in addiction care in health centers in Occitanie - Julie DUPOUY (Toulouse)
- Medical microstructures : initial results of an ongoing Article 51 experiment - Thierry ROYER and Juliette RAULT (Strasbourg)
- DéPIST project : screening for tobacco induced diseases Clément BERLIET (Bordeaux)
- L.A.S.T project : smoke-free health support places André NGUYEN (Limoges)
- Identifying misuse of opioid analgesics prescribed by general practitioners - Nicolas FRANCHITTO (Toulouse)

5:00 - 7:00 pm - Vague 3

Workshop 5 : Drug analysis devices

Moderation : Cyril OLAIZOLA (Bayonne)

- Health watch on psychoactive substances and their clinical consequences : contribution of the French Addictovigilance network - Hélène PEYRIERE (Montpellier)
- Health watch on psychoactive substances : contribution of the SINTES device and of the Early Warning System Sabrina CHERKI (Paris)
- The contribution of harm reduction drug analysis to the health watch on psychoactive substances - Sacha HERTZOG (Paris) and Aurélie LAZES-CHARMETANT (Bordeaux)
- CheckKnow : evaluation of the deployment and effectiveness of drug analysis in France - Marion AUBERT (Marseille)

5:00 - 7:00 pm - Vague 4

Workshop 6 : Binge drinking : from the youngest to the oldest

Moderation : Nicolas BONNET (Paris)

- Binge-drinking : between psychological and neurocognitive approaches, a challenge for all ages - Pierre MAURAGE (Louvain)

- Binge drinking among students and prevention methods Jessica MANGE (Caen)
- New classification of excessive drinking habits among students - Judith ANDRE (Amiens)

7:00 pm - End

9:00 am - 12:15 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #4 : Infectiology

Chair : Christian TREPO (Lyon) and Gilles RAGUIN (Paris)

- HCV : screened, assessed, treated and cured - what else ?
Pascal MELIN (Saint-Dizier)
- Innovative programmes of Doctors of the World in the fight against HCV in low-resource countries
Ernst WISSE (Paris)
- Chemsex and access to PrEP : some recent data
Perrine ROUX (Marseille)
- Crises and responses : COVID-19, Fentanyl, and HIV transmission among PWID in New York City, 2020-2023
Don DES JARLAIS (New York)

10:45 - 11:00 am / Break

- The challenge of MOUD : elevating the role of counseling
Dave METZGER (Philadelphia)
- Immune activation in persons living with HIV and opioid use disorder - Luis MONTANER (Philadelphia)
- Methamphetamine use among people with opioid use disorders under methadone maintenance therapy in Vietnam : results of a cross-sectional survey - Le Minh GIANG (Hanoi)

9:00 - 10:45 am - Rhune 1

simultaneously translated english, french

PARALLEL SESSION #1 : Dual diagnosis, neurodevelopmental disorders and addictions

Chair : Nestor SZERMAN (Madrid) and Jean-Pierre DAULOUÈDE (Bayonne)

- Autism spectrum disorder in addiction medicine : an inconspicuous disorder with therapeutic and prognostic significance - Maurice DEMATTEIS (Grenoble)
- Emotional dysregulation and dual disorders
Nestor SZERMAN (Madrid)
- Rôles de la dysrégulation émotionnelle et de la dissocia-tion dans le trouble de personnalité borderline comorbide du trouble de l'usage d'alcool - Patrice LOUVILLE (Issy-les-Moulineaux)
- Neurodevelopmental disorders, school failure and substance use - Miguel CASAS (Barcelona)

9:00 - 10:45 am - Rhune 2

DOCU WORKSHOP #1 : "Community health in Free Party from 1995 to 2003" (in partnership with Techno Plus)

Animation : Fabrice PEREZ (Paris) and Omblin PIMOND (Paris)

10:45 - 11:00 am / Break

11:00 am - 12:00 pm - Rhune 1

simultaneously translated english, french

PARALLEL SESSION #2 : Dual diagnosis

Chair : Miguel CASAS (Barcelona) and Jean-Jacques DEGLON (Genève)

- Psychostimulants in the treatment of comorbid ADHD and cocaine use disorder - Derek BLEVINS (New York)
- Violence in ADHD and SUD patients, is there a link ?
Carlos RONCERO (Salamanca)

11:00 am - 12:00 pm - Rhune 2

DOCU WORKSHOP #2 : "The wall of shame" (in partnership with ASUD)

Animation : Miguel VELAZQUEZ (Paris)

