About Us

“DS.Event & Exhibition” A Designer & Fabricator, which is serving to this industry from last more than 8 years. We are one stop shop for your total exhibition solutions. Our veteran team of exhibition stall designer and fabricators are always ready to shake hands to establish meaningful concepts and eye-grabbing designs, particularly for your company. They ensure to make an impact for your brand in the exhibition. The design and stall looks is the only thing that catches the attention of visitors. Certainly it becomes mandatory for clients to represent stall or brand in an attractive and innovative way to become visible in competition. Our creative team will work closely with you to develop functional exhibit panels / creative's for posters. The proper branding, right mixture of color, the optimized use of the available space, right property placement, attractive display of the products etc., all these are the key factors that we keep in our mind to come up with an innovative design for our clients. We offer exhibition stall fabrication in Mumbai, Bangalore, Delhi, Ahmadabad, Kolkata, Hyderabad, Chennai and other major cities in India. However We are not only restricted to work in our home country. We are looking forward to meeting the demands of customers residing outside India. Our many corporate clients who are using our services from long time and happy with us. which makes us well known designer and manufacturer with high clients satisfaction in India.

Our Work

The image features a hand holding a pen, pointing towards a set of architectural blueprints. In the background, there is a 3D cutaway model of a building, showing its internal structure and rooms. The scene is set on a white surface with several rolled-up blueprints and a pen nearby. The overall aesthetic is professional and technical.