12:15 - 1:15 pm - Auditorium

simultaneously translated english, french, spanish

GILEAD SYMPOSIUM

Viral Hepatitis : innovating to care for vulnerable patients

Moderation : Frédéric CHAFFRAY (Strasbourg)
and Brigitte REILLER (Bordeaux)

- How to optimize care pathways in addiction clinics : sharing experiences - Alice DESCHENAU (Bagneux)
- People in precarious situations : innovative outreach initiatives - Hakim BOUCHKIRA (Montpellier)
- Women and viral hepatitis : how to manage them ? Juliette FOUCHER (Bordeaux)

1:15 - 2:30 pm - Lunch

2:30 - 4:30 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #5 : SYMPOSIUM

in partnership with EUFAS

(European Federation of Addiction Societies)

Co-Chair : Colin DRUMMOND (London)
and Marcin WOJNAR (Warsow)

- What is EUFAS - Benjamin ROLLAND (Lyon)
- Addiction training and education in Europe Jørgen BRAMNESS (Oslo)
- Compared systems of access to OST between France and the US - Honora ENGLANDER (Portland)
- Compared guidelines on alcohol misuse between France and Germany - Karl MANN (Mannheim)
- EUFAS - European Addiction Research - 2022 Award Ceremony - Geert DOM (Antwerpen) and Colin DRUMMOND (London)
- Lecture by the 2022 EUFAS-EAR Awardee - John MARSDEN (London)

PARALLEL WORKSHOPS

2:30 - 4:30 pm - Rhune 1

simultaneously translated english, french

Workshop 1 : Cannabinoïds : a new therapeutic outlook

Moderation : Joël BOCKAERT (Montpellier) and Bernard ROQUES (Paris)

- Current knowledge of endocannabinoid neurobiology Pier Vincenzo PIAZZA (Bordeaux)
- A new approach to the treatment of cannabis use disorder improves cognitive impairment - Rafael MALDONADO (Barcelona)
- Blunting cannabis use disorder by targeting the endo-cannabinoid system - Cyril D'SOUZA (New Haven)

2:30 - 4:30 pm - Rhune 2

Workshop 2 : Behavioral addictions

Moderation : Laurent KARILA (Villejuif)

- Compulsive sexuality : an addiction ? - Laurent KARILA (Villejuif)
- Strategies developed by multimedia content publishers to lure users to their screens - Patrick BENDIMERAD (La Rochelle)
- Identification of a biomarker of risk of transition to pathological gambling activity in a population of online poker players - Julie GIUSTINIANI (Besançon)
- Screen addiction and DSM-5 : a field survey in New Aquitaine - Jean-Marc ALEXANDRE (Bordeaux)

2:30 - 4:30 pm - Vague 1

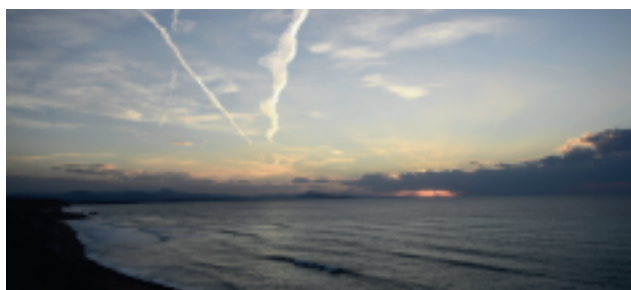

Workshop 3 : Drug information in the digital era

(in partnership with Galileo Collective)

Moderation : Victor MARTIN (Marseille)

- Improving information for "young" users of psychoactive substances on digital spaces - Romain GIRAUD (Marseille)
- Web forums : drugs, harm reduction and self-support or "when drug users when users take matters into their own hands online" - Philemon DECLE (Marseille)
- Know drugs, ecstasy alerts wherever you go Alexis GRUSSI (Marseille) and Philipp KREICAREK (Berlin)
- Results of the e-Harm reduction survey : inventory of online HR initiatives - Fabrice PEREZ (Marseille)

2:30 - 4:30 pm - Vague 2

Workshop 4 : Mediation in peer health, expert patients, self-support : what harm reduction with peers ?

Moderation : Hélène DELAQUAIZE (Paris)

and Véronique LATOUR (Bordeaux)

- Harm reduction in hospital setting, pitfalls and wonders
Mario BLAISE (Paris)

- Alibi participation of drug users or real collaboration ?

The example of low-risk consumption rooms

Bernard BERTRAND (Avignon)

- Peer worker, the worst support ? - Albert CAPOROSI (Paris)

- The historic role of self-support in placing users at the center of harm reduction and their care in addiction facilities
Miguel VELAZQUEZ (Paris)

2:30 - 4:30 pm - Vague 3

Workshop 5 : Craving

Moderation : Fuschia SERRE, Emmanuelle BAILLET

and Marc AURIACOMBE (Bordeaux)

Introduction : Marc AURIACOMBE and Fuschia SERRE (Bordeaux)

- Diagnostic properties of craving - Emmanuelle BAILLET (Bordeaux)

- Pronostic and etiological properties of craving :

- Cues-Craving-Use - Axel ALLACHE and Cassandre ROMAO (Bordeaux)

- Network EMA - Fuschia SERRE (Bordeaux)

- Is craving the first manifestation of craving ?

Emmanuelle BAILLET (Bordeaux)

- Brain imaging, addiction and craving

Valentine CHIRIKOFF (Bordeaux),

Sandra CHANRAUD (Bordeaux) et Léonie KOBAN (Lyon)

- Are there physiological markers of craving in everyday life ?
Emmanuelle BAILLET (Bordeaux)

- Conclusion and discussion - Marc AURIACOMBE (Bordeaux)

2:30 - 4:30 pm - Vague 4

Workshop 6 : Multiple addictive behaviours in adolescents : Between neurodevelopmental disorder, prodromes of schizophrenia and personality disorder - Diagnostic and therapeutic approaches

Moderation : Maurice DEMATTEIS (Grenoble)

With : Maurice DEMATTEIS (Grenoble), Lucie PENNEL

(Grenoble), Elisabeth GIRAUD-BARO (Grenoble),

Caroline SALAS-TOQUERO (Grenoble)

4:30 - 5:00 pm / Break

5:00 - 7:00 pm - Auditorium

simultaneously translated english, french, spanish

DEBAT DE SOCIETE #2 : Drug politics

Animation : Eric FAVEREAU (Paris) and Patrick AEBERHARD (Paris)

- The work of the Global Commission on Drug Policies
Ruth DREIFUSS (Genève)

Ivana OBRADOVIC (Paris)

- Developments in the French narcotics resale market and organizations : between massification and professionalization
Christian BEN LAKHDAR (Lille)

- An experiment of controlled legalisation of cannabis in Bègles - Clément ROSSIGNOL-PUECH (Bègles)

- Assessment of the Uruguayan experience and the situation in latin america - Milton ROMANI (Montevideo)

- Cannabis : changes in legal status

Rafael MALDONADO (Barcelona)

With : Bernard KOUCHNER (Paris), Bernard ROQUES (Paris),

Jean-Pierre DAULOUEDE (Bayonne)

7:00 pm / End

8:00 pm - Obligatory registration

CONGRESS DINNER

Salle des Ambassadeurs

1, Avenue Edouard VII

64200 Biarritz

9:00 - 11:00 am - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #6 : Therapeutic use of psychedelics

Chair : Joël BOCKAERT (Montpellier)

Moderation : Vincent VERROUST (Paris)

- Serotonergic psychedelics : from shaman to doctor
Joël BOCKAERT (Montpellier)
- Psychedelic therapy for tobacco addiction
Matthew JOHNSON (Baltimore)
- Psychedelic-assisted psychotherapy for polydrug and dual diagnosis disorders - Wim VAN DEN BRINK (Amsterdam)

10:45 - 11:00 am / Break

11:00 am - 1:00 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #7 : Drug politics

Chair : Bernard KOUCHNER (Paris) and Milton ROMANI (Montevideo)

- Classification of psychoactive substances in international conventions : 3 examples - Bertrand LEBEAU (Paris)
- Cannabis regulation in North America. Feedback and results of the ASTRACAN survey (OFDT) - Ivana OBRADOVIC (Paris)
- Harm reduction in Catalunya : an ever-evolving policy
Joan COLOM (Barcelona)
- Drugs and users rights - Milton ROMANI (Montevideo)
- Pilot experiment in the sale of cannabis for recreational use in Switzerland - Ruth DREIFUSS (Genève)

1:00 - 2:30 pm - Lunch

2:30 - 4:30 pm - Auditorium

simultaneously translated english, french, spanish

PLENARY SESSION #8 : Harm reduction

Chair : Patrick AEGERHARD (Paris)

- Harm Reduction : history and future
Patrick O'HARE (Liverpool)
- Access to harm reduction device and model of care in France - Marie JAUFFRET ROUSTIDE (Paris)
- Access to harm reduction device and model of care in the USA - Honora ENGLANDER (Portland)
- Innovative harm reduction devices in France (AERLI, testing...) - Perrine ROUX (Marseille)
- Choices@AZC : prevention services in Asylum Seekers Centers - Jason FARRELL (Amsterdam)
- Influence of drug use on methadone-associated mortality
Koldo CALLADO (Bilbao)

PARALLEL WORKSHOPS

2:30 - 4:30 pm - Rhune 1

simultaneously translated english, french

Workshop 1 : Alcohol substitution treatment in patients with alcohol dependence ; news updates

Moderation : Wim VAN DEN BRINK (Amsterdam)

- Efficacy and safety of baclofen in withdrawal and maintenance of abstinence treatment - Roberta AGABIO (Cagliari)
- Efficacy and safety of sodium oxybate in withdrawal and maintenance of abstinence treatment
Wim VAN DEN BRINK (Amsterdam)
- Substitution treatment for alcohol dependence : conceptual issues and potential candidates - Julien GUIRAUD (Paris)
- Integrating e-health into the care process of patients with alcohol use disorder : the OZ Ensemble experiment
Géraldine TALBOT (Montreuil)
- Realist evaluation of the impact, viability and transferability of an alcohol harm reduction support program based on mental health recovery : the Vitae Study - Sarah MORICEAU (Bordeaux)

2:30 - 4:30 pm - Rhune 2

Workshop 2 : Thinking about gender in addiction care

Moderation : Roxane SCAVO (Bordeaux)

- Vulnerabilities and empowerment of women substance-user-dealers in Bordeaux and Montreal - Sarah PERRIN (Bordeaux)
- Harm reduction and Chemsex - Olivier CAPDEBOSQ (Bordeaux)
- Gender (in)differences in low threshold programs : paradoxes of neutrality - Mélina GERMES (Bordeaux)

2:30 - 4:30 pm - Vague 1

Workshop 3 : Addictions, experiential knowledge, peer-help : professional certification for expert patients ?

Initial lessons, testimonials, prospects for expansion

Moderation : Alain DEJOUR (Paris)

With : Françoise GAUDEL (Paris), Hélène DELAQUAIZE (Paris), Ismaël BOURENANE (Dax), David DAUDIGNON (Mont-de-Marsan), Claudine LASBASSES-DEPIS (Mont-de-Marsan)

2:30 - 4:30 pm - Vague 2

Workshop 4 : Drug use trends and addict watch

Moderation : Alexandre PEYRE (Bordeaux)

- Complications linked to the use of psychoactive substances in minors : analysis of profiles using data from the French Addict Watch Centres - Hélène PEYRIERE (Montpellier)
- Drug use and misuse of benzodiazepines and opioids among students - Charlotte THOMAS (Lille)
- Hexahydrocannabinol and health monitoring data in the Auvergne Rhône Alpes area (AuRA) - Cécile CHEVALLIER (Lyon)
- Prevention of opioid overdoses and naloxone distribution : the POP program - Salim MEZAACHE (Marseille)

2:30 - 4:30 pm - Vague 3

Workshop 5 : Innovative practices in addiction care

Moderation : Virginie BELTRAN (Bayonne)

- Protocol for a stepped-wedge randomized controlled trial evaluating the efficacy and conditions for efficacy of an organizational smoking cessation intervention for pregnant women (5A-QUIT-N) - Charlotte KERVRAN (Bordeaux)
- Impact of psychedelics on craving : systematic review of the literature - Sophie-Athéna CHAPRON (Bordeaux)
- Efficacy of tDCS in reducing craving in chemsex patients : protocol for a randomized controlled pilot study (ChemStim) Benjamin PETIT (Dijon)
- Phosphatidylethanol measured on a buccal smear Bruno JOURNE (Paris)

2:30 - 4:30 pm - Vague 4

Workshop 6 : Addictions in general practice : how to support patients when medical deserts are spreading countrywide ? And what if tomorrow there were no more general practitioners ?

Moderation : Xavier AKNINE (Paris)

- National survey on medicine in addiction clinics (GP division of the Federation Addictions) - Xavier AKNINE (Paris) and Françoise ETCHEBAR (Pau)
- Supporting addicts in the city at a time when the existence of general practice is under threat - Laurent CATTAN (Paris)

4:30 - 5:00 pm

CLOSING CEREMONY
